To His Excellency

The Right Honourable Ramon John Hnatyshyn, P.C., C.C., C.M.M., C.D., Governor General and Commander-in-Chief of Canada.

MAY IT PLEASE YOUR EXCELLENCY:

The undersigned has the honour to present to Your Excellency the Public Accounts of Canada for the year ended March 31, 1994.

All of which is respectfully submitted.

Arthur C. Eggleton, President of the Treasury Board.

OTTAWA, SEPTEMBER 26, 1994

To The Honourable Arthur C. Eggleton, President of the Treasury Board.

In accordance with the provisions of section 64(1) of the *Financial Administration Act*, I have the honour to transmit herewith the Public Accounts of Canada for the year ended March 31, 1994, to be laid by you before the House of Commons.

Respectfully submitted,

David Dingwall, Receiver General for Canada.

OTTAWA, SEPTEMBER 26, 1994

To The Honourable David Dingwall, Receiver General for Canada.

Sir:

I have the honour to submit the Public Accounts of Canada for the year ended March 31, 1994.

Under section 64(1) of the Financial Administration Act, the Public Accounts for each fiscal year shall be prepared by the Receiver General and shall be laid before the House of Commons by the President of the Treasury Board on or before the thirty-first day of December next following the end of that year, or if the House of Commons is not then sitting, within the first fifteen days next thereafter that the House of Commons is sitting.

This annual report is presented in two volumes:

Volume I—The financial statements of Canada on which the Auditor General has expressed an opinion; the observations by the Auditor General on the financial statements of Canada; a ten-year summary of the Government's financial transactions; analyses of budgetary revenue and expenditure, and of asset and liability accounts; and various other statements.

Volume II—Details of the financial operations of the Government, segregated by ministry (Part I); and additional information and analyses (Part II).

The audited financial statements contained in Volume I are for the year ended March 31, 1994.

Respectfully submitted,

Ranald A. Quail, Deputy Receiver General for Canada.

OTTAWA, SEPTEMBER 26, 1994

#### INTRODUCTION TO THE PUBLIC ACCOUNTS

#### Nature of the Public Accounts

The Public Accounts is the report of the Government of Canada prepared each fiscal year by the Receiver General as required by section 64 of the Financial Administration Act.

The report covers the fiscal year of the Government, which ends on March 31, and is prepared from data contained in the accounts of Canada and from more detailed records maintained in departments and agencies. The accounts of Canada is the centralized record of the Government's financial transactions maintained by the Receiver General in which the transactions of all departments and agencies are summarized. Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

#### Format of the Public Accounts

The Public Accounts is produced in two volumes.

Volume I presents a summary analysis of the financial transactions of the Government. Its content is summarized as follows:

SECTION 1: audited financial statements of the Government of Canada;

SECTION 2: ten-year summary of the Government's financial transactions:

SECTION 3: review of budgetary revenue;

SECTION 4: review of budgetary expenditure;

SECTION 5: analysis of consolidated accounts;

SECTION 6: analysis of loans, investments and advances:

SECTION 7: analysis of specified purpose accounts;

SECTION 8: analysis of other liabilities;

SECTION 9: analysis of foreign exchange accounts;

SECTION 10: analysis of unmatured debt; and,

SECTION 11: analysis of other information related to the financial statements.

Volume II is published in two parts. Part I presents the financial operations of the Government, segregated by ministry while Part II presents additional information and analyses.

# Ministerial Reorganizations Affecting the 1993-94 Public Accounts

Major reorganizations were made to the structure and names of certain ministries in 1993-94. The following **Appendix** describes the changes made to the structure.

In addition to the changes described in the **Appendix**, the Government also made changes to the nomenclature of certain ministries. The 1993-94 Public Accounts does not make reference to the new nomenclature since newly established ministries or new names of ministries have not yet received legislative approval.

Comparative figures were reclassified to conform to the current year's structure.

#### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

#### PREFACE TO THE FINANCIAL STATEMENTS OF THE GOVERNMENT OF CANADA

The fundamental purpose of the financial statements is to provide information to Parliament, and thus to the public, to facilitate an understanding and evaluation of the full nature and extent of the financial affairs and resources for which the Government is responsible. The financial statements reflect the financial position of the Government at the reporting date, as well as its results of operations, financial requirements and changes in financial position for the year. Two supplementary statements report transactions under the Spending Control Act and the Debt Servicing and Reduction Account Act.

The two fundamental concepts underlying the Government's accounting system are found in the Constitution Acts: first, that all duties and revenues received, other than those reserved to the provinces, "shall form One Consolidated Revenue Fund"; second, that the balance of the Fund, after certain prior charges, "shall be appropriated by the Parliament of Canada".

The right of Canada to raise taxes and revenues is contained in the Constitution Acts, and is given specific form in various Acts passed by Parliament. Revenue can be raised and moneys can be spent or borrowed by the Government only with the authority of Parliament. All receipts of money by departments and agencies must be deposited into the Consolidated Revenue Fund (CRF). All disbursements from the CRF for spending on operations, for loans, investments and advances, and for the redemption of matured debt, must be authorized by Parliament, through annual appropriation acts and other statutes.

Wholly-owned Crown corporations that are agents of Her Majesty also may borrow only as authorized by Acts of Parliament. Such Acts usually place a ceiling on the amount of borrowings that can be outstanding at any one time. Non-agent Crown corporations can borrow without specific parliamentary authority, although such borrowings are sometimes guaranteed by the Government with the authority of Parliament.

The financial statements consist of five statements and accompanying notes.

The first statement is the Statement of Transactions, which shows the extent to which cash going out from the Government exceeded cash coming in (financial requirements), and the resulting net new borrowing. The financial transactions are classified into the following categories:

- Budgetary transactions are all transactions with outside parties which enter into the calculation of the annual deficit or surplus of the Government, that is, tax and non-tax revenue, together with expenditures.
- Non-budgetary transactions are all transactions in assets and liabilities, other than those related to foreign exchange and unmatured debt.
- Foreign exchange transactions are all transactions in international reserves held in the Exchange Fund Account (the principal objective of which is to aid in the control and protection of the external value of the Canadian dollar), the net position of the Government with respect to the International Monetary Fund, and unmatured debt payable in foreign currencies.

• Unmatured debt transactions show increases or decreases in unmatured debt, that is, the net change in amounts owing for marketable bonds, Canada savings bonds, special non-marketable bonds issued to the Canada Pension Plan Investment Fund and Treasury bills. They exclude unmatured debt payable in foreign currencies.

The second statement is the Statement of Accumulated Deficit, which reflects the net accumulation of annual deficits and surpluses since Confederation. Because of changes in accounting policies introduced this year on a retroactive basis, the accumulated deficit at the beginning of the year, shown for 1993 and 1994, has been restated.

The third statement is the Statement of Revenue and Expenditure, which presents the Government's revenue, expenditure and deficit (results of operations) for the year.

The fourth statement is the Statement of Assets and Liabilities. This statement discloses the Government's cash balances and investments, and amounts owing to and by the Government at the end of the year. It differs in some ways from a conventional private sector balance sheet. Two major differences concern items that are not reported on this statement: capital assets, having been accounted for as expenditures when acquired, and tax revenues receivable since tax revenues are generally reported on a cash basis. The difference, therefore, between total assets and total liabilities is simply the aggregate of annual budgetary deficits and surpluses determined in accordance with the accounting policies of the Government.

The fifth statement is the Statement of Changes in Financial Position, which provides information on the Government's cash requirements for operating and investing activities, and how these activities were financed.

In addition to the financial statements, two supplementary statements provide details of transactions under the Spending Control Act and the Debt Servicing and Reduction Account Act. The Spending Control Act deals with limiting program spending for the period from 1991-92 to 1995-96 inclusive to the levels projected in the February 1991 Budget. The Debt Servicing and Reduction Account Act calls for certain revenues including the Goods and Services Tax (GST) to be used to service the public debt and not to fund new program spending.

Other sections in this volume, together with Volume II of the Public Accounts provide more detailed supplementary information in respect of matters reported in the financial statements. The opinion of the Auditor General on the financial statements does not extend to this supplementary information.

#### STATEMENT OF RESPONSIBILITY

The financial statements in this section were prepared by the Government of Canada in accordance with the accounting policies set out in Note 1 to the statements and, after giving retroactive effect to the changes in accounting policies as explained in Note 2, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of the financial statements rests with the Government. The financial statements are prepared under the joint direction of the President of the Treasury Board, the Minister of Finance, and the Receiver General for Canada, in compliance with governing legislation. The financial statements are generally prepared on an accrual basis of accounting; a notable exception is that capital assets are charged to budgetary expenditure at the time of acquisition or construction. Tax revenues are generally reported on a cash basis. The information included in these financial statements is based on the Government's best estimates and judgement, with due consideration given to materiality.

To fulfill its accounting and reporting responsibilities, the Government maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded so as to maintain accountability of public money and safeguard the assets and properties of Canada under Government administration. The Receiver General for Canada maintains the accounts of Canada, a centralized record of the Government's financial transactions, and obtains additional information as required, from departments, agencies and Crown corporations, to meet accounting and reporting requirements.

The Government presents the financial statements to the Auditor General of Canada who audits them and provides an independent opinion to the House of Commons. The duties of the Auditor General in that respect are contained in section 6 of the Auditor General Act, section 8 of the Spending Control Act and section 9 of the Debt Servicing and Reduction Account Act. Additional information is provided in the observations of the Auditor General at the end of this section.

Annually, the financial statements are tabled in Parliament as part of the Public Accounts, and are referred to the Standing Committee on Public Accounts, which reports to Parliament on the results of its examination together with any recommendations it may have with respect to the financial statements and accompanying audit opinion.

On behalf of the Government of Canada.

R. J. GIROUX

Secretary of the Treasury Board and Comptroller General of Canada DAVID A. DODGE

Deputy Minister of Finance

RANALD A. QUAIL

Deputy Receiver General for Canada

# OPINION OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF THE GOVERNMENT OF CANADA

To the House of Commons:

I have audited the statement of assets and liabilities of the Government of Canada as at March 31, 1994 and the statements of revenue and expenditure, accumulated deficit, changes in financial position and transactions for the year then ended. These financial statements are the responsibility of the Government. My responsibility is to express an opinion on these financial statements based on my audit, as required by section 6 of the Auditor General Act.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies used and significant estimates made by the Government, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Government of Canada as at March 31, 1994 and the results of its operations, the changes in its financial position and its financial requirements for the year then ended, in accordance with the stated accounting policies of the Government of Canada as set out in Note 1 to the financial statements. As required by section 6 of the Auditor General Act, I also report that, in my opinion, after giving retroactive effect to the changes in accounting policies as explained in Note 2, these stated accounting policies have been applied, in all material respects, on a basis consistent with that of the preceding year.

Additional information and comments on the financial statements and this opinion are included in my observations at the end of this section.

L. Denis Desautels, FCA Auditor General of Canada

Ottawa, Canada July 26, 1994

# Statement of Transactions for the Year Ended March 31, 1994

The accompanying notes are an integral part of this statement.

Details (unaudited) can be found in other sections of this volume.

<sup>(1)</sup> The difference between Gross and Net is revenue credited to appropriations, revenue of consolidated Crown corporations credited to expenditure, tax revenue items related to expenditure and included in revenue, and recovery of tax revenue credited to expenditure.

<sup>(2)</sup> Unemployment insurance benefits exclude administration costs of \$1,310 million and interest expense of \$450 million related to the operation of the Unemployment Insurance Account.

<sup>(3)</sup> The Child Tax Benefit Program was introduced in January 1993 to replace the Child Tax Credits and the Family Allowances Program.

The accompanying notes are an integral part of this statement.

Details (unaudited) can be found in other sections of this volume.

(1) Figures differ from those shown in the Statement of Transactions because non-cash transactions have been re-classified and shown separately.

#### Notes to the Financial Statements of the Government of Canada

#### 1. Summary of Significant Accounting Policies

#### i. Government of Canada as a reporting entity

As a reporting entity, the Government of Canada comprises the financial activities of all its organizations and funds which are owned or controlled by the Government and which are accountable to Parliament.

#### ii. Method of accounting for Government organizations

Except for enterprise Crown corporations, which are accounted for by the cost method, and the Canada Pension Plan (Note 11), all Government organizations are accounted for in the financial statements by consolidation. Enterprise Crown corporations are defined as those corporate organizations which are not dependent on parliamentary appropriations, and whose principal activity and source of revenue is the sale of goods and services to outside parties.

#### iii. Classification of financial transactions

The financial transactions of the Government are classified as budgetary, non-budgetary, foreign exchange and unmatured debt transactions.

Budgetary transactions enter into the calculation of the annual deficit or surplus and are reported on the Statement of Revenue and Expenditure. All other transactions lead to the acquisition or disposal of financial claims or to the creation or discharge of financial obligations, and are disclosed in the Statement of Assets and Liabilities.

Comparative figures are reclassified retroactively to conform to the current year's presentation.

#### iv. Budgetary transactions

On the Statement of Revenue and Expenditure, revenue and expenditure are reported both gross and net. The difference between the two is revenue from outside parties credited to appropriations, revenue of consolidated Crown corporations credited to expenditure, tax revenue items related to expenditure and included in revenue, and recovery of tax revenue credited to expenditure. Gross and net transactions are discussed in more detail in Note 4.

#### Revenue

Tax revenue is reported net of refunds, and excludes taxes collected on behalf of provinces and territories, and amounts credited to other liability accounts.

The Government generally reports tax revenue in the year in which it is received. Refunds of tax revenue are allocated to the year in which the processing cycle for the assessment of the related tax return has been started. However, cases of tax refunds that are both significant and unusual in nature, and where all applicable levels of appeal have been exhausted or are not expected to be pursued, are reported on an accrual basis. The Goods and Services Tax (GST) quarterly tax credits and payments under the child tax benefit program are charged in the period to which they relate.

Non-tax revenue is reported in the year in which the transactions or events that give rise to the revenue occur.

#### Expenditure

Expenditure includes charges for work performed, goods received, services rendered, and transfer payments made during the year. Expenditure may also include net charges related to allowances for the valuation of assets, for borrowings of agent enterprise Crown corporations, and for other liabilities.

#### v. Assets

Assets are defined as the financial claims acquired by the Government on outside parties. However, certain financial claims are not reported on the Statement of Assets and Liabilities. The most important of these is tax revenue receivable.

The capital assets of the Government, which include land, engineering structures, buildings, machinery and equipment, are recorded as expenditure at the time of acquisition or construction.

#### vi. Liabilities

Liabilities are defined as financial obligations of the Government to outside organizations and individuals as a result of events and transactions that occurred on or before the accounting date. Premiums, discounts and commissions pertaining to the issue of unmatured debt are deferred and amortized over the life of the debt instrument.

#### vii. Valuation of assets and liabilities

Assets are recorded at cost and are subject to annual valuation to reflect reductions from the recorded value to the estimated realizable value.

The allowance for valuation includes reductions from the recorded value of loans (and subscriptions to international organizations that make similar loans) with significant concessionary terms or when loans are expected to be recovered from future appropriations.

The Government's gold reserves are included in the international reserves held in the Exchange Fund Account and are valued in relation to international agreements and a basket of five currencies. Gold reserves are discussed in more detail in Note 10.

The Government views loans to sovereign states as collectible unless formally repudiated by the debtor. The Government establishes allowances in respect of potential debt or debt service relief measures for financially troubled countries under multilateral agreements. These allowances are included, as appropriate, in the allowance for valuation of assets and the allowance for borrowings of agent enterprise Crown corporations expected to be repaid by the Government.

Liabilities are recorded at the estimated amounts ultimately payable.

Borrowings of agent enterprise Crown corporations are recorded as liabilities when they are not expected to be repaid directly by these corporations.

Employees' entitlements to severance and pension benefits are reported on an actuarial basis. This process is intended to determine current value of future entitlements and uses various estimates. When actual experience varies from estimates, the adjustments needed are pro-rated over the estimated average remaining service lives of the employees. The pension liability is discussed in more detail in Note 12.

#### viii. Translation of foreign currency transactions

Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates in effect at the time of those transactions. Assets and liabilities denominated in foreign currencies are translated using rates at March 31.

#### ix. Contingent liabilities

Contingent liabilities, generally, are recorded in the accounts only when they become actual liabilities. Losses on loan guarantees are accrued as liabilities when it is likely that a payment will be required in the future to honour a guarantee and where the amount of the loss can be reasonably estimated. Specific amounts of contingent liabilities are reported when available. Where specific amounts are not available, estimates of potential liability are used, if determinable. Items for which no reasonable estimate can be made are not included. Contingent liabilities are discussed in more detail in Note 16.

#### 2. Changes in Accounting Policies

In 1994, changes have been made in accounting policies for loans to be repaid through future appropriations, for premiums, discounts and commissions on unmatured debt and for certain tax refunds.

Consistent with recommendations for governments issued in April 1993 by the Canadian Institute of Chartered Accountants, a provision is now recorded and included in expenditure when a loan or a portion of a loan is expected to be recovered from future appropriations. The Government has also changed its method of accounting for premiums and discounts on marketable bonds and commissions on Canada savings bonds to deferral and amortization over the life of the debt instrument. Tax refunds are now accounted for on an accrual basis when related to cases that are both significant and unusual in nature, and where all applicable levels of appeal have been exhausted or are not expected to be pursued.

These changes were made pursuant to section 64(2)(d) of the Financial Administration Act and applied retroactively, with restatements of the previous year's deficit and accumulated deficit, for consistency.

The net effect of the changes made in 1994 on the accumulated deficit at the beginning of the year is \$907 million (\$365 million in 1993) and on the annual deficit is \$682 million (\$542 million in 1993).

#### 3. Spending and Borrowing Authorities

#### i. Spending authorities

The following table summarizes the spending authorities authorized by Parliament in appropriation acts and other statutes which authorize spending for specified purposes, and are used by the Government either for expenditure or for loans, investments and advances.

The use of expenditure (budgetary) authority as reported in the following table differs from the total of net expenditure reported on the Statement of Revenue and Expenditure. Certain specified purpose accounts and certain Crown corporations are consolidated with the Government's financial statements but are not included in the expenditure (budgetary) authorities available for use. In addition, the authorities do not include the provision for valuation of assets and liabilities, which is authorized by section 63 of the Financial Administration Act.

| and Expenditure   | 157,996                              |   | 161,401                              |   |

<sup>(1)</sup> Details (unaudited) can be found in Tables 5 and 6, Section 1 of Volume II (Part I) of the Public Accounts.

#### ii. Overexpenditure of spending authority

During the year, capital expenditures Vote 5 of the department of National Defence has been overexpended for an amount of \$51 million. The Ministry of Communications has reported overexpenditures below \$50 million.

All cases of overexpenditure represent the recognition of liabilities for expenditures which pertain to the 1993-94 fiscal year, but for which payment will be made in subsequent years. For votes that were overexpended, a subsequent year voted spending authority will be reduced by any payments made to discharge those liabilities.

<sup>(2)</sup> Details (unaudited) of consolidated specified purpose accounts and consolidated Crown corporations can be found in Section 5 of this volume.

Details (unaudited) of all overexpended votes can be found in the ministerial sections of Volume II (Part I) of the Public Accounts.

#### iii. Borrowing authorities

The following table shows the borrowing authorities available and their use, reconciled to the change in unmatured debt as reported on the Statement of Assets and Liabilities:

|   |                  |                 |        | (in millions                                   | of dollars) |        |        |  |

| allowance recovery                   | 382                      | 376    |
| ·                                    | 7,190                    | 4,067  |
| Net personal income tax              | 51,051                   | 58,283 |

<sup>(1)</sup> The child tax benefit program was introduced in January 1993 to replace the child tax credits and the family allowances program.

The difference between the gross and net totals of personal income tax revenue consists of items (listed in the above table) that are related to expenditure but are

determined through the income tax or fiscal arrangements processes. These items are reflected in the gross amounts of the relevant transfer payments in the Statement of Revenue and Expenditure.

#### ii. Excise taxes and duties

The following table presents details of the goods and services tax (GST), and other excise taxes and duties as classified in the Statement of Revenue and Expenditure:

|   | (in millions of dollars) |        |
|---|--------------------------|--------|
|   | 1994                     | 1993   |
| Goods and services tax collected  | 32,652                   | 30,516 |
| Less: refunds   | 11,921                   | 10,703 |
| rebates <sup>(1)</sup>  | 1,417                    | 1,436  |
| ministries  | 933                      | 1,006  |
| Gross goods and services tax  | 18,381                   | 17,371 |
| quarterly tax credits   | 2,685                    | 2,503  |
| Net goods and services tax  | 15,696                   | 14,868 |
| Gross other excise taxes and duties  Less: other program expenditures—Revenue | 4,161                    | 4,462  |
| credited to appropriations  | 530                      | 498    |
| Net other excise taxes and duties   | 3,631                    | 3,964  |

<sup>(1)</sup> GST rebates are reported net of GST collected by claimants.

The difference between gross and net GST represents quarterly tax credits which are related to expenditures but are determined through the personal income tax process. These credits are reflected in the gross amount of other transfer payments in the Statement of Revenue and Expenditure. The difference between gross and net other excise taxes and duties represents revenues from outside parties credited to appropriations. These revenues are reflected in the gross amounts of other program expenditures in the Statement of Revenue and Expenditure.

#### iii. Non-tax revenue

The following are details of non-tax revenue as shown in the Statement of Revenue and Expenditure:

|   | (in millions of dollars) |       |
|---|--------------------------|-------|
|   | 1994                     | 1993  |
| Gross return on investments                                   |                          |       |
| Loans, investments and advances                               | 2,842                    | 3,403 |
| Foreign exchange accounts                                     | 2,670                    | 3,559 |
| Other   | 675                      | -89   |
|   | 6,187                    | 6,873 |
| Less items included in above                                  |                          |       |
| amounts:  |                          |       |
| Other program expenditures—Revenue credited to appropriations | 37                       | 23    |
| Crown corporations expenditures—Revenue                       |                          |       |
| of consolidated Crown corporations                            | 8                        | 12    |
| Net return on investments                                     | 6,142                    | 6,838 |
| Gross other non-tax revenue                                   | 5,110                    | 5,784 |
| Less items included in above                                  |                          |       |
| amounts:  |                          |       |
| Other program expenditures—Revenue                            |                          |       |
| credited to appropriations                                    | 1,993                    | 2,159 |
| Crown corporations expenditures—Revenue                       |                          |       |
| of consolidated Crown corporations                            | 607                      | 649   |
| Net other non-tax revenue                                     | 2,510                    | 2,976 |

The difference between the gross and net totals of return on investments and other non-tax revenue consists of revenue from outside parties credited to appropriations and revenue of consolidated Crown corporations. These revenues are reflected in the gross amounts of the relevant transfer payments in the Statement of Revenue and Expenditure.

Other non-tax revenue is comprised principally of refunds of previous years' expenditure, services and service fees, privileges, licences and permits, proceeds from sale of capital assets and of current goods and services.

#### 5. Expenditure

#### i. Transfer payments

The following is a more detailed summary of other transfer payments as shown in the Statement of Revenue and Expenditure:

|   | (in millions of dollars) |        |
|---|--------------------------|--------|
|   | 1994                     | 1993   |
| Other transfer payments—                |                          |        |
| Agriculture                             | 1,425                    | 2,146  |
| Communications                          | 1,054                    | 1,128  |
| Employment and Immigration              | 1,391                    | 1,438  |
| External Affairs                        | 2,380                    | 2,537  |
| Indian Affairs and Northern Development | 4,219                    | 3,915  |
| Industry, Science and Technology        | 1,268                    | 1,425  |
| Transport                               | 1,078                    | 1,074  |
| Veterans Affairs                        | 1,444                    | 1,459  |
| Other                                   | 5,682                    | 4,502  |
| Total                                   | 19,941                   | 19,624 |

#### ii. Crown corporations expenditures

The following are the major components included in Crown corporations expenditures:

|   | (in millions of dollars) |        |
|---|--------------------------|--------|
|   | 1994                     | 1993   |
| Expenditures of consolidated Crown corporations           | 4,772                    | ·4,858 |
| Expenditures related to enterprise Crown corporations (1) | 1.141                    | 2,022  |
|   | 5,913                    | 6,880  |
| Less: revenue of consolidated Crown                       |                          |        |
| corporations  | 615                      | 661    |
| Total   | 5,298                    | 6,219  |

<sup>(1)</sup> Includes a provision for valuation of \$578 million (\$1,291 million in 1993).

#### iii. Other program expenditures

Other program expenditures by ministry are as follows:

|                                  | (in millions of dollars) |        |
|----------------------------------|--------------------------|--------|
|                                  | 1994                     | 1993   |
| Communications                   | 1,244                    | 1,250  |
| External Affairs                 | 1,039                    | 1,309  |
| Industry, Science and Technology | 1,386                    | 1,416  |
| National Health and Welfare      | 1,156                    | 1,109  |
| National Revenue                 | 2,248                    | 2,170  |
| Solicitor General                | 2,503                    | 2,357  |
| Supply and Services              | 1,738                    | 1,713  |
| Transport                        | 1,377                    | 1,234  |
| Other ministries                 | 7,347                    | 7,400  |
|                                  | 20,038                   | 19,958 |
| National Defence                 | 11,310                   | 10,939 |
| Total                            | 31,348                   | 30,897 |

#### iv. Public debt charges

Public debt charges include interest on unmatured debt, on specified purpose accounts (including superannuation accounts) and on other accounts, the amortization of discounts, premiums and commissions on unmatured debt and the servicing costs and costs of issuing new loans. Details (unaudited) can be found in Section 4 of this volume.

|  | (in millions of dollars) |        |
|--|--------------------------|--------|
|  | 1994                     | 1993   |
| Summary of public debt charges           |                          |        |
| Interest                                 |                          |        |
| on unmatured debt <sup>(1)</sup>         | 19,510                   | 19,472 |
| on specified purpose accounts            | 9,533                    | 8,959  |
| on other accounts                        | 53                       | 79     |
| Amortization of discounts                |                          |        |
| on Treasury bills                        | 8,489                    | 10,086 |
| Amortization of discounts                |                          |        |
| on Canada bills                          | 140                      | 18     |
| Amortization of premiums and discounts   |                          |        |
| on marketable bonds                      | 156                      | 121    |
| Amortization of commissions              |                          |        |
| on Canada savings bonds                  | 58                       | 58     |
| Servicing costs and costs of issuing new |                          |        |
| loans                                    | 43                       | 32     |
| Total public debt charges                | 37,982                   | 38,825 |

<sup>(1)</sup> Included in interest on unmatured debt is an amount of \$369 million (\$356 million in 1993) for special non-marketable bonds held by the Canada Pension Plan Investment Fund. This amount is unrelated to a borrowing authority act for purposes of the Debt Servicing and Reduction Account.

#### 6. Expenditure by Standard Object

Expenditure on the Statement of Revenue and Expenditure is reported by standard object in the following table:

| Standard   |                                     | (in millions of dollars) |         |
|------------|-------------------------------------|--------------------------|---------|
| Object     |                                     | 1994                     | 1993    |
| (1)        | Personnel                           | 18,731                   | 18,515  |
| (2)        | Transportation and communications   | 1,964                    | 2,015   |
| (3)        | Information                         | 219                      | 311     |
| (4)        | Professional and special services   | 3,245                    | 3,308   |
| (5)<br>(6) | Rentals Purchased repair and        | 1,171                    | 1,096   |
| (7)        | maintenance                         | 1,437                    | 1,406   |
| (8)        | supplies                            | 2,402                    | 2,417   |
| (9)        | buildings and works                 | 986                      | 849     |
| .)         | machinery and equipment             | 3,695                    | 3,616   |
| (10)       | Transfer payments                   | 92,540                   | 91,253  |
| (11)       | Public debt charges                 | 37,982                   | 38,825  |
| (12)       | Other subsidies and payments        | 5,971                    | 6,923   |
|            | Total gross expenditure             | 170,343                  | 170,534 |
| (13)       | Less: revenues credited to the vote | 2,560                    | 2,680   |
|            | Crown corporations                  | 615                      | 661     |
|            | Tax credits and repayments          | 9,172                    | 5,792   |
|            | Total net expenditure               | 157,996                  | 161,401 |

Details (unaudited) can be found in Table 3a, Section 1 of Volume II (Part I) of the Public Accounts.

#### 7. Accumulated Deficit

In accordance with its stated accounting policies, the Government includes in its revenues and expenditures the transactions of certain specified purpose accounts and Crown corporations. Legislation requires that the revenue of specified purpose accounts be earmarked and that related payments be charged against such revenue. Any deficiency of payments over revenue must be met through future revenue from these accounts. The following table shows the balances of these specified purpose accounts and the retained earnings of the consolidated Crown corporations included in the accumulated deficit:

|   | (in millions of dollars) |         |
|---|--------------------------|---------|
|   | 1994                     | 1993    |
| Accumulated deficit excluding consolidated  |                          |         |
| accounts                                    | 503,920                  | 462,357 |
| Consolidated specified purpose accounts—    |                          |         |
| Unemployment Insurance Account              | 6,649                    | 6,016   |
| Canadian Ownership                          |                          |         |
| Account                                     | -3,567                   | -3,566  |
| Western Grain Stabilization                 |                          |         |
| Account                                     | 1,092                    | 1,100   |
| Crop Reinsurance Fund                       | 407                      | 392     |
| Other Insurance Accounts                    | -246                     | -238    |
| Agriculture Commodities Stabilization       |                          |         |
| Accounts                                    | -103                     | 25      |
| Accrued expenditure of the Crop Reinsurance |                          |         |
| Fund  | 13                       | 28      |

Details (unaudited) of the consolidated accounts can be found in Section 5 of this volume.

#### 8. Crown Corporations

#### i. Consolidated Crown corporations

Consolidated Crown corporations are wholly-owned Crown corporations and their wholly-owned subsidiaries which rely on Government funding as their principal source of revenue.

A total of 25 Crown corporations were consolidated in 1994 (26 in 1993). The principal consolidated Crown corporations are: Canadian Broadcasting Corporation, Marine Atlantic Inc., and VIA Rail Canada Inc.

#### ii. Enterprise Crown corporations

As disclosed in Note 1ii, enterprise Crown corporations are not consolidated in these financial statements; the only amounts reported are the Government's loans and investments less allowance for valuation, balances owing between the Government and the enterprise Crown corporations, appropriations paid to the corporations and dividends or transfers of profit received from the corporations. The more significant Crown corporations are the

Bank of Canada, Canadian National Railway, Canada Mortgage and Housing Corporation, Export Development Corporation and Canada Deposit Insurance Corporation.

The following tables set out the assets, liabilities, revenues and expenses of enterprise Crown corporations.

The corporate financial statements of all Crown corporations are reproduced in the President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada.

| Change in equity for the year     | -111                     | -1,291 |
| Net equity beginning of year      | 5,543                    | 6,834  |
| Net equity end of year            | 5,432                    | 5,543  |

Details (unaudited) can be found in Section 6 of this volume.

<sup>(1)</sup> Of this amount, \$1,452 million (\$1,806 million in 1993) is from the Bank of Canada.

## 9. International Development Assistance—Loans and Subscriptions

#### i. Loans to developing countries

Included in loans to National governments of \$3,434 million (\$3,382 million in 1993) are loans to developing countries of \$1,903 million (\$1,968 million in 1993). These loans arose from agreements signed before April 1, 1986 and are either at low interest rates or are interest-free. Because of the financial benefits conferred on the recipients, they have been fully provided for in the allowance for valuation of assets.

All similar loans disbursed after April 1, 1986 have been treated as budgetary expenditures. Details (unaudited) can be found in Section 6 of this volume.

## ii. Loans, investments and advances to international organizations

Loans, investments and advances to international organizations of \$5,691 million (\$5,436 million in 1993) include subscriptions and advances to the International Development Association, advances to the Global Environment Facility and loans to other international financial institutions. As at March 31, 1994, these amounted to \$4,394 million (\$4,344 million in 1993). Netted against loans, investments and advances to international organizations are notes payable of \$2,331 million (\$2,312 million in 1993), including \$2,285 million (\$2,272 million in 1993) of notes payable to the aforementioned association and institutions. The notes are non-interest bearing, non-negotiable and payable on demand, although normally encashed within seven years.

Some of the international organizations mentioned above make loans to developing countries on beneficial terms. Accordingly, net balances of loans and advances made prior to April 1, 1986 have been fully provided for in the allowance for valuation of assets. As at March 31, 1994, the amounts provided for were \$2,108 million (\$2,072 million as at March 31, 1993). All similar loans and advances disbursed after April 1, 1986 have been treated as budgetary expenditures.

Details (unaudited) can be found in Section 6 of this volume.

#### 10. Gold

The Government keeps certain investments in its Exchange Fund Account to aid in the control and protection of the external value of the Canadian dollar. Part of these investments is kept in the form of gold: 5.6 million fine ounces (1993—9.1 million fine ounces). These gold holdings are valued at 35 SDRs which is a unit of account used by the International Monetary Fund valued in terms of a basket of five major currencies at \$68.40 (1993—\$61.57) per fine ounce which approximates cost. This valuation results in a recorded value of \$383 million (1993—\$560 million), which is much lower than the market value basis of \$3,016 million (1993—\$3,884 million); using values of \$538.54 per fine ounce in 1994 (1993—\$425.12). Further details are provided in the financial statements of the Exchange Fund Account in Section 9 of this volume.

#### 11. Canada Pension Plan

The Canada Pension Plan liability is reported net of securities held by the Canada Pension Plan Investment Fund as follows:

|                             | (in millions of dollars) |        |
|-----------------------------|--------------------------|--------|
|                             | 1994                     | 1993   |
| Canada Pension Plan Account | 40,951                   | 42,172 |
| Plan Investment Fund        | 38,223                   | 39,333 |
| Total                       | 2,728                    | 2,839  |

The Plan was set up under federal legislation. It is under the joint control of the Government and participating provinces.

The Government must hold sufficient funds to pay benefits and costs of the Plan for the ensuing three-month period. Any amount in excess of this requirement is made available for loans to the provinces and territories in proportion to contributions made by the residents of the respective provinces and territories. Any part of this excess not borrowed by the provinces or territories is invested in federal securities. Legislation does not require the Canada Pension Plan Account to be determined on an actuarial basis. The Government's authority to pay benefits under the Plan is limited to the balance in the Canada Pension Plan Account.

In accordance with the accounting policies of the Government, the revenues and expenditures of the Plan (\$13,368 million and \$14,589 million respectively) have not been reported with those of the Government.

The financial statements of the Canada Pension Plan are included in Section 7 of this volume.

#### 12. Pension Liability

The Government is responsible for defined benefit pension plans covering substantially all its full-time employees (including the Public Service, Canadian Forces, Royal Canadian Mounted Police and certain Crown corporations) as well as federally appointed judges and Members of Parliament. Pension benefits are generally calculated by reference to highest earnings for a specified period of time, are related to years of service and are indexed to inflation. Separate funds are not set aside to provide for payment of these pension benefits.

Annually, pension obligations are estimated by projecting benefits expected to be paid in the future and calculating their present value. Many assumptions are required for this process, including estimates of future inflation, interest rates, general wage increases, workforce composition, retirement rates and improved mortality rates. The long term rate of inflation used in the valuation is 1.5 percent.

The Government uses its best estimates for the assumptions affecting these pension obligations. Changes in assumptions can result in significantly higher or lower estimates of liabilities. For example, an increase of 1 percent in the inflation rate would increase the pension liability by approximately \$9,000 million, whereas an increase of 1 percent in interest rates would reduce the pension liability by about \$12,000 million.

#### PUBLIC ACCOUNTS, 1993-94

The pension liability recorded in the financial statements is comprised of the accrued benefit obligation determined as of March 31,1994, which amounted to \$79,897 million (1993—\$75,511 million) and unamortized pension adjustments of \$14,200 million (1993—\$12,400 million). The unamortized pension adjustments will be amortized over periods ranging from 7 to 14 years which will reduce expenditures in those years.

Crown corporations covered by the *Public Service Superan*nuation Act need only match their employees' contributions, the cost of any deficiency is borne by the Government. Interest at the Government's long-term bond rate (about 10.5 percent in 1994 and 11 percent in 1993) is calculated in accordance with the pension legislation and is reported as part of the cost of public debt. Costs for 1994 are summarized as follows:

|                                  | (in millions of dollars) |         |  |
|----------------------------------|--------------------------|---------|--|
|                                  | 1994                     | 1993    |  |
| Employer contributions           | 1,424                    | 1,321   |  |
| Indexation                       | 39                       | 58      |  |
| Less: amortization of annual     |                          |         |  |
| actuarial estimation adjustments | (1,435)                  | (1,200) |  |
| Net pension costs                | 28                       | 179     |  |
| public debt charges              | 9,094                    | 8,466   |  |
|                                  | 9,122                    | 8,645   |  |

Details (unaudited) can be found in Section 7 of this volume.

#### 13. Unmatured Debt

The following table presents interest rates and maturity of debt issues by currency and type at face value:

|   |             |   |                                | (in millions of dollars                                 | 3)                |  |             |

Details (unaudited) can be found in Section 10 of this volume.

(1) Canada savings bonds are redeemable on demand.

Government debt is issued at both fixed and variable rates. The Government has entered into interest swap agreements to facilitate management of the risks associated with its interest rate exposure. As at March 31, 1994, the Government had interest swap agreements of US \$1,625 million and Cdn \$7,900 million in notional principal. Under these agreements, which expire between 1994 and 2005, fixed interest rate commitments have been converted to variable rates (tied to LIBOR or Banker's Acceptance).

The interest paid or payable and the interest received or receivable on all swap transactions is recorded as part of public debt charges in the Statement of Revenue and Expenditure.

Foreign currency amounts are translated to the Canadian dollar equivalent at year end. As at March 31, foreign currency borrowings included the following:

|                              | (in millions of dollars) |                              |                              |  |  |
|------------------------------|--------------------------|------------------------------|------------------------------|--|--|
|                              | 1994                     | 1994                         | 1993                         |  |  |
| Currency                     | Face<br>value            | Canadian<br>\$<br>equivalent | Canadian<br>\$<br>equivalent |  |  |
| United States dollars Yen(1) | 7,776                    | 10,668                       | 4,601<br>808                 |  |  |
|                              |                          | 10,668                       | 5,409                        |  |  |

<sup>(1)</sup> The 1993 Canadian \$ equivalent is comprised of the conversion of Yen 60,000 million debt and US 120 million dollar swap risks.

#### 14. Contractual Commitments

The nature of the Government's activities requires negotiation of contracts that are significant in relation to its current financial position or that will materially affect the level of future expenditure. Contractual commitments are classified into the following seven categories: fixed assets, purchases, operating leases, transfer payment agreements, capital leases, international organizations and benefit plans for veterans.

All contractual commitments of \$50 million or more per project or individual contract including associated costs if not part of a project at year end, are reported for fixed assets, purchases, operating leases and for transfer payment agreements. All capital lease arrangements with total minimum lease payments remaining as at March 31 in excess of \$1 million per contract are reported. Commitments to international organizations in excess of \$1 million and benefit plans for which the Government has commitments in excess of \$50 million are also reported.

The following are the contractual commitments as at March 31, 1994, which will result in substantial outlays in future years, including those of consolidated Crown corporations:

Fixed assets, purchases, operating leases and transfer payment agreements

|                                  | (in millions of dollars)   |                                      |                            |                                      |

| 2000 and subsequently            |                            | 3,323                                |                            | 2,232                                |
|                                  |                            | 20,585                               |                            | 21,083                               |

Details (unaudited) can be found in Section 11 of this volume.

Included in the outstanding transfer payment agreements commitments of \$13,682 million is an amount of \$10,082 million related to various contractual obligations of Canada Mortgage and Housing Corporation as an agent of the Government of Canada for social housing programs. Total financial

obligations under these contracts extend for periods ranging from 1 to 45 years. The uncertainty in forecasting the economic factors used to calculate these obligations precludes reasonable estimation of payments beyond a five-year period.

Estimated payments and expenses for the next five years are as follows:

| FISCAL YEARS | (in millions of dollars) |
|--------------|--------------------------|
| 1995         |                          |
| 1996         | -,                       |
| 1998         | -,                       |

#### Capital leases

|  | (in millions of dollars) |                     |  |

| Net commitments under capital lease                                  |                          |                     |  |
| arrangements   | 1,070                    | 1,097               |  |

Details (unaudited) can be found in Section 11 of this volume.

#### International organizations

The Government has entered into agreements with international organizations and other sovereign nations, committing it to disburse funds in future years for specified purposes. These include loans and advances to national governments and international organizations that have been approved but not yet disbursed. These commitments amounted to \$2,031 million as at March 31, 1994 (\$2,432 million as at March 31, 1993). The Government is also committed, as at March 31, 1994, to subscribe to additional shares in international organizations of \$96 million in future years (\$137 million as at March 31, 1993). Details (unaudited) can be found in Section 11 of this volume.

#### Benefit plans for veterans

Under the *Pension Act*, the Government provides pensions and benefits for disability and death arising from military service. Estimated annual expenditures under this Act will approximate \$1,000 million over the next few years.

<sup>(1)</sup> Figures for 1993 are for one year increments for 1994 to 1999 and subsequently.

Figures for 1993 are for one year increments for 1994 to 1999 and subsequently.

The Government also provides pensions to members of the Canadian Forces who became members prior to April 1, 1946 and members of the RCMP who became members prior to March 1, 1949 under the *Defence Services Pension Continuation Act* and the *RCMP Continuation Act* respectively. It is estimated that each of these obligations is of the order of \$150 million.

#### 15. Insurance Programs

Three agent enterprise Crown corporations operate insurance programs as agents of Her Majesty. These programs are intended to be self-sustaining, but in the event that the corporations do not have sufficient funds to meet their obligations, the Government provides the required financing through appropriations, either budgetary or non-budgetary. The Government is of the opinion that no allowance needs to be established in its financial statements for these insurance programs.

The Canada Deposit Insurance Corporation (CDIC) provides insurance on deposits with member banks and trust and loan companies for up to \$60,000 per depositor per institution. Total insured deposits as at March 31, 1994 were \$306,938 million (\$303,071 million as at March 31, 1993). The Corporation is self-funded through assessment of premiums from members and there is no legislative requirement for the Government to supply any funding other than through interest-bearing loans. Although there is now a deficiency in the Deposit Insurance Fund of \$1,648 million (\$1,513 million as at March 31, 1993), the Government is of the opinion that CDIC will, over time, be able to eliminate this deficiency and meet its liabilities to the Government, without budgetary support from the Government.

The Canada Mortgage and Housing Corporation administers the Mortgage Insurance Fund (MIF). The MIF provides insurance for mortgage lending on Canadian housing by private institutions. Insurance in force as at March 31, 1994 was \$88,000 million (\$74,600 million as at March 31, 1993). Budgetary financial assistance is provided by the Government only to the extent required. The MIF's surplus as at March 31, 1994 was \$38 million (\$86 million in 1993) and the excess of receipts over disbursements has resulted in investments in securities of \$1,558 million as at March 31, 1994 (\$1,298 million in 1993).

The Export Development Corporation provides export and foreign investment insurance for the purpose of facilitating and developing export trade. Insurance in force as at March 31, 1994 was \$6,877 million (\$5,886 million in 1993). The Corporation's premium revenues have been adequate to provide for the full costs of claims experienced to date and to establish an allowance for possible future claims based on past claims experience.

The most recent annual financial statements of these corporations and their insurance funds can be found in the President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada. Unaudited details of the transactions for these three insurance programs for the year ended March 31, 1994 can be found in Section 11 of this volume.

### 16. Contingent Liabilities of the Government of Canada

The contingent liabilities of the Government are potential liabilities which may become actual liabilities when one or more future events occur or fail to occur. They result from legislation, from the exercise of guarantees, from claims and pending and threatened litigation related to native land claims and treaty rights, breach of contract, damages to persons and property, from callable share capital and lines of credit in international organizations and like items.

Contingent liabilities which may become actual liabilities may be summarized as follows:

|   | (in millions of dollars) |        |
|---|--------------------------|--------|
|   | 1994                     | 1993   |
| i) Guarantees by the Government of:                                   |                          |        |
| Borrowings of agent enterprise  |                          |        |
| Crown corporations <sup>(1)</sup>                                     | 21,325                   | 18,583 |
| Borrowings by other than Crown  |                          |        |
| corporations  | 7,872                    | 6,773  |
| Insurance programs of the Government                                  | 1,407                    | 1,367  |
| Other explicit guarantees   | 617                      | 816    |
| Total guarantees  | 31,221                   | 27,539 |
| Total guarantees  | 4,930                    | 4,555  |
|   | 26,291                   | 22,984 |
| ii) International organizationsiii) Claims and pending and threatened | 14,634                   | 13,410 |
| litigation <sup>(2)</sup> iv) Comprehensive native land               | 8,268                    | 6,896  |
| claims <sup>(2)</sup>   | 623                      | 1,185  |
| v) Consolidated Crown corporations                                    | 45                       | 82     |
|   | 49,861                   | 44,557 |

Further details (unaudited), including particulars of explicit guarantees, authorized limits and information on previous claims, unquantified items and letters of comfort, can be found in Section 11 of this volume.

(1) Included in the allowance for losses of \$4,930 million (\$4,555 million in 1993) is an amount of \$3,885 million (\$3,560 million in 1993) for borrowings of agent enterprise Crown corporations.

Figures for 1993 have been restated to conform to this year's presentation. Pending native regional claims of \$354 million have been moved from claims and pending and threatened litigation to comprehensive native land claims.

#### Guarantees

These are amounts guaranteed by specific agreement or legislation. Insurance programs administered by agent enterprise Crown corporations are not considered to be contingent liabilities since they are currently supported by fees or premiums and are intended to be self-funding. Amounts represented by letters of comfort are not included since they are not explicit guarantees of payment.

#### International organizations

The Government has contingent liabilities for callable share capital in international organizations of \$12,886 million as at March 31, 1994 (\$11,436 million as at March 31, 1993). The Government has also incurred contingent liabilities in respect of future callable share capital. As at

March 31, 1994, these amounted to \$5 million (\$404 million as at March 31, 1993). The Government has, as well, issued lines of credit to international development institutions to finance future lending. As at March 31, 1994, contingent liabilities under these lines of credit amounted to \$1,744 million (\$1,570 million as at March 31, 1993).

Details (unaudited) can be found in Section 11 of this volume.

#### Claims and pending and threatened litigation

This category includes claims which are actually under litigation, or may be litigated, for which specific amounts are claimed or potential settlements can be quantified. It includes amounts in respect of specific native claims, breach of contract, expropriation, losses or damage related to property, claims related to equal pay for work of equal value, and like items. A major part of these claims is made up of specific native claims and litigation related to statutory and treaty obligations. Approximately 460 additional specific native claims and additional litigation have not been quantified and are thus not included.

#### Comprehensive native land claims

Comprehensive native land claims are claims submitted by First Nations seeking to establish their aboriginal title to lands not covered by treaties. The Department has 55 comprehensive native land claims that are either under negotiation, accepted for negotiation or under review. Of these 55 comprehensive claims, 10 relate to the Council for Yukon Indians and 1 relates to the Dene-Metis. Should final agreements with the 10 Yukon First Nations and with the two remaining regions of the Dene-Metis be reached and ratified, the Government would be liable to pay financial compensation over a number of years as follows: Council for Yukon Indians \$163 million, Dene-Metis \$197 million, and implementation costs of \$263 million related to these claims. The remaining 44 comprehensive claims have not yet been quantified.

#### Consolidated Crown corporations

These are the contingent liabilities of Crown corporations whose revenues, expenditures, assets and liabilities are reported with those of the Government.

#### Environment

The Government's commitment to sustainable development for Canada has been expressed in The Green Plan. As part of this Plan, the Government has adopted a Code of Environmental Stewardship covering all areas of its operations. The Code will be complemented by a list of targets or objectives reflecting environmental commitments that the Government has made or is making and that will be implemented in its operations. They will cover a broad range of issues, from real property management and waste generation to contaminated site clean-up. The cost to the Government of these commitments is not determinable at this time. The determination of the cost, which will be subject to and depend on evolving public policy and legislation, is expected to take a number of years to complete.

#### SUPPLEMENTARY STATEMENTS

In the February 1991 Budget, the Government introduced measures aimed at improving its financial and economic position. These measures included proposals for a *Spending Control Act* and a *Debt Servicing and Reduction Account Act*. On June 18, 1992, both Acts were passed by Parliament with implementation for the 1991-92 fiscal year.

The intention of these Acts is to limit program spending. The Spending Control Act deals with limiting program spending for the period from 1991-92 to 1995-96 inclusive to the levels projected in the February 1991 Budget. The Debt Servicing and Reduction Account Act calls for certain revenues including the Goods and Services Tax (GST) to be used to service the public debt and not to fund new program spending. Transactions in respect of both Acts are reported in the following two statements.

#### OPINION OF THE AUDITOR GENERAL ON THE STATEMENT REQUIRED UNDER THE SPENDING CONTROL ACT

To the House of Commons:

I have audited the statement by the Minister of Finance respecting compliance with the *Spending Control Act* for the year ended March 31, 1994. This financial statement is the responsibility of the Government. My responsibility is to express an opinion on this financial statement based on my audit, as required by section 8 of the *Spending Control Act*.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting policies used and significant estimates made by the Government, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents information fairly, in all material respects, in accordance with the Spending Control Act and the stated accounting policies of the Government of Canada as set out in Note 2 of the financial statement. As required by section 8 of the Spending Control Act, I also report that, in my opinion, after giving retroactive effect to the changes in accounting policies as explained in Note 2, these stated accounting policies have been applied, in all material respects, on a basis consistent with that of the preceding year.

Additional information and comments on the financial statement and this opinion are included in my observations at the end of this section.

L. Denis Desautels, FCA Auditor General of Canada

Ottawa, Canada July 26, 1994

# Statement by the Minister of Finance respecting compliance with the Spending Control Act for the Year Ended March 31, 1994

(in thousands of dollars)

|  | 1994        | 1993        |

The accompanying notes are an integral part of this statement.

# Notes to the Statement by the Minister of Finance respecting compliance with the Spending Control Act

#### 1. Authority and Objective

The statement is required by the Spending Control Act which received Royal Assent on June 18, 1992. Section 6 of the Act requires that for each controlled fiscal year, a statement by the Minister of Finance respecting compliance with this Act in that year, be reported in the Public Accounts. This Act covers fiscal years 1991-92 to 1995-96 inclusive.

The objective of the *Spending Control Act* is to ensure that the program spending over the 1991-92 to 1995-96 fiscal years will not, except under prescribed circumstances, exceed the limits established in the Act.

#### 2. Significant Accounting Policy

The following accounting policy conforms to the stated accounting policies of the Government.

#### Expenditure

Expenditures are reported on the accrual basis of accounting and conform to the amounts reported in the Statement of Revenue and Expenditure of the Government of Canada.

#### Changes in Accounting Policies

In 1994, changes in accounting policies were made for loans to be repaid through future appropriations, and for premiums, discounts and commissions on unmatured debt.

The effect of the changes on the expenditure for the year is \$582 million (-\$530 million in 1993).

#### 3. Spending Limit of the Fiscal Year

Pursuant to section 4 of the Spending Control Act, the spending limit for a fiscal year can be modified. In compliance with this section, the President of the Treasury Board may certify that a proposed increase in expenditures for a specific program is justified by reasons of good management. This situation applies only when an increase in expenditures results in an equivalent increase in revenues that would not otherwise occur. In 1993-94, an increase in expenditures of \$75.1 million (\$97.9 million in 1992-93) was proposed pursuant to section 4.

# Notes to the Statement by the Minister of Finance respecting compliance with the Spending Control Act—Concluded

#### 4. Excess or Underspending

Where program spending exceeds the spending limit for a fiscal year, the excess must be offset through reduced spending in the following two years.

Where the spending limit for a fiscal year exceeds program spending, the Minister of Finance may partially or fully allocate the excess to a subsequent fiscal year. In the February 1994 Budget, the Minister of Finance allocated part of the 1991-92 underspending (\$1,625 million) to cover the excess spending of 1992-93 (\$579 million). As a result, the spending limit for 1991-92 was lowered to \$96,621 million, while the limit for 1992-93 was raised to \$101,479 million.

## 5. Legislative Changes Affecting Reported Program Spending

In 1993, changes in legislation affected certain expenditures for employee pensions and the family allowances benefit program which were controlled under the *Spending Control Act*. The spending limits were not adjusted to reflect these legislative changes. Had the spending limits for 1994 and 1993 been adjusted downwards, there would have been excess spending of approximately \$235 million in 1994 and \$1,600 million in 1993.

#### OPINION OF THE AUDITOR GENERAL ON THE

# STATEMENT OF TRANSACTIONS OF THE DEBT SERVICING AND REDUCTION ACCOUNT

#### To the House of Commons:

I have audited the statement of transactions of the Debt Servicing and Reduction Account for the year ended March 31, 1994. This financial statement is the responsibility of the Government. My responsibility is to express an opinion on this financial statement based on my audit, as required by section 9 of the Debt Servicing and Reduction Account Act.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting policies used and significant estimates made by the Government, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the transactions of the Debt Servicing and Reduction Account for the year ended March 31, 1994 in accordance with the *Debt Servicing and Reduction Account Act* and the stated accounting policies of the Government of Canada

as set out in Note 2 of the financial statement. As required by section 9 of the *Debt Servicing and Reduction Account Act*, I also report that, in my opinion, after giving retroactive effect to the change in accounting for premiums, discounts and commissions pertaining to unmatured debt as explained in Note 3, these stated accounting policies have been applied, in all material respects, on a basis consistent with that of the preceding year.

Additional information and comments on the financial statement and this opinion are included in my observations at the end of this section.

L. hlemshtesaulik

L. Denis Desautels, FCA Auditor General of Canada

Ottawa, Canada July 26, 1994

| Public debt expenditures charged to the Account             |                         |            |                         |            |
| Public debt expenditures chargeable to the Account (Note 4) | 28,027,189              |            | 29,430,557              |            |
| Less: amount in excess of the Account's balance (1)         | 12,241,389              | 15 705 000 | 14,380,621              | 15 040 026 |
|   |                         | 15,785,800 | _                       | 15,049,936 |
| Account balance, end of year                                |                         | NIL        |                         | NIL        |

The accompanying notes are an integral part of this statement.

<sup>(1)</sup> Public debt expenditures chargeable to the Account exceeded the amount available in the Account balance for these charges. Under these circumstances, only the amount necessary to bring the Account balance to nil is charged to the Account as required under section 6 of the Debt Servicing and Reduction Account Act.

#### Notes to the Statement of Transactions of the Debt Servicing and Reduction Account

#### 1. Authority and Objective

On June 18, 1992, the Debt Servicing and Reduction Account Act received Royal Assent. Section 8 of the Act requires that the Public Accounts for the 1991-92 and each subsequent year contain a statement setting out the transactions in that year with respect to the Debt Servicing and Reduction Account.

The objective of the Debt Servicing and Reduction Account Act is to apply certain Government revenues against charges associated with the public debt. These revenues include Goods and Services Tax (GST), certain gains on disposals of investments in Crown corporations, and gifts to the Crown. The transactions recorded in the Account have been paid into or charged against the Consolidated Revenue Fund, and the Account is consolidated in the summary financial statements of the Government.

#### 2. Significant Accounting Policies

The following accounting policies conform to the stated accounting policies of the Government.

#### i. Goods and services tax (GST)

The Government generally reports GST revenue in the year in which it is received.

The GST refunds and rebates are allocated to the year in which they are paid. The GST quarterly tax credits are charged in the first month of the quarter to which they relate. GST rebates are reported net of GST collected by claimants.

#### ii. Other amounts credited to the Account

Gain on sale of shares in Crown corporations, gain on disposal of shares or interest on wind-up of Crown corporations and gifts to the Crown are reported in the year in which the transactions or events that give rise to these revenues occur.

#### iii. Public debt expenditures charged to the Account

Public debt expenditures include costs incurred by the Government during the year in servicing, issuing, repayment, discharge or settlement of a debt, under the authority of a *Borrowing Authority Act*.

#### 3. Change in accounting policy

In 1994, the Government of Canada has changed its method of accounting for premiums and discounts on marketable bonds and for commissions on Canada Savings bonds from recognition in the year in which it is received or paid, to deferral and amortization over the life of the debt instrument. This change was applied retroactively and the previous year's public debt charges have been restated.

The net effect of this change for the year is an increase in public debt charges of \$558 million (a reduction of \$569 million in 1993).

#### 4. Public Debt Expenditures Chargeable to the Account

Public debt expenditures chargeable to the Account are calculated as follows:

|  | (in thousands of dollars) |            |  |
|--|---------------------------|------------|--|
|  | 1994                      | 1993       |  |
| Public debt charges                              | 37,982,416                | 38,825,144 |  |
| Borrowing Authority Act—                         |                           |            |  |
| Interest on unmatured debt (1) Pension and other | 369,133                   | 356,443    |  |
| liabilities                                      | 9,586,094                 | 9,038,144  |  |
| Public debt expenditures                         |                           |            |  |
| chargeable to the Account                        | 28,027,189                | 29,430,557 |  |

<sup>(1)</sup> This amount is for special non-marketable bonds held by the Canada Pension Plan Investment Fund.

#### SUPPLEMENTARY INFORMATION

# OBSERVATIONS BY THE AUDITOR GENERAL ON THE

# FINANCIAL STATEMENTS OF THE GOVERNMENT OF CANADA, THE STATEMENT REQUIRED UNDER THE SPENDING CONTROL ACT AND THE STATEMENT OF TRANSACTIONS OF THE DEBT SERVICING AND REDUCTION ACCOUNT

#### Introduction

The first part of this section comprises the Financial Statements of the Government of Canada for the year ended March 31, 1994 and my audit opinion on them. The mandate for my audit of these statements is contained in section 6 of the Auditor General Act. Also included in this section are two supplementary statements and my audit opinion on each: the Statement Required under the Spending Control Act and the Statement of Transactions of the Debt Servicing and Reduction Account. The mandate for my audit of these statements is contained, respectively, in section 8 of the Spending Control Act and in section 9 of the Debt Servicing and Reduction Account Act.

In the observations that follow, I comment on a significant accomplishment by the Government this year, and on matters that require continuing attention in future years. I also explain in more detail the meaning of my audit opinions on the three sets of financial statements in this section, how I arrived at the opinions and what they provide to users. I believe that including these observations in the Public Accounts will help parliamentarians and other users to obtain a more complete understanding of the Government's financial statements and my audit opinions on them.

# The Annual Financial Report: A Significant Achievement by the Government

In mid-September, the Minister of Finance published an Annual Financial Report for the 1993-94 fiscal year. Included in that report are condensed financial statements and my audit opinion on them. In addition, the document includes financial highlights and economic developments for the year, presented in an understandable and attractive form, as well as a "scorecard", that is, a comparison of actual results for the year with related amounts forecast in budgets of previous years.

The condensed financial statements do not contain the detail included in the financial statements in this section. They have been designed to be more understandable to people with somewhat less knowledge of the Government. My opinion to the Minister of Finance simply states that the condensed statements fairly summarize the more detailed information contained in the financial statements in this section.

Publication of the Annual Financial Report marks the earliest that audited overall financial information about the Government has ever been published. The 1994 Public Accounts is being tabled many weeks later, due to the massive amount of information contained in the remaining sections and volumes and the time required to assemble and print the document.

The Government's release of an Annual Financial Report by mid-September was no easy task. It resulted from hard work and co-operation by all departments and agencies; strong central direction by the Comptroller Sector of the Treasury Board Secretariat, the Fiscal Policy and Economic Analysis Branch of Finance, and the Central Accounting and Reporting Sector of Public Works and Government Services; a high level of co-operation with auditors from my Office; and encouragement and support over many years by the Public Accounts Committee.

#### Matters Requiring Continuing Attention

The financial statements in this section, and the condensed statements in the Annual Financial Report, conform for the most part with recommendations of the Public Sector Accounting and Auditing Board of the Canadian Institute of Chartered Accountants. With the changes in accounting policies that have been made this year, as described in Note 2, and the comparison of budgeted amounts with the 1993-94 actuals presented in the Annual Financial Report, the only significant recommendation of the Public Sector Accounting and Auditing Board that has not yet been implemented relates to the way the Government accounts for and reports its investments in enterprise Crown corporations.

In the Statement of Assets and Liabilities, investments in enterprise corporations are recorded at cost, and then reduced by allowances to take account of reductions in value. The Public Sector Accounting and Auditing Board recommends that such investments be adjusted up or down at the end of the year by the Government's share of corporate profits or losses during the year. I have not added a reservation to my opinion on the Government's financial statements for failure to comply with this recommendation, because there is little effect on the reported deficit this year.

While significant improvements have been made in 1993-94 in the understandability of financial information about the Government and the timeliness of its publication in audited form, there is still room for improvement. For example, understandability would be greatly enhanced if information were presented solely on a gross basis, rather than the current practice of providing information both gross and net. In addition, while mid-September for the release of audited financial results is a major achievement, I am prepared to work with the Government to achieve an even earlier publication next year.

In summary, the evolution to date of financial reporting by the Government, aided by encouragement from the Public Accounts Committee and supported by my Office, is truly a remarkable achievement. Evidence of that achievement is the fact that I have been able to render opinions without qualification in four of the past five years. The remainder of these observations describe my opinions and how I arrived at them.

# My Audit Opinions: What They Mean, How I Arrived at Them, and What They Provide

What my audit opinions mean. This section of my observations examines in more detail the messages that I convey through my audit opinions. To properly understand these opinions, the reader should review carefully each paragraph, each year. It is incorrect to assume that my opinions remain the same from one year to the next. Each of the audit opinions consist of three paragraphs:

The introductory paragraph. The introductory paragraph begins by listing the financial statements covered by my opinions. It is important to note that my audit opinions relate only

to the financial statements and related notes contained in Section 1 of Volume I of the Public Accounts of Canada. They do not extend to the more detailed information presented in other sections of Volume I, or to Volume II.

The introductory paragraph concludes by confirming that the financial statements are the responsibility of the Government, and that my responsibility is to form an opinion and report on the fairness of the financial statements.

The scope paragraph. In this paragraph, I state that my audit work on the Government's financial statements has been conducted according to generally accepted auditing standards prescribed by the Canadian Institute of Chartered Accountants. I use these standards to ensure that my audit is conducted with appropriate rigor and professionalism. It is important to note that my audit work includes, among other procedures, testing a sample of transactions, not checking every one of them.

In the scope paragraph, I also explain that my audit includes assessing the reasonableness of significant estimates made by the Government. There is a good deal of judgment required in preparing and auditing summary financial statements for an entity the size of the Government of Canada. Many of the significant amounts reported in the financial statements, such as allowances for valuation of various assets and liabilities and the pension liability, are based on estimates made by the Government. These accounts are inherently imprecise. When considering whether misstatements exist in them, I determine a range of values for each that I believe would be reasonable. If the balance of the account as determined by the Government falls within my range, I conclude that the specific estimate is not misstated.

Finally, I make reference in the scope paragraph to the fact that an audit also includes assessing the appropriateness of the accounting policies used by the Government and evaluating the overall presentation of the financial statements. To present information fairly, the financial statements must be free of significant misstatement. To determine what constitutes a misstatement, there must be standards against which my judgments can be made. The standards that I continued to use this year were the Government's own stated accounting policies, certain recommendations of the Public Sector Accounting and Auditing Board and, for the Statement Required under the *Spending Control Act* and the Statement of Transactions of the Debt Servicing and Reduction Account, the provisions of enabling legislation.

The opinion paragraph. It is important to note that my opinions are not statements of fact; rather, they are expressions of my professional judgment. The opinion paragraph contains my overall conclusions about several important matters. For the financial statements of the Government of Canada, these matters are:

- whether the statements present information fairly;
- whether the statements were prepared in accordance with the Government's stated accounting policies; and
- whether the stated accounting policies were applied on the same basis as in the preceding year.

For the Statement Required under the *Spending Control Act* and the Statement of Transactions of the Debt Servicing and Reduction Account, my conclusions also relate to an additional matter: whether the statements present information in accordance with the Acts that create them.

How I arrive at my opinions. With all of this in mind, if I conclude that, in the aggregate, the financial statements are free of significant misstatement, I report that information is "presented fairly". If I conclude that the statements are materially misstated, I add supporting reservations to explain why.

In planning my audit of each of the three sets of financial statements included in this section of the Public Accounts, I first consider a dollar amount called "materiality". This dollar amount is then used in determining the nature, extent and timing of the audit work required. In addition, in all of my audit work on these financial statements, I also take into account the basic requirement that the Government comply with parliamentary authorities to spend, borrow and raise revenues.

Materiality. As I have already noted, to present information fairly the financial statements must be free of significant misstatements. This concept, called materiality, is explicitly referred to in both the scope paragraph and the opinion paragraph of my audit opinions.

The aggregate of all misstatements in the financial statements is considered material if, in the light of surrounding circumstances, it is probable that the misstatements would change or influence the decision of a person who was relying on the financial statements and who had reasonable knowledge of the Government and its activities. I will include a reservation in my audit opinion if I believe that the aggregate of all the misstatements in the financial statements would mislead the users relying on them.

In the planning phase of my audit, the determination of materiality is a quantitative process. Before beginning work, I consider the dollar magnitude of misstatements in the financial statements that I believe would influence the decisions of users. I base this amount on the total expenditures of the Government. For this year's audit, I have set planning materiality at slightly more than one half of one percent of total gross expenditures. In absolute dollars this is a large amount. However, I believe that my audits must be cost-effective, and that this level of materiality will provide appropriate credibility at reasonable cost.

My determination of appropriate materiality limits for my audits of the Statement Required under the *Spending Control Act* and the Statement of Transactions of the Debt Servicing and Reduction Account were also based on professional judgment.

As discussed above, I designed my audit to detect misstatements that, in the aggregate, equal or exceed materiality. For reasons of sensitivity, some procedures such as those designed to detect non-compliance with spending authorities are performed at a lower level of materiality. At the same time, larger materiality amounts are used for other misstatements, such as those with no impact on the annual deficit.

Applying materiality appropriately requires significant professional judgment. For example, certain audit procedures are directed at financial statement items that, by their nature, are inherently difficult to estimate, such as the pension liability and allowances for valuation discussed earlier. For such items, I design procedures to detect misstatements that would be material, after taking into account their inherent imprecision and their magnitude. In other words, I use professional judgment to determine whether decisions of users would be affected, and thus to determine if a reservation of my opinions should be considered. I strongly encourage the Government to correct all misstatements that are detected during my work.

The nature, extent and timing of my audit work. In my audit opinions, I do not say that the financial statements are "correct". The nature and extent of my audit work cannot be designed in any reasonable way to reach such a conclusion. The size and complexity of the Government make it impractical for me to examine all or even most of the trillions of dollars in individual transactions entered into during the year. In addition, as noted earlier, to be useful my audits must be cost-effective

To be in a position to render my audit opinions, generally accepted auditing standards require that I have "reasonable assurance" that my audits will reveal misstatements aggregating to more than the predetermined materiality levels. I planned my audits of the Financial Statements of the Government of Canada, the Statement Required under the Spending Control Act and the Statement of Transactions of the Debt Servicing and Reduction Account to achieve a high level of overall audit assurance. To obtain the desired level of assurance, I verified samples of transactions and account balances, performed analyses, confirmed year-end balances with third parties and, where I considered necessary, reviewed significant internal controls.

What my audits provide. In describing what my audit reports provide to readers, it is important to highlight what the reports do not do. In this respect, my audit opinions do not provide assurance as to whether the Government made economical, efficient and effective use of its resources. That is something we do separately from our audit of the Government's financial statements.

In addition, my audit of the Government's financial statements was neither extensive enough nor designed to provide assurance on the integrity of each of the Government's many and varied systems of internal control and compliance with spending limits in each of the Government's several hundred individual appropriations. Additional work in each of these areas is, however, conducted on a cyclical basis within departments and agencies. I consider all of this work in developing my opinion on the Government's financial statements. If issues are identified that I feel are significant to the users of the financial statements, I will mention them in my opinion. Although some serious issues of internal control and compliance with authority were identified, none of these require mention in the context of my opinion on the financial statements. The results of this work are included in my 1994 Report to the House of Commons.

Further, due to the accounting policies the Government follows, my audit of tax revenue is restricted to amounts received during the year. Income tax revenue is based on self-assessed income earned and reported by taxpayers. Self-assessed income tax reported to the Government after the end of the year, additional tax assessed by the Government through audits in future years, and tax not reported to the Government at all (the "underground economy") are effectively excluded from the financial statements of the year. These items can be subject to audit only when, and if, amounts are received in the future.

In Summary. My audits of the financial statements in this section are designed to enhance the credibility of the information that the Government reports. In conducting these audits, I continually look for innovative ways to make them more relevant to readers of the financial statements and more cost effective.

# SECTION 2

1993-94 PUBLIC ACCOUNTS

# **Supplementary Financial Information**

#### **CONTENTS**

## NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

#### SUPPLEMENTARY FINANCIAL INFORMATION

#### Introduction

This section provides a ten year comparative summary of the Government's financial transactions, both on the Public Accounts basis and on the National Accounts basis. The Public Accounts presentation reflects the accounting policies explained in Note 1 to the audited financial statements in Section 1 of this volume. The National Accounts presentation is designed primarily to facilitate economic analysis of the federal Government sector on a basis consistent with that used in measuring income and expenditure flows in the economy.

#### TABLE 2.1 GOVERNMENT OF CANADA PUBLIC ACCOUNTS PRESENTATION SUMMARY STATEMENT OF TRANSACTIONS (1) (in millions of dollars)

#### Public Accounts Presentation

The "Summary Statement of Transactions" (Table 2.1) provides aggregate data on the major categories of transactions under four main headings: budgetary, non-budgetary, foreign exchange and unmatured debt. The resulting cash position at the end of each year is also shown.

#### **National Accounts Presentation**

The National Income and Expenditure Accounts were developed as a basis for economic analysis of income and expenditure flows in the economy. The concepts and definitions applied to the Government sector are consistent with those applied to other sectors and follow international practices developed under the aegis of the United Nations. The economic nature of a transaction is the determining factor in its classification within the National Accounts framework.

<sup>(1)</sup> These "National Accounts transactions" are consistent with those released by Statistics Canada on August 31, 1994.

## Public Accounts and National Accounts Reconciliation

The reconciliation of transactions between the Public Accounts and National Accounts is set out in the table that follows. The major factors which give rise to the need for a reconciliation are listed below.

The deficits of Government business enterprises which are outside the Government accounting entity are, for Public Accounts presentation purposes, met through budgetary appropriations and are thus recorded as budgetary expenditure. In the National Accounts presentation, these deficits are netted against Government investment income.

Revenue in the Public Accounts is generally recorded on a cash basis with the exception of the non-tax revenue. While the major portion of National Accounts revenue is accounted for on a cash basis, certain items, such as corporate income taxes and the oil export charges, are reported on an accrual basis. This difference also results in a different treatment of the acceleration of source deductions and sales and excise taxes by large firms.

Transactions of employee pension accounts are treated as non-budgetary in the Public Accounts, although the Govern-

ment's contributions to, and interest payments on, these accounts are included in expenditure. Employer and employee contributions to these accounts, plus any related interest income, form part of Government revenue in the National Accounts presentation, and pension payments form part of Government expenditure.

In the Public Accounts presentation, the purchase of capital assets such as buildings and machinery is recorded as a budgetary expenditure in the year of acquisition. Only newly produced capital assets and capital expenditures are included in National Accounts expenditure. The National Accounts also ignore the sale of capital assets as such sales are not deemed to give rise to production. Both Government revenue and expenditure include an allowance for the depreciation of capital assets in the National Accounts termed "Capital consumption allowance". This item is not a part of Public Accounts reporting.

Both the Public Accounts and the National Accounts include the financial activities of the consolidated Crown corporations. However, the inclusions are not identical.

<sup>(1)</sup> In the Public Accounts, the petroleum compensation charge is netted against petroleum compensation payments and included in budgetary expenditure. Gross revenues and payments are recorded in the National Accounts.

<sup>(2)</sup> Various items of non-tax revenue, such as service fees and proceeds from the sale of current goods, which are reported as revenue in the Public Accounts, are netted to expenditure in the National Accounts.

<sup>(3)</sup> Major items under miscellaneous include adjustments for proceeds from the sale of used capital assets, air transportation tax, imputed items, the treatment of revenue in the supplementary accounting period after March 31, and the treatment of the acceleration of source deductions and sales and excise taxes by large firms.

<sup>(4)</sup> In the National Accounts, budgetary appropriations to various funds and agencies are replaced by net actual expenditures of the funds and agencies.

<sup>(5)</sup> This item represents the difference between the gross payments recorded on the National Accounts basis and net payments recorded on the Public Accounts basis.

<sup>(6)</sup> In the Public Accounts, the child tax credit is netted against the Personal Income tax. In the National Accounts, the fiscal incidence is shown; the benefit is presented as a transfer to persons and its counterpart is included in the Revenue —Direct taxes — Persons.

<sup>(7)</sup> Major items under miscellaneous include adjustments for reserves and write-offs, provision for the valuation of assets and liabilities, purchase of used capital assets, imputed items, the treatment of expenditure and for all items in the reconciliation in the supplementary accounting period after March 31.

## NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

#### INTRODUCTION

Budgetary revenue consists of all tax and non-tax amounts which enter into the calculation of the annual surplus or deficit of the Government.

#### ACCOUNTING FOR REVENUE

Tax revenue is reported net of refunds, and excludes taxes collected on behalf of provinces and territories, and amounts credited to other liability accounts.

The Government generally reports tax revenue in the year in which it is received. Refunds of tax revenue are allocated to the year in which the processing cycle for the assessment of the related tax return has been started. However, cases of tax refunds that are both significant and unusal in nature, and where all applicable levels of appeal have been exhausted or are not expected to be pursued, are reported on an accrual basis. The Goods and Services Tax (GST) quarterly tax credits and payments under the child tax benefit program are charged in the period to which they relate.

Tax revenue for a fiscal year includes receipts credited to the Receiver General for Canada by the Bank of Canada and the chartered banks by March 31st and amounts received in federal government offices by March 31st, but not deposited until April or not credited to the Receiver General until April. Tax revenue also includes amounts received in the mail on the first working day of April, except when it is clear that it was the remitter's intention to discharge an obligation arising in the new fiscal year.

Although a taxpayer's income tax liability relates to a taxation year, collection of individual and corporation income taxes by payroll deductions and instalment payments results in a distribution of receipts throughout the year. Similarly, the GST and other excise taxes and duties are received on a regular basis throughout the year.

Non-tax revenue is reported in the year in which the transactions or events that give rise to the revenue occur.

Table 3.1 presents revenue from outside parties by main classification on both a gross and net basis. "Gross revenue" reports all revenue received from outside parties including:

- revenue credited to appropriations where, as authorized by Parliament, certain revenues which are associated with the recovery of certain costs are credited to program spending. In such cases, Parliament votes such funds net of authorized revenue:
- tax credits and repayments where certain tax credits are related to expenditures but are determined through the income tax or fiscal arrangements processes; and
- revenue of consolidated Crown corporations where, for reporting in the annual financial statements, the financial transactions of certain Crown corporations are included with those of the Government.

"Net revenue" excludes the above three categories.

Chart 3A presents total net revenue by main classification for the current fiscal year while Chart 3B compares total net revenue for the last ten fiscal years.

TABLE 3.1 REVENUE FROM OUTSIDE PARTIES BY MAIN CLASSIFICATION (in millions of dollars)

<sup>(1)</sup> Reflected on the Statement of Revenue and Expenditure in Section 1 of this volume.
(2) Additional details are provided in Table 4a in Section 1 of Volume II (Part I).
(3) Additional information on the consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

CHART 3A
TOTAL NET REVENUE BY MAIN CLASSIFICATION FOR 1993-94

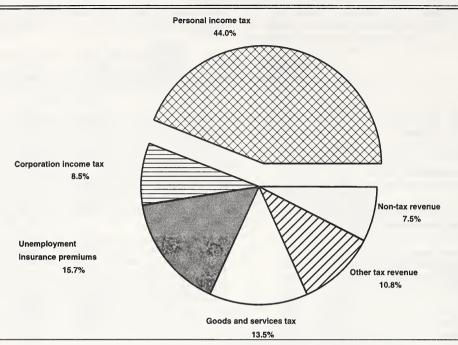

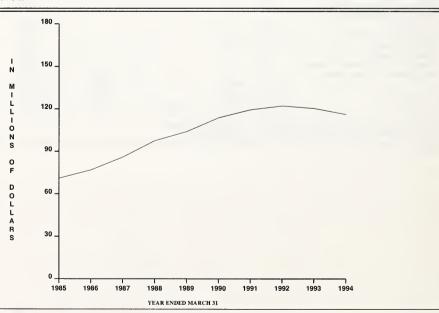

CHART 3B TOTAL NET REVENUE

On a day-to-day basis, organizations within the Government transact with each other and thus contribute to gross amounts of revenue and expenditure. In preparing the financial statements, these "internal transactions" are eliminated so as to report on the basis of transactions with outside parties only. Table 3.2 provides details of internal revenue transactions and shows the total of revenue from both internal and external

sources. The total gross revenue of \$132,911 million includes the total revenue from all sources. Revenue of consolidated Crown corporations, revenue credited to appropriations, and tax credits and repayments are deducted to arrive at net revenue from all sources. This total of \$116,129 million is made up of total ministerial revenue (\$97,620 million), revenue of consolidated specified purpose accounts (\$18,160 million) and other adjustments (\$349 million) as detailed in Table 4a in Section 1 of Volume II (Part I).

### **Budgetary Revenue in 1993-94**

Total net revenue in 1993-94 amounted to \$115,984 million. This represents a decrease of \$4,396 million from the level of \$120,380 million reported in 1992-93.

#### Tax Revenue

Net tax revenue amounted to \$107,332 million in 1993-94 compared to \$110,566 million in 1992-93, for a decrease of \$3,234 million.

#### Personal Income Tax

Personal income tax is levied on personal income under the provisions of the *Income Tax Act*. Personal income tax is the largest source of revenue.

#### **Corporation Income Tax**

Corporation income tax is levied on corporation income under the provisions of the *Income Tax Act*.

#### **Unemployment Insurance Premiums**

Premiums from employees and employers are levied under the provisions of the *Unemployment Insurance Act* and are classified as part of budgetary revenue.

#### Non-Resident Income Tax

Non-resident income tax is levied on income earned in Canada by non-residents under the provisions of the *Income Tax Act*. This tax is derived from tax withheld from dividends, interest, rents, royalties, alimony, and income from estates and trusts paid to non-residents.

#### **Excise Taxes and Duties**

Excise taxes and duties are collected under the Excise Tax Act and Customs Tariff Act. Excise taxes and duties include the goods and services tax, customs import duties, energy taxes, and other excise taxes and duties.

#### Goods and services tax

The goods and services tax (GST) became effective January 1, 1991. The GST is applied at a rate of 7 percent on most goods and services consumed in Canada, with the excep-

tion of basic groceries, most health and dental care services, most educational services, and residential rents. A comparative analysis of the GST is presented in Table 3.3.

<sup>(1)</sup> Reported in: —Note 4 to the audited financial statements (Section 1 of this volume).

—Statement of Transactions of the Debt Servicing and Reduction Account (Section 1 of this volume).

—Revenue statement in each ministerial section (Volume II-Part I).

#### Energy taxes

Energy taxes primarily include the excise tax on gasoline, aviation gas and diesel fuel.

#### Customs import duties

Revenue from customs import duties consist mainly of ad valorem taxes on the importation of goods levied under the Customs Tariff Act.

#### Other excise taxes and duties

Excise taxes and duties are levied on alcoholic beverages and tobacco products. In addition, excise taxes are imposed on other items such as jewellery and passenger vehicle air conditioners.

#### Other Tax Revenue

Other tax revenue is comprised primarily of withholding taxes on income earned in Canada by non-resident life insurance companies and income from trusts.

### Non-Tax Revenue

Net non-tax revenue amounted to \$8,652 million in 1993-94 compared to \$9,814 million in 1992-93, for a decrease of \$1,162 million.

<sup>(2)</sup> Less than \$ 500.

#### Return on Investments

Return on investments consists mainly of interest from loans and advances, transfer of profits and surpluses, and rental income from properties. A comparative analysis of return on investments is presented in Table 3.4.

#### Other Non-Tax Revenue

Other non-tax revenue is comprised of proceeds from the sale of capital assets and current goods and services, refunds of previous years' expenditure, service fees, privileges, licences and permits, domestic coinage, and miscellaneous non-tax revenue. Details are reported by individual ministry in Volume II (Part I) of the Public Accounts.

<sup>(1)</sup> Additional details are provided in Table 4a in Section 1 of Volume II (Part I).
(2) On an accrual basis, the revenue is as follows: \$1,769 million for 1993-94 and \$2,094 million for 1992-93.

Adjustment to recognize the net income for the 12 months period ending March 31.

### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

#### INTRODUCTION

Budgetary expenditure consists of all charges which enter into the calculation of the annual deficit or surplus of the Government.

#### ACCOUNTING FOR EXPENDITURE

Budgetary expenditure includes charges for work performed, goods received, services rendered, and transfer payments made

TABLE 4.1 EXPENDITURE WITH OUTSIDE PARTIES BY TYPE (in millions of dollars)

during the year. Budgetary expenditure may also include net charges related to allowances for the valuation of assets, for borrowings of agent enterprise Crown corporations, and for other liabilities.

Table 4.1 presents expenditure with outside parties by type on both a gross and a net basis. The difference between gross and net expenditure is revenue credited to appropriations, revenue of consolidated Crown corporations credited to expenditure, tax revenue items related to expenditure and included in revenue, and recovery of tax revenue credited to expenditure.

<sup>(1)</sup> Reflected on the Statement of Revenue and Expenditure in Section 1 of this volume.
(2) Additional information is provided in Table 2a in Section 1 of Volume II (Part I).
(3) Additional information on the consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

Chart 4A presents total net expenditure by type for the current fiscal year, while Chart 4B compares total net expenditure for the last ten fiscal years.

CHART 4A
TOTAL NET EXPENDITURE BY TYPE FOR 1993-94

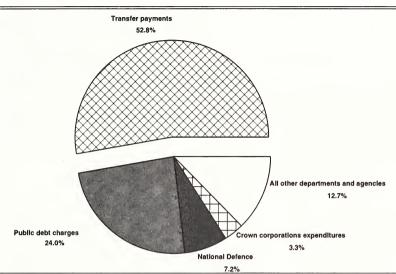

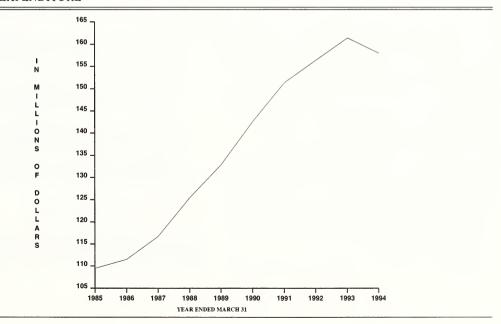

CHART 4B
TOTAL NET EXPENDITURE

On a day-to-day basis, organizations within the Government entity transact with each other and thus contribute to the amounts of revenue and expenditure recorded in the accounts. In preparing the financial statements, these "internal transactions" are eliminated so as to report on the basis of transactions with outside parties only. Table 4.2 provides details of internal expenditure transactions and shows the total of expenditure transacted by the Government with all sources.

TABLE 4.2 EXPENDITURE BY SOURCE

## **Budgetary Expenditure in 1993-94**

Total net expenditure with outside parties in 1993-94 amounted to \$157,996 million. This represents a decrease of \$3,405 million from the level of \$161,401 million reported in 1992-93.

Government spending consists of four major types:

- transfer payments;
- Crown corporations expenditures;
- other program expenditures; and,
- public debt charges.

#### **Transfer Payments**

Net transfer payments amounted to \$83,368 million in 1993-94 compared to \$85,460 million in 1992-93, for a decrease of \$2.092 million.

Transfer payments include:

- payments to persons for income support or income supplement. Assistance is based on age, family status, income, and employment criteria;
- payments to provinces and territories under three main programs:

- Established Program Financing: financial assistance in respect of health care services and post-secondary education:
- Fiscal Arrangements: unconditional fiscal transfer payments to lower income provinces including subsidies under the Constitution Acts and reciprocal taxation payments; and,
- Canada Assistance Plan: federal Government share in the cost of social assistance programs administered by provinces;
- other transfer payments, including various subsidies paid through federal programs to stabilize market prices for commodities, for the development of new technologies, for the conduct of research, for the establishment of new jobs through support for training, for the promotion of educational and cultural activities, and other miscellaneous payments.

#### **Crown Corporations Expenditures**

Crown corporations expenditures include budgetary allocations to a wide variety of corporations. Net Crown corporations expenditures amounted to \$5,298 million in 1993-94 compared to \$6,219 million in 1992-93, for a decrease of \$921 million.

#### Other Program Expenditures

Other program expenditures include defence spending, as well as Government administration and specific services delivered to the public. This spending covers the operating and capital cost associated with programs directly delivered by the federal Government such as food inspection, the Coast Guard, the federal court system, the operation of health facilities for natives and veterans, and the national parks system, to name just a few. Other program expenditures amounted to \$31,348 million in 1993-94 compared to \$30,897 million in 1992-93, for an increase of \$451 million.

# TABLE 4.3 TOTAL EXPENDITURE BY STANDARD OBJECT (in millions of dollars)

#### **Public Debt Charges**

Public debt charges include the interest on unmatured debt, on specified purpose accounts and on other accounts, the amortization of premiums, discounts and commissions on unmatured debt, and the servicing costs and the costs of issuing new borrowings. Net public debt charges amounted to \$37,982 million in 1993-94 compared to \$38,825 million in 1992-93. The decrease of \$843 million is due to lower interest rates.

## SUPPLEMENTARY STATEMENTS Expenditure by Standard Object

Table 4.3 presents total expenditure by standard object on both a gross and net basis for the current fiscal year.

|  |                      | L                       | ess:   | Total                                     |

### **Public Debt Charges**

A comparative summary of public debt charges is presented in Table 4.4. The table also discloses the reconciling item between total public debt charges as reported in the Finance ministerial section (Section 9) of Volume II (Part I) and the total net expenditure of the public debt indicated in Table 4.1. The reconciling item includes the expenditure of the consolidated specified purpose accounts.

TABLE 4.4 PUBLIC DEBT CHARGES(1) (in millions of dollars)

|  | 1993-94 | 1992-93 |
|--|---------|---------|

Additional details are provided in Table 2a in Section 1 of Volume II (Part I). Less than \$500,000.

## Expenditure under Statutory Authority

The spending authority provided by statutory authority is for specified purposes and for such amounts and such time as the acts prescribe. This spending authority does not generally lapse at the end of the year in which it is granted. Expenditure under such authority accounts for more than two-thirds of the total net expenditure each year.

Table 4.5 presents a comparative summary of these statutory expenditures. The table also discloses the reconciling items between total ministerial expenditure under statutory authority and total net statutory expenditure. The reconciling items include the statutory expenditure of the consolidated specified purpose accounts and the provision for valuation. Revenue credited to appropriations from outside parties has been added to the total net statutory expenditure to obtain the total gross statutory expenditure with outside parties.

Additional details are provided in Section 9 of Volume II (Part II).

### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

## CONSOLIDATED CROWN CORPORATIONS

This section provides all related information on consolidated Crown corporations. Consolidated Crown corporations are those Crown corporations who rely on Government funding as their principal source of revenue.

Consolidation involves the combination of the accounts of these corporations on a line-by-line and uniform basis of accounting and eliminating inter-organizational balances and transactions. Before these balances and transactions can be eliminated, the corporations' accounts must be adjusted to the Government basis of accounting. Most corporations follow generally accepted accounting principles (GAAP) used by private sector companies. The most significant difference between GAAP and the Government basis of accounting is that under GAAP, non-financial assets such as buildings, machinery, equipment and inventories are reflected as assets and written-off over their respective lives or as they are consumed or used. The Government treats the acquisition of non-financial assets as expenditures in the year of acquisition.

## Summary Financial Statements of Consolidated Crown Corporations

The following tables display details of the assets, liabilities, revenues and expenses of the consolidated Crown corporations.

For those corporations having other year ends than March 31, the data are based on unaudited interim financial statements which have been prepared on a basis consistent with the most recent audited financial statements.

Tables 5.1 and 5.2 summarize the financial transactions and results of operations as reported by the consolidated Crown corporations.

Financial assets include cash, receivables, loans and investments. Financial assets are segregated between third parties and Government and Crown corporations. The financial assets reported under Government and Crown corporations represent receivables and, loans and investments between related parties. Physical assets and deferred charges are assets such as property, plant and equipment and inventories that are accounted for under generally accepted accounting principles by most corporations which differs from those of the Government. Liabilities include payables, borrowings and other obligations. Liabilities are segregated between third parties and Government and Crown corporations. Borrowings from third parties represent long-term debt payable of the corporations. Other third party liabilities are amounts due for purchases, employee benefits, various accruals, capital leases and like items. The liabilities reported under Government and Crown corporations represent payables and borrowings between related parties.

Revenues are the inflow of cash, receivables and other consideration arising in the course of ordinary activities of a corporation, normally the sale of goods, the rendering of services and the use by others of enterprise resources yielding interest, royalties and dividends. Revenue is segregated between third parties and Government and Crown corporations. Government and Crown corporations' revenue is broken down further to identify revenue arising from normal operations and financial assistance received or receivable from the Government in respect of the current year's operations. Expenses are the outflow or reduction of assets or incurrance of liabilities resulting from a corporation's ordinary revenue generating or service delivery activities. Expenses are segregated between third parties and Government and Crown corporations. Revenues and expenses are used to determine the net income or loss of the Crown corporation. Equity transactions other than current year's net income or loss are segregated between adjustments and transactions with the Government. Adjustments include prior period adjustments and other items affecting equity as recorded by the corporations. Equity transactions with the Government include dividends declared or transfers of profits to the Government as well as capital transactions with the Government. The line " Conversion to the Government accounting basis for consolidation purposes" represents the adjustments required to bring the corporations' generally accepted accounting principles basis of accounting to the Government's basis of accounting.

These tables present consolidated financial information on consolidated parent Crown corporations and financial information on unconsolidated wholly-owned subsidiaries. The "President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada" includes a complete list of all parent Crown corporations, wholly-owned subsidiaries, other subsidiaries and associates.

Consolidated Crown corporations are also categorized as being either agents or non-agents of the Crown. Agency status may be expressly stated in the incorporating legislation or conferred under the provisions of the *Government Corporations Operation Act*. In accordance with section 54 of the *Financial Administration Act*, the payment of all money borrowed by consolidated agent Crown corporations and interest thereon is a charge on and payable out of the Consolidated Revenue Fund. Table 5.3 summarizes such borrowings for the consolidated corporations and the changes during the year ended March 31, 1994. Contingent liabilities of consolidated corporations are presented in Table 5.4.

A summary of financial assistance under Government budgetary appropriations to consolidated Crown corporations for the year ended March 31, 1994 is provided in Table 5.5. Differences in figures reported in Table 5.2 and those reported in Table 5.5 result from the use of different accounting policies and from items in transit.

## **Borrowings by Consolidated Agent Crown Corporations**

Table 5.3 summarizes the borrowing transactions by consolidated agent Crown corporations made on behalf of Her Majesty. This information is published to satisfy section 49 of the *Financial Administration Act* (FAA) which requires that an annual statement be included in the Public Accounts. The borrowings are from

lenders other than the Government. In accordance with section 54 of the FAA, the payment of all money borrowed by agent Crown corporations and interest thereon is a charge on and payable out of the Consolidated Revenue Fund. Such borrowings are consolidated in the summary financial statements of Canada.

**TABLE 5.3**

## Contingent Liabilities of Consolidated Crown Corporations

Table 5.4 summarizes the contingent liabilities of the consolidated Crown corporations. A contingent liability is defined as a potential liability which may become an actual liability when one or more future events occur or fail to occur.

### Financial Assistance Under Budgetary Appropriations to Consolidated Crown **Corporations**

Table 5.5 summarizes financial assistance under budgetary appropriations for both consolidated agent and non-agent Crown corporations. It should be read in conjunction with Table 5.2. The purpose for which payments have been made under budgetary appropriations is segregated between: (a) amounts to cover operating expenses and (b) amounts for capital expenditures.

All amounts reported represent charges to appropriations or authorities approved by Parliament.

<sup>(1)</sup> Excludes grants and contributions paid to agent and non-agent Crown corporations where they qualify as members of a general class of recipients.

(2) Includes budgetary appropriations for Government programs known as the "Minister's account".

### CONSOLIDATED SPECIFIED PURPOSE ACCOUNTS

Consolidated specified purpose accounts are special categories of budgetary revenue and expenditure which report transactions of certain accounts where enabling legislation requires that revenues be earmarked, and that related payments and expenditures be charged against such revenues. They are used principally where the activities are similar in nature to departmental activities and the transactions do not represent liabilities to third parties but in essence constitute Government revenue and expenditure.

In the past, earmarked revenues were credited to non-budgetary accounts, with related offsetting payments and expenditures charged thereto. The transactions of these accounts are now reported with budgetary revenue and expenditure, in order to provide a more comprehensive reporting of the Government's operating results.

Further, enabling legislation requires that the transactions in each of these accounts be accounted for separately. Table 5.6 presents a summary of the balances and transactions of these accounts, in the manner required by legislation.

The financial statements of the Unemployment Insurance Account, together with the Auditor General's report thereon, are presented at the end of this section.

<sup>(1)</sup> An adjustment of \$49 million, representing net change in revenue as a result of 1993 and 1994 accounts receivable (revenue credited to the vote), is not included in this total.

### **Unemployment Insurance Account**

The *Unemployment Insurance Act* provides for a compulsory contributory unemployment insurance program applicable to all employees, with few exceptions.

The Act authorizes that an account be established in the accounts of Canada to be known as the Unemployment Insurance Account.

The Act provides that the following be credited to the Account: (a) premiums, penalties and interest; (b) refunds of overpayments of benefits and, since November 18, 1990, of special assistance payments, and benefit repayments; (c) amounts for services rendered to other Government departments or agencies, or to the public; (d) amounts provided for any other purpose related to unemployment insurance and authorized by an appropriation administered by the Canada Employment and Immigration Commission; and, (e) interest on the balance of the Account at such rates as the Minister of Finance may authorize.

The Act also provides that the following be charged to the Account: (a) benefits and, since November 18, 1990, special assistance payments paid under the Act; (b) costs of administering the Act; and (c) interest on advances made by the Minister of Finance.

Maximum weekly employee premiums were \$22.35 from April 1, 1993 to December 31, 1993 and \$23.95 from January 1, 1994 to March 31, 1994. Maximum weekly benefits were \$425 from April 1, 1993 to December 31, 1993 and \$445 from January 1, 1994 to March 31, 1994.

Transactions with outside parties are reported in Table 5.6 as follows: receipts and other credits of \$18,233 million (\$17,535 million in 1993) are reported as revenue, while payments and other charges of \$18,906 million (\$20,369 million in 1993) are reported as expenditure.

Receipts and other credits of \$1,237 million (\$3,082 million in 1993), and payments and other charges of \$450 million (\$297 million in 1993), internal to the operations of the Government, have been eliminated in order to present transactions with outside parties.

**TABLE 5.7** 

### TRANSACTIONS IN THE UNEMPLOYMENT INSURANCE ACCOUNT

(in millions of dollars)

|                                  | 1993-94 | 1992-93 |
|----------------------------------|---------|---------|
| RECEIPTS AND OTHER CREDITS—      |         |         |
| Premiums—                        | 10.671  |         |
| Employers and employees          | 18,671  | 17,970  |
| Penalties                        | 46      | 41      |
| Interest earned                  | 5       | 1       |
|                                  | 18,722  | 18,012  |
| PAYMENTS AND OTHER CHARGES—      |         |         |
| Benefits                         | 17,596  | 19,128  |
| Administration costs             | 1,310   | 1,242   |
| Interest expense                 | 450     | 27      |
|                                  | 19,356  | 20,397  |
| Net decrease(-)                  | -634    | -2,385  |
| Add—Advances                     | 747     | 2,335   |
| Add—Balance at beginning of year | -657    | -607    |
| Balance at end of year           | -544    | -657    |

The unemployment insurance benefits as reported in Table 5.7 (\$17,596 million) differ from the benefits (\$17,587 million) reported in the Statement of Revenue and Expenditure (Section 1 of this volume). The difference is attributed to the further adjustments due to provision for valuation (\$29 million) and the unemployment insurance benefits recovery of \$39 million through the Income Tax System.

### **Canadian Ownership Account**

This account was established under the authority of Energy, Mines and Resources Vote 5c, Appropriation Act No 4, 1980-81. The account was credited with amounts received from the Canadian Ownership special charge levied to increase public ownership of the oil and gas industry in Canada.

The special charge was cancelled due to deregulation on June 1, 1985. Transactions since that time are the result of adjustments due to audits. The final such credit was received during the current year.

Receipts and other credits from outside parties of \$1.4 million (\$0.2 million in 1993) are reported as revenue in the Statement of Revenue and Expenditure.

### Western Grain Stabilization Account

The purpose of the Western Grain Stabilization Act is to protect prairie grain producers from unexpected and large income declines, through the stabilization of returns on the production and sale of wheat, oats, barley, rye, domestic mustard seed, canola, flax seed, triticale, mixed grain, sunflower seed, safflower seed, buckwheat, peas, lentils, fababeans and canary seed as well as any other prescribed seed that is produced in the designated area and is a grain for which a grade has been established and designated as "Canada Western" by regulation under the Canada Grain Act.

This account records funds for this purpose which are received from:

- (a) levies paid by participating producers—a levy rate ranging from 2 percent to 4 percent applied to a participant's grain sales proceeds not exceeding \$60,000 per year;
- (b) Government contributions equal to levies paid by producers plus an additional 2 percent of the participating eligible grain sales proceeds of all participants on which levy has been paid by participants;
- (c) interest on the amount standing to the credit of the Account at rates and in accordance with the terms and conditions determined by the Minister of Finance; and,
- (d) pursuant to section 45 of the Western Grain Stabilization Act advances can be made from the Consolidated Revenue Fund when the balance in the Account is not sufficient for the payment of the stabilization payments and other amounts required to be charged to the Account pursuant to section 44 of the Western Grain Stabilization Act.

The outstanding advance in the Account is presently being renegotiated. Treatment of the Account's deficit upon termination of the Western Grain Stabilization Account is subject to the provision of subsection 24(3) of the Farm Income Protection Act: "The Governor in Council may, by order, fix the day on which the Western Grain Stabilization Account continued pursuant to subsection (1) shall be closed." The Western Grain Stabilization Act has been repealed and replaced by the Farm Income Protection Act effective April 1, 1991.

Receipts and other credits from outside parties of \$24,200 (-\$1,623 in 1993) are reported as revenue, while payments and other charges to outside parties of -\$8 million (-\$23 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

Receipts and other credits of \$0.4 million (\$1.2 million in 1993), and payments and other charges of nil (\$81 million in 1993), internal to the operations of the Government, have been eliminated in order to present transactions with outside parties.

### **Crop Reinsurance Fund**

This Fund, continued in the accounts of Canada pursuant to section 13(1) of the Farm Income Protection Act, provides insurance to participating provinces for costs they incur in operating various crop insurance schemes. The Crop Insurance Act, under which the Crop Reinsurance Fund operated, has been repealed and replaced by the Farm Income Protection Act effective April 1, 1991.

The revenue of the Fund comes from moneys paid by the provinces for the purpose of reinsurance and the expenditure of the Fund are moneys paid to the provinces under the terms of reinsurance agreements. When there is insufficient revenue in the Fund to meet payments, the Minister of Finance advances additional funds to cover these obligations, these advances are recovered without interest from future revenue from the provinces.

Receipts and other credits from outside parties of \$35 million (\$72 million in 1993) are reported as revenue, while payments and other charges of \$50 million (\$21 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

Advances from the Department of Finance to the Crop Reinsurance Fund were nil in 1994 (nil in 1993). Repayment of advances to the Department of Finance were nil in 1994 (\$104 million in 1993). The advances from Finance and their repayment by Agriculture Canada are internal to the operations of the Government and therefore, are normally eliminated in order to present in the assets and liabilities statement only those transactions with outside parties.

### Agricultural Commodities Stabilization Accounts

The purpose of these accounts is to reduce income loss to producers from market risks through stabilizing prices. Premiums are shared equally by the Government of Canada, the governments of participating provinces and participating producers. These premiums should equal the total paid over time. There are several active accounts as follows:

- (a) hogs;
- (b) feeder cattle;
- (c) slaughter cattle;
- (d) feeder calves;
- (e) home-raised lambs;
- (f) ewe stock;
- (g) apples;
- (h) white pea beans;
- (i) kidney/cranberry beans;
- (i) other coloured beans;
- (k) sugar beets;
- (1) honey; and,
- (m) onions.

These accounts are continued in the accounts of Canada pursuant to section 16(2) of the Farm Income Protection Act. The Agricultural Stabilization Act, under which the commodity accounts formerly operated, has been repealed and replaced by the Farm Income Protection Act effective April 1, 1991.

Receipts and other credits from outside parties of \$197 million (\$158 million in 1993) are reported as revenue, while payments and other charges to outside parties of \$101 million (\$115 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

Receipts and other credits of \$39 million (\$105 million in 1993), and payments and other charges of \$167 million (\$20 million in 1993), internal to the operations of the Government, have been eliminated in order to present transactions with outside parties.

### **Environmental Studies Research Funds**

These accounts were established in Energy, Mines and Resources and Indian Affairs and Northern Development pursuant to section 76(1) of the *Canada Petroleum Resources Act*. The purpose of the Funds is to finance environmental and social studies pertaining to the manner in which, and the terms and conditions under which, exploration development and production activities on frontier land, authorized under this Act or any other Act of Parliament, should be conducted.

Receipts and other credits from outside parties of \$34,389 (\$2 million in 1993) are reported as revenue, while payments and other charges to outside parties of \$0.5 million (\$3 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

### Insurance Accounts

For the following insurance accounts, receipts and other credits from outside parties of \$6 million (\$7 million in 1993) are reported as revenue, while payments and other charges to outside parties of \$12 million (\$7 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

Receipts and other credits of \$13 million (\$14 million in 1993), internal to the operations of the Government, have been eliminated in order to present transactions with outside parties.

### Fishing Vessel Insurance Plan

The Fishing Vessel Insurance Plan is administered in accordance with Vote 540, Appropriation Act No. 5, 1955, extended by Vote 527, Appropriation Act No. 6, 1956 and Vote L38b, Appropriation Act No. 1, 1970, to insure fishermen against abnormal capital losses. The account is credited with premiums and recoveries, and with advances in accordance with the regulations, such advances not to exceed at any time \$150,000. The account is charged with indemnities, refunds of premiums and payments in settlement of third party vessel collision damage claims against fishermen where the collision involves a vessel insured under the Fishing Vessel Insurance Plan. Administration costs are paid from Fisheries and Oceans Vote 1.

### **Nuclear Liability Reinsurance Account**

This account was established pursuant to sections 16 and 17 of the *Nuclear Liability Act*, to record premiums and to provide for payment of claims arising from accidents at an insured facility

### Investors' Indemnity Account

Section 57 of the Financial Administration Act provides for this account, and for the crediting thereto of the sum of \$25,000, such further amounts as are appropriated by Parliament for the purpose of this section, and any recovery of losses referred to in section 58 of the Act. This sum was increased to \$50,000 by Treasury Board Submission No 817667 dated December 12, 1001

Section 58 states that the Minister may, in accordance with and subject to regulations, pay out of the account, any losses sustained by subscribers for Government securities, who have paid all or part of the purchase price but have not received the security or repayment of the amount so paid, and losses sustained by any person in the redemption of securities.

### Land Assurance Fund

This account was established pursuant to sections 160 to 164 of the Land Titles Act, to indemnify title holders who suffer loss through misdescriptions in titles, and from other causes specified in the Land Titles Act. Fees are collected from the parties who register deeds with the Registrar of Land Titles in the Northwest Territories and the Yukon Territory. Interest is added to the Fund annually, the present rate being 3 percent per annum.

### Health Insurance Supplementary Account

This account was established pursuant to Vote L16b, Appropriation Act No. 2, 1973, to record payments in respect of persons who, through no fault of their own, have lost or been unable to obtain coverage for the insured health services under the Canada Health Act, and in accordance with the Federal-Provincial Agreement on Eligibility and Portability. Contributions are made by all provinces to the account in proportion to population and are matched by the Federal Government.

### **Ship-Source Oil Pollution Fund**

This account was established pursuant to section 775 of the Canada Shipping Act to record levy tonnage payments for oil carried by ships in Canadian waters. Maritime pollution claims, the fee of the Fund Administrator, and related oil pollution control expenses, are to be financed out of the Fund.

### **Other Specified Purpose Accounts**

For the following Other Specified Purpose Accounts, receipts and other credits from outside parties of \$26 million (\$1 million in 1993) are reported as revenue, while payments and other charges to outside parties of \$3 million (\$2 million in 1993) are reported as expenditure in the Statement of Revenue and Expenditure.

Receipts and other credits of \$50,386 (\$36,137 in 1993), internal to the operations of the Government, have been eliminated in order to present transactions with outside parties.

### Marconi Celebration Trust Fund

This account was established pursuant to section 21 of the Financial Administration Act, for the purpose of raising moneys through public subscriptions and others to construct, operate and maintain a National Historic Site in Glace Bay, Nova Scotia to commemorate the efforts and accomplishments of Guglielmo Marconi in the field of wireless communications.

### Claudia de Hueck Bequest Account

This account was established pursuant to section 21 of the *Financial Administration Act* and section 15 of the *Science Council of Canada Act*, to record a bequest made by Mrs. Claudia de Hueck to be used to promote the study of humanities and for general educational purposes.

### Natural Sciences and Engineering Research Council—Donation Trust Fund

This account was established by the Natural Sciences and Engineering Research Council Act (1978) to record monies, securities or other property received by way of gift, bequest or otherwise as approved by the Natural Sciences and Engineering Research Council. The account is charged with payments and with the disposal of such monies, securities or other property, subject to the terms upon which such monies are given, bequeathed or otherwise made available to the Council, and subject to the approval of the Council.

### Sioux Lookout Zone Hospital

This account was established under the authority of section 21 of the *Financial Administration Act* to record transactions relating to a donation made by the Hospital for Sick Children Foundation to be used to finance a paediatric play program volunteer service at Sioux Lookout Zone Hospital.

### National Battlefields Commission Trust Fund

This account was established at the creation of the National Battlefields Commission for the purpose of acquiring various properties for the development of the park. The moneys are received by way of private contributions, from municipal corporations, provincial governments and others, and deposited for the purposes of the Commission, as prescribed for in its Act of incorporation. Following the land acquisitions of the Commission, an amount of money remained in the account and increased over a period of years as a result of interest earned, while the Commission was listed in Schedule C of the Financial Administration Act, prior to September 1, 1984.

### Medical Research Council — Donations for Research

This account was established under section 5(3) of the *Medical Research Council Act* to record donations and contributions received from organizations and individuals for biomedical research.

### National Library—Special Operating Account

This account was established pursuant to section 14 of the *National Library Act*, which also directed that (a) the account be credited with all money received for the purpose of the National Library by way of donation, bequest or otherwise and (b) any amounts required for the purpose of the Act may be paid out of the account or out of money appropriated by Parliament for such purposes.

### National Round Table on the Environment and Economy

This account was established pursuant to section 21 of the Financial Administration Act, to record gifts and donations received from third parties, and expenses to finance various studies related to the principles of sustainable development in Canada and internationally.

### National Archives of Canada Account

This account was established pursuant to section 10 of the National Archives Act, to record monies received for the purposes of the National Archives, by way of donations, bequest or otherwise. Amounts received for the purposes of the National Archives Act may be paid out of this account, or out of money appropriated by Parliament for such purposes.

### Canadian Centre for Occupational Health and Safety—Donations

This account was established pursuant to section 6(3) of the Canadian Centre for Occupational Health and Safety Act, to record moneys, securities or other property received by way of gift, bequest or otherwise, and to disburse such donations at the discretion of the Centre.

### Flight Recorder Software Systems Account

This account was established pursuant to section 21 of the Financial Administration Act, to record donations in the form of cash from other government safety organisations who have aquired a software system which was developed by the Canadian Transportation Accident Investigation and Safety Board for use in aircraft accident investigations for the purpose of advancing aviation safety.

### Friends of Rideau Hall Account

This account was established pursuant to section 21 of the *Financial Administration Act*, to record gifts, donations or bequests to Rideau Hall from private organizations and individuals to fund Heritage project.

### Fort Langley Legacy Foundation Donation

This account was established pursuant to section 21 of the *Financial Administration Act*, for the purpose of accepting donations from the Fort Langley Legacy Fondation towards the design, construction and furnishing of the cooperage at Fort Langley National Historic Site.

### **Supplementary Fines Fish Account**

The account is established to record the deposit of monies received from persons declared guilty of offences under the Fisheries Act, and fined by courts under subsection 79.2 (f) of the Act.

### Fines for the Transportation of Dangerous Goods

This account was established pursuant to the *Transportation of Dangerous Goods Act* 1992 and related regulations to record fines levied by courts.

### Fish Habitat Restoration Account

This account was established pursuant to section 79(2) of the *Fisheries Act*, for a specified purpose; this purpose being: together with the "Fondation de la faune du Québec" and the Department of Leisure, Fish and Game of Quebec, the restoration of wildlife habitats, notably wetlands, water levels control, acquisition of shorelands, restoration of spawning grounds damaged by encroachment on the St.Lawrence River and release of trout and other fish species in these spawning grounds being restored.

### Canadian Commercial Bank and Northland Bank Holdback Account

This account was established under section 21 of the Financial Administration Act, to record the amount held from the recovery of monies received from the winding up of Canadian Commercial Bank and Northland Bank.

During 1993-94, no claims have been received for potential payments from the holdback.

### **Seized Property Proceeds Account**

The account was established pursuant to section 13 of the Seized Property Management Act, to record the net proceeds received from the disposition of seized properties or fines imposed and also monies received from the government of foreign states pursuant to agreements for the purpose of the Act. The Act also provides that the following be charged to the Account: operating expenses incurred in carrying out the purpose of the Act, amounts paid as a result of claims and repayments of advances.

#### Alexander Graham Bell National Historic Site

This account was established pursuant to section 21 of the Financial Administration Act, to accept donations from various companies of the Canadian telecommunications industry for the redevelopment of the Alexander Graham Bell National Historic Site. These donations will be used for the construction of facilities for disabled visitors in addition to improving the reception, orientation and special events services.

### SUPPLEMENTARY STATEMENT

Canada Employment and Immigration Commission relating to the Unemployment Insurance Account

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATE-MENTS

The following financial statements have been prepared by Management of the Canada Employment and Immigration Commission in accordance with the accounting policies set out in Note 2 to the financial statements. The integrity and objectivity of the data and the estimates of importance in these financial statements are Management's responsibility. Management is also responsible for all other information in the departmental annual report and for ensuring that this information is consistent, where appropriate, with the information and data contained in the financial statements of the Unemployment Insurance Account.

In support of its responsibility, Management has developed and maintains books of account, financial and management controls, information systems and management practices. These are designed to provide reasonable assurance as to the reliability of financial information, and to ensure that transactions are in accordance with the *Unemployment Insurance Act* and Regulations, as well as the *Financial Administration Act* and Regulations.

The Unemployment Insurance Account's external auditor, the Auditor General of Canada, examines the operations and financial statements and reports to the Minister of Human Resources Development.

Jean-Jacques Noreau Chairperson

W.E.R. Little
Assistant Deputy Minister
Financial and Administrative Services

May 31, 1994

AUDITOR'S REPORT

TO THE DESIGNATED MINISTER OF HUMAN RESOURCES DEVELOPMENT

I have audited the balance sheet of the Unemployment Insurance Account as at December 31, 1993 and the statement of operations and deficit for the year then ended. These financial statements are the responsibility of the management of the Canada Employment and Immigration Commission. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Unemployment Insurance Account as at December 31, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with the accounting policies set out in Note 2 to the financial statements.

L. Denis Desautels, FCA Auditor General of Canada

Ottawa, Canada May 31, 1994

## Canada Employment and Immigration Commission relating to the Unemployment Insurance

Account—Continued

BALANCE SHEET AS AT DECEMBER 31, 1993 (in thousands of dollars)

The accompanying notes and schedule are an integral part of these financial statements.

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1993

### 1. Authority, objectives and responsibilities

The Canada Employment and Immigration Commission, a departmental corporation named in Schedule II to the Financial Administration Act, administers the Unemployment Insurance Act (the Act). The objective of the Act is to provide short-term financial relief and other assistance to eligible workers. The financial transactions relating to this objective are reported through the Unemployment Insurance Account.

The Unemployment Insurance Account was established in the accounts of Canada by the Act. All amounts received under the Act are deposited in the Consolidated Revenue Fund and credited to the Account. The benefits and the costs of administration of the Act are paid out of the Consolidated Revenue Fund and charged to the Account.

The Minister of National Revenue is responsible for collecting premiums from employers and employees. He is also responsible for administering and enforcing the provisions of the Act relating to benefit repayments to be received from higher income claimants. Under the terms of the Act, a claimant with higher income is one whose income exceeds 1.5 times the maximum yearly insurable earnings.

# Canada Employment and Immigration Commission relating to the Unemployment Insurance Account—Continued

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1993—Continued

### 2. Accounting policies

All financial transactions affecting the Unemployment Insurance Account are governed by the Act and/or Regulations.

### a) Basis of accounting

Revenues and expenses are recorded on the accrual basis of accounting.

### b) Premiums

The premiums are based on an estimate of the amount to be collected that relate to the year and include adjustments between actual and estimated premiums of previous years.

### c) Benefits

This represents the benefits to be paid to the claimant for the period of unemployment during the year, less benefit overpayments established by the Commission during the year, and estimated benefit repayments to be received from higher income claimants.

### d) Administration

The costs of administration of the Act are based on an estimate of actual costs incurred by the Commission during the year.

### 3. Due from claimants

|   | 1993          | 1992        |
|---|---------------|-------------|
|   | (in thousands | of dollars) |
| Balance of benefit overpayments and penalties | 461,882       | 380,672     |
| debts   | 169,789       | 100,404     |
| Estimated benefit repayments                  | 292,093       | 280,268     |
| higher income claimants                       | 26,828        | 43,814      |
|   | 318,921       | 324,082     |

Uncollectable benefit overpayments and penalties written-off during the year amounted to \$28 million (\$17 million in 1992).

Continuous efforts have been made by the Commission in detecting overpayments and imposing penalties. During 1993, overpayments and penalties totalling \$466 million (\$450 million in 1992) were established. During the year, \$359 million have been recovered (\$332 million in 1992).

### 4. Amounts payable

|                                     | 1993                    | 1992    |

| with Receiver General for Canada    |                         | 517     |
| _                                   | 135,845                 | 170,792 |
| To provinces                        |                         |         |
| Quebec tax deductions from warrants | 3,298                   | 10,030  |
| Recoupments from warrants           | 2,467                   | 591     |
|                                     | 5,765                   | 10,621  |
| _                                   | 141,610                 | 181,413 |

#### Advances from Canada

Where the balance of the Account is insufficient for the payment of benefits and costs of administration of the Act, the Minister of Finance, when requested by the Commission, may authorize the advance of funds from the Consolidated Revenue Fund.

These advances are contracted by means of promisory notes which bear annual interest compounded semi-annually at rates varying from 5.15 per cent to 8.42 percent. The balance as at December 31 consisted of:

|                         | 1993         | 1992           |
|-------------------------|--------------|----------------|
|                         | (in thousand | ls of dollars) |
| Principal repayable in: |              |                |
| 1993                    |              | 1,008,000      |
| 1994                    | 2,740,000    | 2,975,000      |
| 1995                    | 2,615,000    |                |
|                         | 5,355,000    | 3,983,000      |
| Accrued interest        | 385,213      | 258,963        |
|                         | 5,740,213    | 4,241,963      |

### 6. Premiums

In 1993, the premium rate for employees was \$3.00 per \$100 of insurable earnings (no change from 1992). The premium rate for employers, calculated at 1.4 times the employee rate, was \$4.20 per \$100 of an employee's insurable earnings.

Employers with qualified wage loss insurance plans are entitled to premium reductions. Employers are required to share this reduction with their employees. In 1993, the total amount of reductions is estimated at \$562 million (\$524 million in 1992).

## Canada Employment and Immigration Commission relating to the Unemployment Insurance

Account—Continued

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1993—Concluded

### 7. Estimated overpayments and underpayments of benefits

The large number of claimants to be monitored, and the requirement for prompt service requires a selective rather than universal application of internal control procedures, and therefore, the verification of claims is mainly done after claimants have begun to receive benefits.

As a result, overpayments and underpayments of benefits exist, which the Commission estimated through statistical extrapolation, respectively at \$312 million and \$150 million (\$466 million and \$147 million in 1992).

#### 8. Administration costs

### ADMINISTRATION COSTS (in thousands of dollars)

| _  | 1993      | 1992      |
|--|-----------|-----------|
| Administration costs by activity   |           |           |
| Unemployment Insurance   | 540,427   | 513,326   |
| Employment   | 273,390   | 269,172   |
| administration   | 296,909   | 268,222   |
| services   | 160,374   | 151.098   |
| Systems and procedures   | 28,927    | 31,372    |
| Advisory Council   | 14        | 204       |
|  | 1,300,041 | 1,233,394 |
| Less: recovery of costs for maintaining<br>the social insurance number<br>registry and issuing replacement |           |           |
| cards  | 6,429     | 5,986     |
|  | 1,293,612 | 1,227,408 |

### Administration costs—Related party transactions

The administration costs include \$113.5 million (\$100.6 million in 1992) paid to Public Works and Government Services Canada for accommodation and rental costs, and \$47.6 million (\$46.1 million in 1992) to Revenue Canada for collecting premiums from employers and employees.

In addition to those related party transactions disclosed elsewhere in these financial statements, the Account is related in terms of a component of the Government of Canada reporting entity to all departments, agencies and Crown corporations. The Account enters into transactions with these entities in the normal course of business.

### 9. Subsequent events

The February 1994 federal budget proposed several changes to the Act. These included mainly the number of weeks required to qualify for Unemployment Insurance benefits and the number of weeks for which claimants can collect benefits, and a two-level benefit rate.

The new benefit schedule places more emphasis on the length of work in determining the benefit period. The two-level benefit rate will provide enhanced income protection at 60 per cent of insured earnings to claimants with dependants and low insured earnings; all other claimants will receive 55 per cent of insured earnings.

Subject to Parliament approval, these changes will come into effect for new claims as of July 3, 1994. However, changes to the benefit schedule will be applied to claims which began on or after April 3, 1994.

### 10. Financial statement presentation

It is management's opinion that a statement of changes in financial position for the Account is not necessary since information concerning operating and financing activities, and their effects on cash resources, are readily apparent in the Statement of Operations and Deficit, and are adequately disclosed in the notes to the financial statements. Due to its nature, the Unemployment Insurance Account is not involved in investment activities.

For comparative purposes, some 1992 amounts have been reclassified to conform with the 1993 presentation.

### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

## LOANS, INVESTMENTS AND ADVANCES

Loans, investments and advances is a category of financial claims represented by debt instruments and ownership interests held by the Government of Canada, acquired through the use of parliamentary appropriations. Some of these appropriations permit repayments to be used for further loans and advances. Many appropriations are non-lapsing, that is, unexpended balances may be carried forward from year to year. Details of the use of non-budgetary appropriations, for loans, investments and advances, can be found in the ministerial sections of Volume II (Part I).

Loans, investments and advances are recorded at cost and are subject to annual valuation to reflect reductions from the recorded value to the estimated realizable value. Foreign currency transactions are translated and recorded in Canadian dollar equivalents at the exchange rates prevailing at the transaction dates. Loans, investments and advances resulting from foreign currency transactions are, in turn, reported at year-end closing rates of exchange; net gains are credited to revenue, while net losses are charged to budgetary expenditure of the Department of Finance.

The allowance established to reflect reductions from the recorded value to the estimated realizable value of financial claims held by the Government has been authorized by the Minister of Finance and the President of the Treasury Board, under section 63(2) of the Financial Administration Act.

Revenue received during the year on loans, investments and advances, is credited to return on investments; details are provided in Section 3 of this volume and in Section 12 of Volume II (Part II).

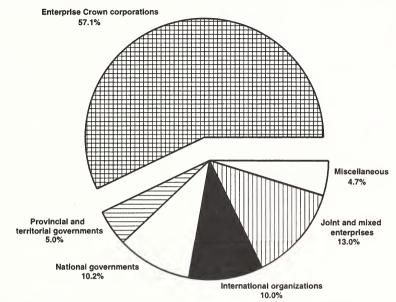

Table 6.1 presents the transactions and year-end balances of loans, investments and advances by category. Chart 6A presents the total loans, investments and advances by category for the current fiscal year, while Chart 6B compares the total loans, investments and advances for the last ten fiscal years.

Some tables in this section present the continuity of accounts, by showing the opening and closing balances, as well as receipts and other credits, and payments and other charges.

### ENTERPRISE CROWN CORPORATIONS

Loans and advances to, and investments in, enterprise Crown corporations represent the balance of financial claims held by the Government against corporations for working capital, capital expenditure and other purposes, investment in the capital stock of corporations, and loans and advances to corporations for re-lending.

A Crown corporation means a parent Crown corporation or a wholly-owned subsidiary; a parent Crown corporation is wholly-owned directly by the Crown; a wholly-owned subsidiary is wholly-owned by one or more parent Crown corporations directly or indirectly through any number of subsidiaries each of which is wholly-owned directly or indirectly by one or more parent Crown corporations.

Enterprise Crown corporations are defined as those corporate organizations which are not dependent on parliamentary appropriations and whose principal activity and source of revenue is the sale of goods and services to outside parties. These include selected corporations listed in Part I and all the corporations listed in Part II of Schedule III of the Financial Administration Act, the Bank of Canada and the Canadian Wheat Board.

An enterprise Crown corporation is ultimately accountable to Parliament, through a minister of the Crown, for the conduct of its affairs. Most of the enterprise Crown corporations listed in Schedule III to the Financial Administration Act are agents of Her Majesty in right of Canada. This status is granted in one of the following ways:

- (i) designation by Parliament, through a special act of incorporation;
- (ii) statutory authorization; or,
- (iii) proclamation by the Government Corporations Operation Act.

Financial statements of parent enterprise Crown corporations can be found in the President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada. The financial statements of wholly-owned subsidiaries of enterprise Crown corporations are also included in that report whenever their accounts are not consolidated with those of the parent corporation. These financial statements are appended to those of the related parent enterprise Crown corporation.

Table 6.2 presents a summary of the balances and transactions for the various types of loans, investments and advances which were made to enterprise Crown corporations.

### Canada Deposit Insurance Corporation

The Corporation was established by the *Canada Deposit Insurance Corporation Act*, to provide insurance, up to \$60,000 per depositor per institution, on deposits with federal member institutions and approved provincial institutions.

The Corporation is an agent of Her Majesty, reports through the Minister of Finance, and is listed in Part I of Schedule III of the Financial Administration Act.

Section 42 of the Canada Deposit Insurance Corporation Act provides that the Minister of Finance, with the approval of the Governor in Council, may advance to the Corporation amounts by way of loans on such terms and conditions as the Governor in Council may determine. The aggregate of such loans authorized to be outstanding at any time is \$6,000,000,000.

The loans bear interest at rates from 4.140 percent to 7.49 percent per annum, and are repayable between July 6, 1994 and December 31, 1997.

During the year, the Corporation paid interest of \$189.4 million to the Government.

### Canada Mortgage and Housing Corporation

The Corporation was established by the Canada Mortgage and Housing Corporation Act, to promote the construction of new houses, the repair and modernization of existing houses, the improvement of housing and living conditions in Canada, and to promote the development of communities through the provision of infrastructure facilities.

The Corporation is an agent of Her Majesty, reports through the Minister of Supply and Services, and is listed in Part I of Schedule III of the Financial Administration Act.

During the year, the Corporation received financial assistance of \$1,944.8 million from budgetary appropriations. It paid interest of \$719.3 million to the Government.

### Capital stock

The Government's investment in the capital of the Corporation is authorized by section 16 of the Canada Mortgage and Housing Corporation Act.

### Housing

Advances have been made to enable the Corporation to lend money under the following sections of the *National Housing Act*:

- (a) Section 24(1)—for rental housing projects on the security of a first mortgage and to sell or purchase loans made on rental housing projects;
- (b) Section 26(1)—to any person to assist in
  - (i) the construction, purchase or improvement of a low-rental housing project;
  - (ii) the purchase of existing buildings and the land upon which they are situated and their conversion into a low-rental housing project; or,
  - (iii) the conversion of existing buildings into a lowrental housing project;

- (c) Section 27.5—to municipalities for selected neighbourhoods for the purpose of improving premises within the neighbourhood in respect of which the contribution is made:
- (d) Section 51(1)—
  - (i) to the owner of a family housing unit or of housing accommodation of the hostel or dormitory type for the purpose of assisting in the repair, rehabilitation or improvement thereof;
  - (ii) to an occupier of a family housing unit for the purpose of assisting in the repair, rehabilitation or improvement thereof; or,
  - (iii) to a non profit corporation for the purpose of assisting in the conversion of an existing residential building owned by the corporation, to a building containing a different number of family housing units, housing accommodation of the hostel or dormitory type or a different number of hostel or dormitory beds;
- (e) Section 61(1)—to cooperatives for the purpose of assisting in the construction, acquisition or improvement of a housing project;
- (f) Section 76(1)—to any person that wishes to undertake a project
  - (i) for individuals or families of low income; or,
  - (ii) to meet the needs of individuals resulting from age, infirmity or other disability;
- (g) Section 80(1)—to provinces, municipalities or public housing agencies to assist in the acquisition and the servicing of land for housing purposes;
- (h) Section 81(1)—to a province, municipality or public housing agency for the construction or acquisition of a public housing project;
- (i) Section 97(1)—to persons to whom a loan is not being made available pursuant to Part I of section 24, the Corporation may make such a loan subject to the same terms, conditions and limitations that exist under Part I of section 24; and,
- (j) Section 98—to Indians to assist in the purchase, improvement or construction of housing projects on Indian reserves.

The advances bear interest at rates from 3.5 percent to 16.0962 percent per annum, and are repayable over 1 to 50 years, with final instalments between June 30, 1994 and September 30, 2037.

#### Real estate

Section 92(1) of the National Housing Act authorizes advances to: (a) acquire land or housing projects by way of purchase, lease or otherwise; (b) install services in and effect improvements to or in respect of land acquired, and develop and lay out such land for housing purposes; (c) construct, convert or improve housing projects; and, (d) acquire building materials and equipment and other personal property for use in connection with housing projects.

The advances bear interest at rates from 2 percent to 15 percent per annum, and are repayable over 50 years, with the final instalment on December 31, 2036.

### Joint projects

Section 79(1) of the National Housing Act authorizes advances to undertake projects jointly with the government of any province or any agency thereof, for (a) the acquisition and development of land for housing purposes or for any purpose incidental thereof; (b) the construction of housing projects or housing accommodation of the hostel or dormitory type for sale or for rent; and, (c) the acquisition, improvement and conversion of existing buildings for a housing project or for housing accommodation of the hostel or dormitory type.

The advances bear interest at rates from 3 percent to 17.9 percent per annum, and are repayable over 1 to 50 years, with final instalments between June 30, 1994 and September 30, 2038.

#### Urban renewal scheme

Advances have been made to enable the Corporation to lend money under section 25(1) of the *National Housing Act*, to a province or municipality, to assist in the implementation of an urban renewal scheme.

The advances bear interest at rates from 5.81 percent to 7.195 percent per annum, and are repayable over 15 to 50 years, with final instalments between June 30, 1994 and December 31, 1999.

### Student housing projects

Advances have been made to enable the Corporation to lend money under section 88(1) of the *National Housing Act*, to a province or an agency thereof, a municipality or an agency thereof, or a hospital, school board, university, college, cooperative association or charitable corporation, to assist in (a) the construction, acquisition or improvement of a student housing project; (b) the acquisition of existing buildings and their conversion into a student housing project; or, (c) the conversion of existing buildings into a student housing project.

The advances bear interest at rates from 5 percent to 10.054 percent per annum, and are repayable over 20 to 50 years, with final instalments between June 30, 1994 and September 30, 2030.

### Sewage treatment projects

Advances have been made to enable the Corporation to lend money under section 51 of the *National Housing Act*, to any province, municipality or municipal sewage corporation, to assist in the establishment or expansion of a sewage treatment project, and in the construction of a trunk storm sewer system.

The advances bear interest at rates from 5 percent to 10.376 percent per annum, and are repayable over 20 to 50 years, with final instalments between June 30, 1994 and December 31, 2023.

### Ownership assistance

Advances have been made to enable the Corporation to lend money under sections 57(1) and 58(1) of the *National Housing Act*, to assist in (a) the construction of a house or a condominium unit by a person who owns the house or condominium unit and intends to occupy the house, one of the family housing units thereof or the condominium unit, or by a builder who intends to sell the house or condominium unit to a person who will own and occupy the house, one of the family housing units thereof or the condominium unit; or, (b) the acquisition of a house or condominium unit by a prospective qualified owner.

The advances bear interest at rates from 7.658 percent to 9.3889 percent per annum, and are repayable over 18 to 20 years, with final instalments between June 30, 1994 and December 31, 2008.

### Canadian National Railway Company

The Corporation was established by the Canadian National Railways Act, to provide, operate and manage a national system of railways.

The Corporation is not an agent of Her Majesty, reports through the Minister of Transport, and is listed in Part II of Schedule III of the Financial Administration Act.

During the year, the Corporation received financial assistance of \$4.3 million from budgetary appropriations. It paid interest of \$9.9 million to the Government in 1993-94.

### Capital stock

The Government's investment in the capital of the Corporation is recorded in this account.

#### Consolidated loan

The loan bears interest at the rate of 8.75 percent per annum, and is repayable in semi-annual instalments over 20 years, with the final instalment on June 30, 1998.

### **Export Development Corporation**

The Corporation was established by the Export Development Act, to facilitate and develop export trade by the provision of loans, insurance, guarantees and other financial facilities.

The Corporation is an agent of Her Majesty, reports through the Minister for International Trade, and is listed in Part I of Schedule III of the *Financial Administration Act*.

During the year, the Corporation received financial assistance of \$172.5 million from budgetary appropriations.

The Government's investment in the capital of the Corporation, as authorized by section 11(1) of the Export Development Act, shall not exceed, at any time, \$1,500,000,000.

### **Farm Credit Corporation**

The Corporation was established by the Farm Credit Corporation Act, to assist Canadian farmers to establish and develop sound farm enterprises through the use of long-term credit.

The Corporation is an agent of Her Majesty, reports through the Minister of Agriculture, and is listed in Part I of Schedule III of the *Financial Administration Act*.

### Contributed capital

The Government's contribution to the capital of the Corporation is authorized by section 11(1) of the Farm Credit Corporation Act.

#### Notes

Promissory notes are issued to the Minister of Finance in respect of loans made pursuant to section 12 of the Act, to provide the Corporation with funds for making loans to farmers. The total amount of such loans outstanding at any time may not exceed twelve times the capital of the Corporation.

The terms and conditions of the loans, with their year-end balances, are as follows:

- (a) repayable over 20 years, bearing interest at rates from 6 percent to 10.145 percent per annum, with final instalments between July 1, 1994 and July 1, 2000, \$385,212,917;
- (b) repayable over 10 to 19 years, bearing interest at rates from 8.37 percent to 10.145 percent per annum, with final instalments between January 1, 1995 and May 6, 2006, \$572,640,744;
- (c) repayable over 2 to 9 years, bearing interest at rates from 5.24 percent to 11.82 percent per annum, with the final instalment on June 1, 2002, \$1,334,141,283; and,
- (d) repayable in under 2 years, bearing interest at rates from 4.0706 percent to 4.5890 percent per annum, \$185,000,000.

During the year, the Corporation paid interest of \$209.9 million to the Government.

### Farm syndicates loan fund

Advances have been made by the Minister of Finance, pursuant to section 8 of the *Farm Syndicates Credit Act*, to enable the Corporation to make loans. Section 3(1) of the Act allowed the Corporation to make loans to a farm syndicate for:

- (a) the purchase of farm machinery;
- (b) the purchase, erection or improvement of buildings; or,
- (c) the purchase or improvement of land on which buildings were or were to be erected for use primarily by the syndicate or its members, in their farming operations.

The Farm Syndicates Credit Act was repealed during the year. This account will remain open for repayments.

The terms and conditions of the loans, with their year-end balances, are as follows:

- (a) repayable over 10 to 19 years, bearing interest at the rate of 9.555 percent per annum, with final instalment on February 26, 2001, \$469,231; and,
- (b) repayable over 2 to 9 years, bearing interest at rates from 6.95 percent to 11.02 percent per annum, with final instalments between September 28, 1995 and March 1, 1999, \$10,659,615.

During the year, the Corporation paid interest of \$617,350 to the Government.

### Federal Business Development Bank

The Corporation was established by the *Federal Business Development Bank Act*, to promote and assist in the establishment and development of business enterprises in Canada, by providing financial assistance, management counselling, management training, information and advice, and such other services as are ancillary or incidental to any of the foregoing.

The Corporation is an agent of Her Majesty, reports through the Minister of Industry, Science and Technology, and is listed in Part I of Schedule III of the *Financial Administration Act*.

During the year, the Corporation received financial assistance of \$15.1 million from budgetary appropriations.

The Government's contribution to the paid-in capital of the Corporation in the amount of \$590 million (of which \$286.6 million was charged to budgetary expenditure) is authorized by sections 20, 28 and 52 of the Federal Business Development Bank Act.

### **Atomic Energy of Canada Limited**

The Corporation was incorporated pursuant to the *Canada Corporations Act*, and continued under the *Canada Business Corporations Act*, to develop the utilization of atomic energy for peaceful purposes.

The Corporation is an agent of Her Majesty, reports through the Minister of Energy, Mines and Resources, and is listed in Part I of Schedule III of the *Financial Administration Act*.

During the year, the Corporation received financial assistance of \$173.5 million from budgetary appropriations. It paid interest of \$85.6 million to the Government.

### Capital stock

The Government's investment in the capital of the Corporation is recorded in this account.

### Contributed capital

The Government's contribution to the capital of the Corporation is recorded in this account.

#### Housing

Loans have been made to finance the construction of housing near the Whiteshell Nuclear Research Establishment.

The loans bear interest at rates from 5.25 percent to 8.5 percent per annum, and are repayable in equal monthly instalments over 30 years, with final instalments between January 31, 1995 and June 30, 2003.

### Gentilly II nuclear power station

Loans have been made to finance a share in the construction of the CANDU-PHW 600 generating station at Gentilly, under an agreement with the Province of Quebec and Hydro-Quebec.

The consolidated loan was repaid in full during the year.

#### Heavy water inventory

Loans have been made to finance the production and purchase of heavy water for lease or resale to Canadian and foreign

The loans bear interest at the rate established every May 1 and November 1 by the Minister of Finance, in respect of borrowings having a six month term by Crown corporations. The loans are repayable in equal semi-annual instalments over 20 years, with the final instalment on May 1, 2008.

### Lepreau nuclear station

Loans have been made to finance a share in the construction of the nuclear generating station at Lepreau.

The consolidated loan was repaid in full during the year.

### Bank of Canada

The Bank of Canada was established by the Bank of Canada Act, to regulate credit and currency, in the best interests of the economic life of the nation, to control and protect the external value of the national monetary unit, and to mitigate, by its influence, fluctuations in the general levels of production, trade, prices and employment so far as may be possible within the scope of monetary action, and generally to promote the economic and financial welfare of Canada.

The Bank is not an agent of Her Majesty and reports through the Minister of Finance.

The Government's investment in the capital of the Bank is authorized by section 17 of the Bank of Canada Act. An amount of \$5,000,000 represents the par value of 100,000 shares, and the remaining balance of \$920,000 represents premiums paid in respect of the acquisition, in 1938, of shares held by the public.

During the year, the Bank remitted profit of \$1,452 million to the Government.

### Canada Development Investment Corporation

The Corporation was incorporated pursuant to the Canada Business Corporations Act. to:

- (a) assist in the creation or development of businesses, resources, properties and industries of Canada;
- (b) expand, widen and develop opportunities for Canadians to participate in the economic development of Canada through the application of their skills and capital in any activities carried on by the Corporation;
- (c) invest in the shares or securities of any corporation owning property or carrying on business related to the economic interests of Canada;
- (d) invest in ventures or enterprises, including the acquisition of property, likely to benefit Canada; and,
- (e) carry out all activities in the best interests of Canada, operating in a commercial manner.

The Corporation is an agent of Her Majesty, reports through the Minister of Finance, and is listed in Part II of Schedule III of the Financial Administration Act.

The Government's investment in the capital of the Corporation is recorded in this account. The balance in the account represents the value of 101 common shares of the Corporation without nominal or par value.

- (a) bearing interest at rates from 11 percent to 11.875 percent per annum, repayable at maturity on December 31, 1998 and December 31, 1999, \$8,817,600;
- (b) bearing interest at the rate of 12.43 percent per annum, repayable at maturity on December 31, 2000, \$6,665,062; and,
- (c) bearing interest at the rate of 11.625 percent per annum, repayable at maturity on December 31, 2005, \$2,569,795.

During the year, the Corporation paid interest of \$1.4 million and cash contributions of \$0.8 million to the Government.

### **Vancouver Port Corporation**

The Corporation was established by the *Canada Ports Corporation Act*, to administer, manage and control the Port of Vancouver.

The Corporation is an agent of Her Majesty, reports through the Minister of Transport, and is listed in Part II of Schedule III of the *Financial Administration Act*.

Loans have been made to finance capital expenditures related to the Port of Vancouver.

The remaining loan bears interest at the rate of 7.5 percent per annum, and is repayable in equal annual instalments over 20 years, with the final instalment on December 31, 2000.

During the year, the Corporation paid interest of \$224,246 and dividends of \$3 million to the Government.

### Summary Financial Statements of Enterprise Crown Corporations

The following tables display details of the assets, liabilities, revenues and expenses of enterprise Crown corporations.

Tables 6.3 to 6.5 present the assets, liabilities, revenues, expenses and changes to the equity of enterprise corporations grouped in five segments. The segment of competitive, self-sustaining corporations consists of those corporations named in Part II of Schedule III of the Financial Administration Act.

For those corporations having other year ends, the data are based on unaudited interim financial statements which have been prepared on a basis consistent with the most recent audited financial statements.

The tables summarize the financial transactions and results of operations of each enterprise Crown corporation in accordance with its own respective accounting policies. Most Crown corporations follow the generally accepted accounting principles used by private sector companies, as outlined in the Handbook of the Canadian Institute of Chartered Accountants.

Financial assets include cash, receivables, loans and investments. Physical assets and deferred charges represent the unexpensed portion of non-financial assets such as buildings, machinery and equipment in use or under construction, inventories and other items of expenditure which will be expensed as these assets are used. Financial assets and liabilities in respect of the Government and Crown corporations represent the unpaid balances arising from financing transactions and normal operating activities. Borrowings from outside parties represent amounts repayable to institutional and other investors. Other liabilities are amounts due in respect of purchases, employee termination and pension benefits, accrued interest on borrowings, long-term capital leases and sundry accounts payable.

Revenues include financial assistance received or receivable from the Government in respect of the current year's operations. Expenses are segregated between third parties, and Government and Crown corporations. Revenue and expenses are used to determine the net income or loss of the corporation. Adjustments include prior period adjustments and other miscellaneous items as recorded by the corporations. Equity transactions with the Government include dividends declared or transfers of profits to the Government as well as equity infusions provided by the Government.

These tables present consolidated financial information on parent enterprise Crown corporations and financial information on unconsolidated wholly-owned subsidiaries. The President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada includes a complete list of all parent Crown corporations, wholly-owned subsidiaries, other subsidiaries and associates.

Enterprise Crown corporations are also categorized as being either agents or non-agents of the Crown. Agency status may be expressly stated in the incorporating legislation or conferred under the provisions of the Government Corporations Operation Act. In accordance with section 54 of the Financial Administration Act, the payment of all money borrowed by agent Crown corporations and interest thereon is a charge on and payable out of the Consolidated Revenue Fund. Such borrowings therefore constitute obligations of the Government and are recorded as such in the summary financial statements of Canada net of borrowings expected to be repaid directly by these corporations. The gross amounts of such borrowings are included under "Liabilities, Outside Parties". A summary of such borrowings and the changes during the year ended March 31, 1994 is presented in Table 6.6.

Borrowings by non-agent Crown corporations are not, in law, obligations of the Government. However, when the Government expressly guarantees such borrowings, they become potential obligations of the Government. Such guarantees amounted to \$0.1 million as at March 31, 1994.

A summary of borrowing transactions by non-agent enterprise Crown corporations is presented in Table 6.7. The maturity and currency of enterprise Crown corporations' borrowings is presented in Table 6.8. Contingent liabilities of enterprise Crown corporations are presented in Table 6.9.

A summary of financial assistance under Government budgetary appropriations to enterprise Crown corporations for the year ended March 31, 1994 is provided in Table 6.10. Differences in figures reported in Table 6.5 and those reported in Table 6.10 result from the use of different accounting policies and from items in transit.

Notes to Table 6.4 are an integral part of this table.

(1) This column records only that portion of financial assistance received or receivable from the federal Government that has been credited to operations. A further amount of \$235,865 representing capital and operating appropriations received by the corporations is included in "Equity transactions with Government". Revenues "Other" include amounts generated from the sale of goods and services, investment income as well as grants where the corporations qualify as a member of a general class of recipients. The total financial assistance accounted for by the corporations during the year does not agree with the amount reported in Table 6.10 because of differences resulting from the different accounting applications follows: different accounting policies followed.

## Borrowings by Agent Enterprise Crown Corporations

Table 6.6 summarizes the borrowing transactions by agent enterprise Crown corporations made on behalf of Her Majesty. This information is published to satisfy section 49 of the Financial Administration Act (FAA) which requires that "An annual statement of all borrowing transactions on behalf of Her Majesty shall be included in the Public Accounts". The borrowings are from other than the Government. In accordance with section 54 of the FAA, the payment of all money borrowed by agent enterprise Crown corporations and interest thereon is a charge on and payable out of the Consolidated Revenue Fund. Such borrowings therefore constitute obligations of the Government and are recorded as such in the accounts of Canada net of borrowings expected to be repaid directly by these corporations. As at March 31, 1994, an allowance for borrowings expected to be repaid by the Government was established at \$3,885 million.

Borrowings by non-agent enterprise Crown corporations are not included in this table because such borrowings are not on behalf of Her Majesty. Table 6.7 provides information on borrowings of such corporations.

TABLE 6.6

BORROWINGS BY AGENT ENTERPRISE CROWN CORPORATIONS (in thousands of dollars)

|   | Balance<br>April 1/1993 | Borrowings<br>and other<br>credits | Repayments<br>and other<br>charges | Balance<br>March 31/1994 |

# Financial Assistance Under Budgetary Appropriations to Enterprise Crown Corporations

Table 6.10 summarizes financial assistance under budgetary appropriations for both agent and non-agent enterprise Crown corporations. It should be read in conjunction with Table 6.5. The purpose for which payments have been made under budgetary appropriations is segregated between: (a) amounts to cover operating expenses and (b) amounts for capital expenditures.

All amounts reported represent charges to appropriations or authorities approved by Parliament.

<sup>(1)</sup> Excludes grants and contributions paid to agent and non-agent enterprise Crown corporations where they qualify as members of a general class of recipients.

<sup>(2)</sup> Includes payment of \$81,300 for costs associated with cultural publication mailings.

<sup>(3)</sup> Payment made pursuant to section 32 of the Export Development Act concerning the concessional (Canada Account) loans.

# PROVINCIAL AND TERRITORIAL GOVERNMENTS

This category records loans to provinces and territories made under relief acts and other legislation.

Table 6.11 presents a summary of the balances and transactions for the various types of loans and advances that have been

made to provincial and territorial governments as well as the balances of the Provincial Tax Collection Agreements Account. Details of the Provincial Tax Collection Agreements Account can be found in Section 7 of this volume. Table 7.15.

<sup>(1)</sup> The Provincial Tax Collection Agreements Account is a specified purpose account usually reported as a liability on the Statement of Assets and Liabilities. Since both the opening and closing balances of this account are in a debit position, the Account is reported as an asset. Further details are provided in Table 7.15 (Section 7 of this volume).

# Special areas and highways agreement—Atlantic Canada Opportunities Agency

Loans have been made to finance the development of community and industrial infrastructure projects for special areas, and for highway development.

The loans bear interest at rates from 6.3519 percent to 9.5757 percent per annum, and are repayable in equal annual instalments, with final instalments between April 1, 1994 and April 1, 2005.

#### Federal-provincial fiscal arrangements

These amounts represent overpayments in respect of provincial equalization entitlements under the Constitution Acts 1867 to 1982, the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act, and other statutory authority. These overpayments are non-interest bearing and are recovered in the subsequent year.

### Municipal Development and Loan Board

Loans have been made, to provinces and municipalities, to augment or accelerate municipal capital works programs.

The loans bear interest at rates from 5.25 percent to 5.625 percent per annum, and are repayable in annual or semi-annual instalments over 15 to 50 years, with final instalments between February 1, 1995 and March 31, 2016.

## Winter capital projects fund

Loans have been made, to provinces, provincial agencies and municipalities, to assist in the creation of employment.

The loans bear interest at rates from 7.2 percent to 9.77 percent per annum, and are repayable either in annual instalments over 5 to 20 years, or at maturity, with final repayments between May 3, 1994 and February 28, 1999.

#### Atlantic Development Board carry-over projects

Loans have been made to finance certain water projects that were carried over from the Atlantic Development Board.

The loans bear interest at rates from 7.5 percent to 8.5 percent per annum, and are repayable over 5 to 12 years at various anniversary amortization dates, with final instalments between July 31, 1999 and April 1, 2006.

#### Atlantic Provinces Power Development Act

Loans have been made to the Atlantic provinces, to assist in the generation of electrical energy by steam driven generators in the provinces, and in the control and transmission of electric energy.

The loans bear interest at rates from 4.5 percent to 8.5 percent per annum, and are repayable in equal annual instalments over the next 20 years, with final instalments due between March 31, 1995 and March 31, 2014.

### Regional electrical interconnections

Loans have been made to assist in financing regional electrical interconnections, under agreements between the Government of Canada and the Provinces of Manitoba, New Brunswick and Nova Scotia.

The remaining unpaid loans, to the Province of New Brunswick, bear interest at 9.35 percent per annum, and are repayable in annual instalments over 31 years, with final instalments on March 31, 2011.

#### Federal-provincial employment loans program

Loans have been made, to provinces, provincial agencies and municipalities, to assist in the creation of employment.

The loans bear interest at rates from 6.98 percent to 7.22 percent per annum, and are repayable either in annual instalments over 10 to 20 years, or at maturity, with final repayments between October 1, 1994 and November 30, 1994.

## Comprehensive development plan agreement

Loans have been made to the Province of Prince Edward Island, to assist in financing the realization of a comprehensive and co-ordinated development plan of the province, pursuant to an agreement with the province, whose territory has been designated a "special rural development area".

The loans bear interest at rates from 6.688 percent to 9.375 percent per annum, and are repayable in equal instalments due at various anniversary dates, with final instalments by March 31, 2005.

# Special areas and highways agreement—Federal Office of Regional Development-Quebec

Loans have been made to finance the development of community and industrial infrastructure projects for special areas, and for highway development.

The loans bear interest at rates from 5.768 percent to 10.164 percent per annum, and are repayable in equal annual instalments, with final instalments between April 1, 1994 and March 31, 2009.

#### Agricultural service centres

Loans have been made to provincial and municipal authorities, to assist in the construction or expansion of water supply and waste disposal facilities in key agriculture service centres, which are essential to rural adjustment and urban development in the agricultural portion of the Prairie region.

The loans bear interest at rates from 8.6179 percent to 13.4765 percent per annum, and are repayable in equal annual instalments over 20 years, with final instalments between March 31, 1995 and March 31, 2004.

# Special areas and highways agreement—Western Economic Diversification

Loans have been made to finance the development of community and industrial infrastructure projects for special areas, and for highway development.

The loans bear interest at rates from 7.1689 percent to 9.9448 percent per annum, and are repayable in equal annual instalments, with final instalments between April 1, 1994 and April 1, 1999.

#### Government of the Northwest Territories

Loans have been made to the Government of the Northwest Territories, for the following purposes:

|                                     | April 1/1993     | Payments<br>and other<br>charges | Receipts<br>and other<br>credits | March 31/1994 |

| Outside parties—<br>Capital projects  | 2,135,343         |                                  | 630,560                          | 1,504,783         |
|                                       | 2,738,104         |                                  | 729,377                          | 2,008,727         |

The loans bear interest at rates from 5.375 percent to 11.375 percent per annum, and are repayable in equal annual instalments over 15 to 35 years, with final instalments between July 3, 1994 and November 24, 2003.

## Yukon Territory small business loans

Loans have been made for the establishment or expansion of small businesses in the Yukon Territory.

The total amount authorized to be outstanding at any time is \$5,000,000.

The loans bore interest at rates from 9 percent to 12 percent per annum, and were repayable in annual instalments over 10 years, with the final instalment on April 1, 1988. As of March 31, 1994, the loans have not been reimbursed in full.

The outstanding loans will be written-off in 1994-95 as these balances are considered uncollectable.

# NATIONAL GOVERNMENTS INCLUDING DEVELOPING COUNTRIES

Loans to national governments consist mainly of the loan to the government of the United Kingdom under the *United Kingdom Financial Agreement Act*, 1946, international development assistance to developing countries, and loans for development of export trade (administered by the Export Development Corporation).

Table 6.12 presents a summary of the balances and transactions for the loans and advances that were made to national governments including developing countries.

TABLE 6.12

#### Development of export trade

Pursuant to section 31 of the Export Development Act, the Governor in Council may authorize the Corporation to make loans to foreign customers where the liability is for a term, or in an amount in excess of that normally assumed by the Corporation. Such loans are financed directly by payments out of the Consolidated Revenue Fund and are administered by the Corporation on behalf of the Government of Canada.

Prior to April 1, 1987, these loans were authorized under non-budgetary authority. Since April 1, 1987, interest-free or low interest bearing loans are made under budgetary authority because of their concessional nature. Any similar loans that were issued prior to April 1, 1987 are fully provided for in the allowance for valuation of assets.

The following table presents the balances and transactions for the loans made to national governments, together with their terms and conditions of repayments. The subtotal of budgetary loans includes total payments for concessional loans under both budgetary and non-budgetary authorities. Loans made under budgetary authority are deducted as a lump sum amount under the caption "budgetary treatment".

# **Developing countries—International development assistance**

Interest-free or low interest bearing loans have been made through the Canadian International Development Agency to developing countries for international development assistance. Prior to April 1, 1986, these loans were authorized by miscellaneous non-budgetary authorities. Any balances still outstanding at March 31, 1986 have been fully provided for in the allowance for valuation of assets. Loan payments after March 31, 1986 have been made under various budgetary authorities.

During the year, loans totalling \$6,644,515 were forgiven under the authority of External Affairs Vote 26b, Appropriation Act No. 3, 1993-94.

The following table presents the balances and transactions for the loans made to developing countries, together with their terms and conditions of repayments. The subtotal of loans to individual countries includes, where applicable, total payments made under both budgetary and non-budgetary authorities. Payments made under budgetary authority to all countries are deducted as a lump sum amount under the caption "budgetary treatment".

All loans have been made in Canadian dollars and are therefore not subject to revaluations for foreign exchange fluctuations.

Similar assistance has been provided to developing countries by way of subscriptions and advances to the International Development Association, advances to the Global Environment Facility, and loans to other international financial institutions. These are reported later in this section under the heading "International organizations".

<sup>(2)</sup> All non-budgetary loans made prior to April 1, 1987 and fully provided for in the allowance for valuation of assets are included with budgetary loans in this table.

|   | April 1/1993                 | Payments and<br>other charges | Receipts and other credits (1) | March 31/1994                |

Note: Grace period refers to interval from date of issuance of the loan to first repayment of loan principal. (1) Receipts and other credits may include transactions such as repayments, forgiveness, etc.

#### China

A loan to China was authorized under the Export Credits Insurance Act.

#### Jamaica

A loan has been made to the Government of Jamaica, to provide economic assistance.

The loan agreement has been amended by the following Rescheduling Agreements:

- (a) the Rescheduling Agreement dated October 18, 1985, provided for the deferment of the principal repayment in the amount of \$5,000,000 due on August 9, 1985;
- (b) the Rescheduling Agreement dated June 4, 1987, provided for the deferment of principal repayments totalling \$10,000,000 due on August 9, 1986 and August 9, 1987; and.
- (c) the Rescheduling Agreement dated July 25, 1989, provided for the deferment of principal repayments totalling \$10,000,000 due on August 9, 1988 and August 9, 1989.

### **United Kingdom**

The United Kingdom Financial Agreement Act, 1946

Under authority of the *United Kingdom Financial Agreement Act*, 1946, a credit of \$1,250,000,000 was extended by the Government of Canada to the government of the United Kingdom to facilitate purchases by the United Kingdom of goods and services in Canada and to assist the government of the United Kingdom in meeting transitional post-war deficits in its current balance of payments, in maintaining adequate reserves of gold and dollars, and in assuming the obligations of multilateral trade. The amount of the credit drawn by December 31, 1951 was to be repaid in 50 annual instalments beginning on that date, with interest at the rate of 2 percent per annum, with the final instalment on December 31, 2000.

#### Deferred principal

The agreement, as amended in 1957, provides for the deferment of interest in respect of the year 1956 and of seven instalments of principal and interest after December 31, 1956, under certain conditions. Interest for 1956, and interest and principal for 1957, 1964, 1965, 1968 and 1976 were deferred. The maturity of the deferrals is to commence December 31, 2001, and continue until December 31, 2006.

# North Atlantic Treaty Organization—Damage claims recoverable

Article VIII of the NATO Status of Forces Agreement signed April 4, 1949, as amended, deals with claims for damages to third parties arising from accidents in which a member of a visiting force is involved. This account is charged with the amount recoverable from other states, for claims for damages which took place in Canada, and is credited with recoveries.

The advances are non-interest bearing and have no specific repayment terms.

### INTERNATIONAL ORGANIZATIONS

This group records Canada's subscriptions to the share capital of international banks and associations. It also includes loans and advances to other international organizations. Table 6.13 groups these subscriptions, loans and advances according to whether they are treated as a non-budgetary asset, or else as a charge to budgetary expenditure.

Canada subscribes to the share capital of a number of international banks and associations, in some cases providing both paid-in and callable capital. Subscriptions to international organizations do not provide a return on investments but are repayable on termination of the organization or withdrawal from it.

Paid-in capital subscriptions are made through a combination of cash payments and the issuance of non-interest bearing, non-negotiable notes payable to the organization. Although payable on demand, these notes are typically encashed according to the terms of agreements reached between the organization and the participating countries. Canada's subscriptions to the paid-in capital of these organizations are reported in Table 6.13 as a non-budgetary asset.

Callable share capital is composed of resources that are not paid to the banks but act as a guarantee to allow them to borrow on international capital markets to finance their lending program. Callable share capital, which has never been drawn on by the banks, would only be utilized in extreme circumstances to repay loans, should a bank's reserves not be sufficient. They represent a contingent liability of the Government, and are listed with other contingent liabilities related to international organizations in Table 11.14 (Section 11 of this volume).

The major portion of loans and advances to international organizations is given budgetary treatment, since they are made to banks and associations that use these funds to make loans to developing countries at significant concessionary terms. Loans and advances for concessionary lending made since April 1, 1986 are charged directly to budgetary appropriations, and are therefore deducted from the asset values at the end of Table 6.13 under the caption "budgetary treatment". Similar loans and advances made prior to April 1, 1986 were authorized by non-budgetary authorities, but are fully provided for in the allowance for valuation of assets.

Table 6.13 presents a summary of the balances and transactions for share capital, loans and advances to international organizations. Table 11.15 (Section 11 of this volume) presents additional information on contingent liabilities and commitments for international organizations that are disclosed in the notes to the audited financial statements in Section 1 of this volume.

<sup>(1)</sup> Non-budgetary loans and advances made prior to April 1, 1986 and fully provided for in the allowance for valuation of assets are included with budgetary loans and advances in this table.

#### African Development Bank

This account records Canada's subscriptions to the capital of the African Development Bank, as authorized by the *International Development (Financial Institutions) Assistance Act*, and various appropriation acts (including External Affairs Vote L35, *Appropriation Acts No. 1 and No. 2, 1993-94*).

At year-end, authority had been granted for subscriptions of 6,300 paid-in shares and 44,100 callable shares. Paid-in shares are purchased using cash and notes payable that are later encashed.

As at March 31, 1994, Canada's participation to the paid-in capital is \$93,599,128 Cdn for 6,300 paid-in shares. Of these paid-in shares, 2,100 were issued in US dollars. The foreign currency balance was translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn). During the year, transactions involving paid-in shares included only an adjustment to revaluate amounts subscribed in foreign currencies. No encashment and no additional subscription was made.

The callable shares are subject to call by the Bank under certain circumstances. Canada's contingent liability for callable shares has a current value of \$175,651,308 Cdn and \$380,000,250 US for a total value of \$701,381,634 Cdn.

# Asian Development Bank

This account records Canada's subscriptions to the capital of the Asian Development Bank, as authorized by the *International Development (Financial Institutions) Assistance Act*, and various appropriation acts (including External Affairs Vote L35, *Appropriation Acts No. 1 and No. 2, 1993-94*).

At year-end, authority had been granted for subscriptions of 11,110 paid-in shares and 81,433 callable shares. Paid-in shares are purchased using cash and notes payable that are later encashed.

As at March 31, 1994, Canada's participation to the paid-in capital is \$177,289,093 Cdn for 11,110 paid-in shares. Of these paid-in shares, 8,740 were issued in US dollars. The foreign currency balance was translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn). During the year, transactions involving paid-in shares included only an adjustment to revaluate amounts subscribed in foreign currencies. No encashment and no additional subscription was made.

The callable shares are subject to call by the Bank under certain circumstances. Canada's contingent liability for callable shares has a current value of \$439,147,591 US and \$596,976,219 Cdn for a total value of \$1,204,536,910 Cdn.

#### Caribbean Development Bank

This account records Canada's subscriptions to the capital of the Caribbean Development Bank, as authorized by the *International Development (Financial Institutions) Assistance Act*, and various appropriation acts (including External Affairs Vote L35, *Appropriation Acts No. 1 and No. 2, 1993-94*).

At year-end, authority had been granted for subscriptions of 2,278 paid-in shares and 8,124 callable shares. Paid-in shares are purchased using cash and notes payable that are later encashed. As at March 31, 1994, 139 authorized paid-in shares had not been acquired. It is planned that this subscription will be completed in 1994-95.

As at March 31, 1994, Canada's participation to the paid-in capital is \$19,045,734 Cdn for 2,139 paid-in shares. These shares were issued in US dollars. The foreign currency balance was translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn). During the year, transactions involving paid-in shares included additional subscriptions made through non-interest bearing notes and in cash. As well, an adjustement was made at year-end to revaluate amounts subscribed in foreign currencies.

The callable shares are subject to call by the Bank under certain circumstances. Canada's contingent liability for callable shares has a current value of \$49,001,856 US for a total value of \$67,794,067 Cdn.

# **European Bank for Reconstruction and Development**

This account records Canada's subscriptions to the capital of the European Bank for Reconstruction and Development (EBRD), as authorized by the European Bank for Reconstruction and Development Bank Act. and various appropriation acts.

At year-end, Canada has subscribed to 34,000 shares, which are being paid over a five-year period starting in 1991, with the paid-in portion accounted for as a proportion of each share. Payments are made using cash and notes payable that are later encashed.

The total value of these shares is \$396,783,400 US, of which 30 per cent is to be paid-in over a five-year period. The rest is subject to call by the Bank under certain circumstances. As at March 31, 1994, Canada has paid \$71,421,012 US and has outstanding notes payable of \$11,903,502 US. These foreign currency balances were translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn).

During the year, transactions involving the paid-in portion included subscriptions in cash and through demand notes, encashments of previous notes payable and revaluation adjustments.

Canada's contingent liability for the callable portion of its shares is \$277,748,380 US.

#### **Inter-American Development Bank**

This account records Canada's subscriptions to the capital of the Inter-American Development Bank, as authorized by the International Development (Financial Institutions) Assistance Act, and various appropriation acts (including External Affairs Vote L35, Appropriation Acts No. 1 and No. 2, 1993-94).

At year-end, authority had been granted for subscriptions of 12,382 paid-in shares and 208,776 callable shares. Paid-in shares are purchased using cash and notes payable that are later encashed.

As at March 31, 1994, Canada's participation to the paid-in capital is \$209,877,381 Cdn for 12,382 paid-in shares. These shares were issued in US dollars. The foreign currency balance was translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn). During the year, transactions involving paid-in shares included additional subscriptions made through the issuance of non-interest bearing notes, and the encashment of previous notes payable. As well, an adjustement was made at year-end to revaluate amounts subscribed in foreign currencies.

The callable shares are subject to call by the Bank under certain circumstances. Canada's contingent liability for callable shares has a current value of \$2,518,554,662 US for a total value of \$3,484,420.374 Cdn.

# International Bank for Reconstruction and Development (World Bank)

This account records Canada's subscriptions to the capital of the International Bank for Reconstruction and Development (IBRD), as authorized by the *Bretton Woods and Related Agreements Act*, and various appropriation acts (including Finance Vote L10, *Appropriation Acts No. 1 and No. 2, 1993-94*).

As at March 31, 1994, Canada has subscribed to 44,795 shares, with the paid-in portion accounted for as a proportion of each share. The total value of these shares is \$5,403,844,825 US of which \$114,341,194 US plus \$235,082,539 Cdn has been paid-in. The remaining portion is callable. The foreign portion of the payments was translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn). During the year, transactions involving the paid-in portion included additional subscriptions in cash and a revaluation adjustment.

The callable portion is subject to call by the Bank under certain circumstances. Canada's contingent liability for the callable portion of its shares is \$5,069 million US. All shares have been subscribed.

#### International Finance Corporation

This account records Canada's subscriptions to the capital of the International Finance Corporation (IFC), which is part of the World Bank Group, as authorized by the *Bretton Woods and Related Agreements Act*, and various appropriation acts (including Finance Vote L10, *Appropriation Acts No.1 and No.2, 1993-94*.

As at March 31, 1994, Canada has subscribed to 60,122 shares of the IFC. These shares have a total value of \$60,122,000 US, all of which has been paid-in. The paid-in amounts were translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn).

During the year, transactions involving paid-in shares included subscriptions in cash and a revaluation adjustment. Under the 1991 General Capital Increase, Canada plans to subscribe to an additional 21,219 shares over the next 4 years evaluated at \$21 million US, which represents a commitment.

### Multilateral Investment Guarantee Agency

This account records Canada's subscriptions to the capital of the Multilateral Investment Guarantee Agency as authorized by the *Bretton Woods and Related Agreements Act*, and various appropriation acts.

As at March 31, 1994, Canada has subscribed to 2,965 shares, with the paid-in portion accounted for as a proportion of each share. Paid-in shares are purchased using cash and notes payable that are later encashed.

The total value of these shares is \$32,081,300 US, of which \$6,416,260 US is paid-in and the remaining portion is callable. These foreign currency balances were translated into Canadian dollars at the year-end closing rate of exchange (\$1 US/\$1.3835 Cdn).

During the year, the only transactions involving the paid-in portion were revaluation adjustments.

The callable portion is subject to call by the Agency under certain circumstances. Canada's contingent liability for the callable portion of its shares is \$25,665,040 US.

#### Common Fund for Commodities

This account was established by External Affairs Vote L47b, Appropriation Act No. 3, 1980-81, to make payments and issue guarantees and promissory notes in the current and subsequent fiscal years to purchase shares in the first account of the Common Fund for Commodities in accordance with the terms and conditions of the agreement establishing the Common Fund of Commodities.

Canada withdrew its membership in the Common Fund for Commodities (CFC) effective June 9, 1993. Canada's payment to the Fund has been reimbursed and as well Common Fund for Commodities returned two promissory notes to the Bank of Canada.

# International Monetary Fund—Enhanced Structural Adjustment Facility

This account records the loan to the International Monetary Fund in order to provide assistance to debt distressed, low-income countries as authorized by the *Bretton Woods and Related Agreements Act*, and various appropriation acts.

As at March 31, 1994, Canada has lent SDR 105,376,250 to the Enhanced Structural Adjustment Facility. This amount was translated into Canadian dollars at the year-end closing rate of exchange (1 SDR/\$1.95433 Cdn). During the year, transactions included a loan in cash and a revaluation adjustment.

Canada has also made budgetary contributions towards an interest subsidy amounting to SDR 19,700,000, which do not appear in Table 6.13.

# International organizations and associations

These items represent the historical value of payments made by the Canadian Government to working capital funds maintained by international organizations of which Canada is a member. Participation in the financing of these working capital funds, on the basis of the scale of assessments, is prescribed by financial regulations for membership in the organizations. Payments into the funds are not subject to interest or repayment schedules, but are recorded by the organizations as credits from member states. Payments by Canada were authorized by appropriation acts.

#### Global Environment Facility

This account records the funding of a facility for environmental funding in developing countries in the areas of ozone, climate change biodiversity and international waters as authorized by the Bretton Woods and Related Agreements Act, and various appropriation acts. Advances to the Global Environment Facility (GEF) are made in non-negotiable, non-interest bearing demand notes that are later encashed.

During the year, transactions included advances made through the issuance of notes payable, as well as the encashment of previous notes payable.

As at March 31, 1994, advances to the GEF amounted to \$10,000,000 Cdn. Outstanding notes payable amounted to \$6,200,000 Cdn.

## International Development Association

This account records Canada's contributions and subscriptions to the International Development Association (IDA), as authorized by the Bretton Woods and Related Agreements Act, and various appropriation acts (including Finance Vote L15, Appropriation Acts No.1 and No.2, 1993-94). The contributions and subscriptions to the Association, which is part of the World Bank Group, are used to lend funds to developing countries for development purposes, at rates highly favourable to the borrower (no interest, with a 50 year maturity and 10 years of grace). Contributions and subscriptions to IDA are made in non-negotiable, non-interest bearing demand notes that are later encashed.

During the year, transactions included participation through the issuance of notes payable, as well as the encashment of previous notes payable.

As at March 31, 1994, Canada's total participation to IDA amounted to \$4,400,091,394 Cdn. Outstanding notes payable amount to \$998,645,033 Cdn. It should be noted that subscriptions to the Association represent a very small proportion of Canada's total participation.

#### International financial institutions

This account records loans and advances for assistance to international financial institutions, as authorized by the *International Development (Financial Institutions) Assistance Act*, and various appropriation acts.

In certain cases, loans and advances are made using notes payable that are later encashed. During the year, transactions included loans and advances made in cash and through note issuances, encashments of notes issued in previous years, revaluations for foreign currency fluctuations, and other miscellaneous adjustments.

## JOINT AND MIXED ENTERPRISES

Joint and mixed enterprises are entities with share capital owned jointly by the Government and other governments and/or organizations to further common objectives. This group records and/or reports the Government's loans, investments and advances to such entities. Additional information on these entities is provided in the President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada.

Under the terms of section 147 of the Bankruptcy and Insolvency Act, the Superintendent of Bankruptcy has received shares in a number of corporations in lieu of a cash levy payable to the Crown.

Table 6.14 presents a summary of the balances and transactions for the various types of loans, investments and advances to joint and mixed enterprises.

#### **TABLE 6.14**

#### Petro-Canada

Petro-Canada was initially incorporated under the *Canada Business Corporations Act*, to explore for, research, develop, produce and distribute hydrocarbons and other types of fuel and energy, and to engage or invest in ventures related thereto.

As of March 31, 1994, the Government's holding of shares represents 70.3 percent ownership of the Corporation.

### **Canarctic Shipping Company Limited**

The Corporation was incorporated under the Canada Corporations Act, and continued under the Canada Business Corporations Act, to acquire, sell, lease, charter and otherwise deal in and with ships of every description, and to do all other things necessary or incidental thereto.

In 1977-78, 305,996 common shares of Canarctic Shipping Company Limited having a total value of \$305,996, and representing 51 percent of the common shares outstanding, were purchased and charged to budgetary expenditure (Transport Vote 10—Marine operating expenditures). The balance of outstanding shares is owned by North Water Navigation Ltd.

## **Cooperative Energy Corporation**

The Corporation was incorporated under the *Cooperative Energy Act*, to operate an energy corporation whose primary activity is to explore and develop new Canadian oil and gas resources. The Corporation is a holding company whose shareholders are the participating co-operatives and the Government of Canada. The objective of the Government's participation is to bring together a number of co-operative financial, agricultural, service and marketing institutions to participate in the Canadian oil and gas industry.

The Government's investment in the capital of the Corporation, as authorized by the *Cooperative Energy Act*, has been fully repaid by the Corporation, however, Canada is still entitled to a share of the small residual value of the Corporation once it is wound up.

#### Lower Churchill Development Corporation Limited

The Corporation was incorporated under the *Companies Act* of Newfoundland, to establish a basis for the development of all or part of the hydroelectric potential of the Lower Churchill basin and the transmission of this energy to markets.

This account records the Government's investment in the capital of the Corporation. In respect of Canada's participation with the Government of Newfoundland in the development of the hydroelectric power potential of the Lower Churchill River in Labrador, the Government is authorized to purchase approximately 49 percent of the shares of the Lower Churchill Development Corporation Limited.

The Government has purchased 1,475 class A shares, representing 49 percent of the shares outstanding. The balance of the outstanding shares is owned by Newfoundland and Labrador Hydro (an agent of the Government of Newfoundland and Labrador).

#### National Sea Products Ltd

The Corporation was incorporated under the *Nova Scotia Companies Act*, to process and market fish, seafoods and fish by-products. The objective of the Government's participation is to restructure the Nova Scotia fishery.

Pursuant to the Atlantic Fisheries Restructuring Act, the Government has acquired shares in the Corporation. The Government's holding consists of 3,105,952 no par value common shares. This represents 10.59 percent of the shares outstanding.

### North Portage Development Corporation

The Corporation was incorporated under the *Manitoba Corporations Act*, to foster the social and economic development of the North Portage area in the core area of Winnipeg. The objective of the Government's participation is to stimulate economic recovery in Canada and Manitoba.

The Government's holding of common shares represents 33.3 percent of the shares outstanding. The Corporation is owned equally by the City of Winnipeg, the Province of Manitoba and the Government of Canada.

### NPM Nuclear Project Managers Canada Inc

The Corporation was incorporated under the Canada Business Corporations Act, to manage nuclear projects and construction. The objective of the Government's participation is to transfer this activity from Atomic Energy of Canada Ltd to the private sector.

The Government has purchased 60 no par value common shares. The purchase cost of these shares was charged to a budgetary vote.

The Government's holding of shares represents 17.14 percent of the shares outstanding. The balance of the outstanding shares is owned by three private sector corporations.

# Société du parc industriel et portuaire Québec-Sud

The Corporation was incorporated by a Special Act of the Government of Quebec, to develop and implement plans and programs for an industrial complex, using the infrastructure of the Quebec harbour, and contributing to the development of that same infrastructure.

The Government has purchased 400 common shares of the Corporation at \$1 per share. This represents 40 percent of the authorized shares. The balance of the outstanding shares is owned by the Government of Quebec.

# MISCELLANEOUS LOANS, INVESTMENTS AND ADVANCES

This group records loans, investments and advances not classified elsewhere.

Table 6.15 presents a summary of the balances and transactions for the various types of miscellaneous loans, investments and advances.

TABLE 6.15
MISCELLANEOUS LOANS, INVESTMENTS AND ADVANCES

|  | April 1/1993             | Payments and other charges | Receipts and other credits | March 31/1994          |

<sup>(1)</sup> Additional information on consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

#### Missions abroad

Non-interest bearing advances have been made for interim financing of expenditures at missions abroad, pending distribution to appropriations of External Affairs and other departments and agencies.

The total amount authorized to be outstanding at any time is \$50,000,000.

#### Personnel posted abroad

A working capital advance account was established to finance loans and advances to employees posted abroad, including employees of other Government departments and agencies, as well as medical advances to locally-engaged staff.

The total amount authorized to be outstanding at any time is \$22,500,000.

The closing balance consists of loans to employees, \$8,411,578; advances for medical expenses, \$1,405,702; security and other deposits under Foreign Service Directives, \$565,618; and, school and club debentures, \$341,161.

The loans to employees bear interest at rates from 5 percent to 9 percent per annum, and are repayable over 4 years, with final instalments between April 1, 1994 and March 1, 1998.

# Imprest accounts, standing advances and authorized loans

This account was established for the purpose of financing: (a) public funds imprest and public funds advance accounts; (b) standing advances; (c) authorized loans and advances to employees posted abroad; and, (d) authorized recoverable advances to establish military messes and canteens.

The total amount authorized to be outstanding at any time is \$100,000,000.

#### Miscellaneous accountable advances

The closing balance reflects amounts outstanding in the hands of departments, agencies and individuals, at year end, to be expended in the following year.

# Miscellaneous accountable imprest and standing advances

This account is operated to provide imprest funds, accountable advances and recoverable advances to departments and agencies.

The total amount authorized to be outstanding at any time is \$22,000,000.

#### Construction of multi-purpose exhibition buildings

Loans have been made to finance the construction of multipurpose exhibition buildings.

The loans bear interest at rates from 7.432 percent to 9.684 percent per annum, and are repayable over 20 to 30 years, with final instalments between October 31, 1994 and October 1, 2006.

# Loans to assist industry in the Cape Breton area

Loans have been made for the purpose of promoting the establishment, growth, efficiency and international competitiveness of Canadian industry or to assist them in their financial restructuring and to foster the expansion of Canadian trade to a person engaged or about to engage in a manufacturing, processing or service industry in the Cape Breton area.

The loans bear interest at rates from 11 percent to 13.75 percent per annum, and are repayable at various dates, with final instalments by December 12, 2000.

#### Loans to enterprises in Newfoundland and Labrador

Loans have been made to provide financing to small and medium-sized businesses in Newfoundland.

These loans originated from the Newfoundland and Labrador Development Corporation Limited, of which Canada owned 40 percent of the shares. In an agreement dated March 29, 1989, the Newfoundland government purchased Canada's shares to effect the withdrawal of the Government of Canada from the Corporation. A condition of the withdrawal was that the Government of Canada accept these loans as full payment of moneys owing by the Corporation to Canada. These loans are currently being administered by the Enterprise Newfoundland Labrador on behalf of the Government of Canada.

These loans bear interest at rates from 10 percent to 17 percent per annum, and are repayable at various dates, with final instalments by April 1, 1999.

#### Cultural industries

Loans have been made to Canadian owned and controlled firms in cultural industries to encourage the growth of the Canadian book publishing, film and video and sound recording industries.

During the year, loans were authorized by Communications Vote L25, Appropriation Acts No. 1 and No. 2, 1993-94.

These loans bear no interest and will only have to be repaid if the program is terminated.

### Cultural property

Loans have been made to institutions and public authorities in Canada, for the purchase of objects in respect of which export permits have been refused under the *Cultural Property Export and Import Act*, or for the purchase of cultural property situated outside Canada which is related to the national heritage.

Although authority for additional loans was provided by Communications Vote L20, *Appropriation Acts No. 1 and No. 2, 1993-94*, no loans were made during the year. The total loan authority is \$10,000 per year.

The remaining loan bears interest at the rate of 10.455 percent per annum, and is repayable over 5 years, with the final instalment on April 1, 1994.

## Provincial workers' compensation boards

This account is operated under the authority of section 4(6) of the *Government Employees Compensation Act*, to provide operating funds to enable provincial compensation boards to administer the Act on behalf of the Crown, and pay claims to Canadian Government employees injured in the course of their employment.

The total amount of advances that is authorized to be made to all provincial workers' compensation boards is not to exceed three months' disbursements for compensation.

The advances are non-interest bearing and are to be repaid on termination of agreements with provincial boards.

#### Hvdro-Ouebec Research Institute

Loans have been made to the Hydro-Quebec Research Institute, guaranteed by the Province of Quebec, to provide financial assistance for construction and operation of the Institute.

The loans bear interest at rates from 7.187 percent to 7.937 percent per annum, and are repayable in equal annual instalments over 25 years, with the final instalment on March 25, 1999.

#### Joint venture—Bi-Provincial Upgrader

The Government of Canada entered into a joint venture agreement with the Provinces of Alberta and Saskatchewan and Husky Oil Operations Ltd for the sole purpose of constructing and operating the Bi-Provincial Upgrader to be located near Lloydminster, Saskatchewan. The project facility will be used to upgrade heavy oil and crude bitumen.

#### Investment

The Government's equity interest in the joint venture is equal to 31.58 percent of the initial Class A equity interests, 38.38 percent of the additional Class A equity interests, 33.33 percent of the Class B equity interests, 31.67 percent of the Class C equity interests, 38.38 percent of the Class D equity interests, and 38.38 percent of the Class E equity interests.

During the year, additional investment payments were authorized by Energy, Mines and Resources Vote L33b, Appropriation Act No. 3, 1993-94.

As of March 31, 1994, the Government's total investment is \$529.6 million. Of this amount, \$3.2 million has been charged to budgetary expenditure (Vote 5) in 1988-89.

#### Operating shortfalls

Additional payments of \$12.3 million were authorized by Energy, Mines and Resources Vote L15, Appropriation Acts No. 1 and No. 2, 1993-94, to cover operating shortfalls. As of March 31, 1994, a total of \$25.6 million was provided to fund Canada's obligation under the Joint Venture Agreement.

#### Development of export trade

Pursuant to section 31 of the Export Development Act, the Governor in Council may authorize the Corporation to make loans where the liability is for a term, or in an amount in excess of that normally assumed by the Corporation. Such loans are financed directly by payments out of the Consolidated Revenue Fund and are administered by the Corporation on behalf of the Government of Canada.

Prior to April 1, 1987, these loans were made under non-budgetary authority. Since April 1, 1987, interest-free or low interest bearing loans are made under budgetary authority because of their concessional nature. Any similar loans that were issued prior to April 1, 1987 are fully provided for in the allowance for valuation of assets.

The following table presents the balances and transactions for the loans made to the private sector, together with their terms and conditions of repayments. The subtotal of loans to the private sector includes, where applicable, total payments made under both budgetary and non-budgetary authorities. Total payments made under budgetary authority are deducted as a lump sum amount under the caption "budgetary treatment".

<sup>(1)</sup> Receipts or other credits may include transactions such as repayments, forgiveness, etc.

#### Air Canada

The Corporation was established by the Air Canada Act, and continued under the Canada Business Corporations Act, to provide scheduled domestic and international air services to North America, the British Isles, continental Europe and the Caribbean.

The loan was repaid in full during the year.

## Canadian Commercial Bank

Advances have been made to the Canadian Commercial Bank representing the Government's participation in the support group as authorized by the Canadian Commercial Bank Financial Assistance Act. These funds represent the Government's participation in the loan portfolio that was acquired from the Bank (the Government of Canada's share is \$60 million) and the purchase of outstanding debentures from existing holders (\$6.8 million).

#### Hibernia Development Project

In accordance with the *Hibernia Development Project Act*, the Government, through Canada Hibernia Holding Corporation, a wholly-owned subsidiary of Canada Development Investment Corporation, acquired an 8.5 percent interest in the Hibernia Development Project.

During the year, payments totalling \$88,190,829 were made to the Canada Hibernia Holding Corporation to cover Canada's equity interest as authorized by Finance Vote L33a, Appropriation Act No. 2, 1993-94.

#### Ottawa Civil Service Recreational Association

Loans have been made to the Ottawa Civil Service Recreational Association, to assist in the building and development of the W Clifford Clark Memorial Centre.

The remaining loan bears interest at the rate of 4.25 percent per annum, and is repayable in equal semi-annual instalments over 45 years, with the final instalment due September 30, 2005.

#### Industrial and regional development program

Loans have been made to firms and industries to help them adjust to changing competitive conditions and to produce new, more viable and competitive products and services.

The remaining loan was repaid in full during the year.

#### Canadian producers of frozen groundfish

Loans have been made to Canadian producers of frozen groundfish, canned and frozen crabmeat, and canned and frozen lobster meat, to assist in the financing of inventories.

The loans bore interest at the rate of 13 percent per annum, and were repayable in equal annual instalments over 7 years, with the final instalment in December 1987.

# **Groundfish processors**

Loans have been made to assist processors of groundfish in Canada, who, as determined by the Fisheries Prices Support Board, are unable to obtain sufficient financing on reasonable terms from other sources, to maintain raw fish prices, i.e. prices to primary producers, at the 1966-67 level. The loans bore interest at the rate of 8.75 percent per annum, and were repayable in equal annual instalments over 7 years, with the final instalment in December 1984. No loan repayments nor interest were received since November 1982.

Loans, in the amount of \$3,000,000, have also been made to ice-affected fish plants in Newfoundland, Labrador and North Shore, Quebec, to provide advances for working capital assistance to Canadian producers of groundfish products in Newfoundland and Quebec, who were affected by severe ice conditions in May and June 1974. The loans bore interest at rates from 8 percent to 10 percent per annum, and were repayable in equal annual instalments over 7 years, with the final instalment in December 1985.

#### Haddock fishermen

Loans have been made to Nova Scotia haddock fishermen whose fishery was closed from February 1 to May 31, 1975, pursuant to an agreement under the International Agreement for the Northwest Atlantic Fisheries. The total loan authority is \$1,650,000.

The loans bore interest at the rate of 8 percent per annum, and were repayable in equal annual instalments over 4 years, with the final instalment in 1979. Parliamentary authority is required to write off the balance.

#### Council for Yukon Indians

Loans have been made to the Council for Yukon Indians, to provide interim benefits to elderly Yukon Indians pending settlement of Yukon Indians land claims.

During the year, additional loans were authorized by Indian Affairs and Northern Development Votes L25 and L25b, Appropriation Acts No. 1, No. 2 and No. 3, 1993-94.

The loans are repayable in full upon settlement of land claims before an Agreement-in-Principle for the settlement of a claim is reached. Loans from April 1989 onward bear interest at rates ranging from 6.8 percent to 7.98 percent.

#### Eskimo loan fund

Loans have been made to individual Eskimos or groups of Eskimos, to promote commercial activities and gainful occupations. Loans have also been made to co-operative associations, credit unions, caisses populaires or other credit societies incorporated under provincial laws, where the majority of members are Eskimos, or to corporations incorporated under the laws of Canada, or provincial laws, where the controlling interest is held by Eskimos.

The total amount authorized to be outstanding at any time is \$7,072,000.

The loans bear interest at rates from 5 percent to 19.5 percent per annum, and are repayable over 1 to 15 years, with final instalments between April 1, 1994 and February 2, 2004.

### Indian economic development fund

Loans have been made for the purposes of economic development of Indians, to Indians or Indian bands, or to individuals, partnerships or corporations, the activities of which contribute or may contribute to such development.

The loans bear interest at rates from 5 percent to 21 percent per annum, and are repayable over 4 months to 15 years, with final instalments between April 1, 1994 and April 1, 2008.

#### Indian housing assistance fund

Second mortgage loans have been made to provide financial assistance to Indians and Inuit, for the construction and acquisition of houses and land, in areas other than Indian reserves. The purposes of the account were extended to authorize loans and advances to Indians and Inuit, for repairs or improvements to houses at time of purchase, in areas other than Indian reserves.

The total amount authorized to be outstanding at any time is \$20,000,000.

The loans are non-interest bearing, and are repayable in full by equal annual instalments or forgiveness, or, when the borrower sells the property. Whenever certain conditions of occupancy and maintenance are satisfied, instalments are forgiven at the rate of 10 percent per annum for up to 10 years.

During the year, \$131,500 was forgiven under the authority of Northern Affairs and National Resources Vote L51a, *Appropriation Act No. 9*, 1966.

#### **Inuvialuit Regional Corporation**

A loan has been made to the Inuvialuit Regional Corporation pursuant to section 6 of the Western Arctic (Inuvialuit) Claims Settlement Act to meet the monetary obligations of the Government under section 15(4) of the agreement dated June 5, 1984, between the Committee for Original Peoples' Entitlement representing the Inuvialuit of the Inuvialuit Settlement Region, and the Government of Canada.

The loans were repaid in full during the year.

#### Native claimants

Loans have been made to native claimants, to defray the costs related to the research, development and negotiation of claims.

During the year, additional loans were authorized by Indian Affairs and Northern Development Votes L20 and L20b, Appropriation Acts No. 1, No. 2 and No. 3, 1993-94.

The terms and conditions of the loans are as follows:

(a) loans made before an Agreement-in-Principle for the settlement of a claim is reached are non-interest bearing;

- (b) loans made after the date on which an Agreement-in-Principle for the settlement of a claim has been reached, bear interest at a rate equal to the rate established by the Minister of Finance in respect of borrowings for equivalent terms by Crown corporations; and,
- (c) loans are due and payable, as to principal and interest, on the date on which the claim is settled, or on a date fixed in the agreement, which shall be not later than March 31, 2004, whichever date is earlier.

## **Yukon Energy Corporation**

In accordance with section 4(2) of the Northern Canada Power Commission Yukon Assets Disposal Authorization Act, the Northern Canada Power Commission (formerly a Crown corporation) transferred its assets in the Yukon Territory to the Yukon Energy Corporation effective March 31, 1987.

Loans have been made to assist the Yukon Energy Corporation in acquiring the Northern Canada Power Commission Yukon Assets pursuant to section 7(1) of the Northern Canada Power Commission Yukon Assets Disposal Authorization Act.

The terms and conditions of the loans, with their year-end balances, are as follows:

- (a) loans in the amount of \$13,200,000 bear interest at the rate of 9 percent per annum, are repayable in equal principal annual instalments of \$400,000 plus interest, with the final principal instalment on March 31, 1997 of \$12,400,000 plus interest; and,
- (b) loans in the amount of \$33,619,654 bear interest at the rate of 7 percent per annum, are repayable in equal principal annual instalments of \$1,000,000 plus interest with the final instalment on January 1, 2028. The instalment is subject to certain principal deferral and interest abatement provisions depending on the sales volume of electrical power. Clause 2 of the Flexible Term Note allows for reduced payments when sales on the Whitehorse-Arfhihik-Fara (WAF) System are less than 310 GWH per year. Accordingly, the level of sales totalled 269 GWH for the year which resulted in a reduction of \$369,654 in the repayments of the principal otherwise payable (\$1,000,000 annually). The deferred principal will be payable in full on or before March 31, 2028. Subject to the interest abatement provision, where the sales of power on the WAF System falls into a certain range, the interest calculation is based on the application of a special formula. Accordingly, the amount of interest due and the amount calculated as payable will differ. An amount of \$612,524 in interest was abated this year.

## Canadian defence industry

Advances have been made to assist Canadian defence industry with plant modernization.

The advances are non-interest bearing, and are repayable over 1 to 3 years, with instalments due between April 1, 1994 and July 1, 1997.

#### Company stock option

Pursuant to section 15 of the *Department of Industry, Science* and *Technology Act*, this account establishes authority, in accordance with terms and conditions prescribed by regulations of the Governor in Council.

- (a) to take, purchase, exercise, assign or sell, on behalf of Her Majesty in Right of Canada, a stock option in a company in connection with the provision of a loan, insurance of a loan, or contribution made to the company by Her Majesty under a program authorized by the Governor in Council where, in the opinion of the Minister,
  - (i) it is necessary to take, purchase, exercise, assign or sell the stock option in order to permit Her Majesty in Right of Canada to benefit from the purchase; or
  - (ii) it is necessary to take, purchase, exercise, assign or sell, the stock option in order to protect the Crown's interest in respect of a loan made or insured, or contribution made; and
- (b) to authorize the sale or other disposition of any capital stock acquired.

During the year, additional purchases were authorized by Industry, Science and Technology Vote L10, Appropriation Acts No. 1 and No. 2, 1993-94.

# Manufacturing, processing and service industries in Canada

This account records loans made to persons engaged or about to engage or assist in manufacturing, processing or service industries in Canada in order to promote the establishment, improvement, growth, efficiency or international competitiveness of such industries or to assist them in their financial restructuring.

During the year, an additional loan was authorized by Industry, Science and Technology Vote L15, Appropriation Acts No. 1 and No. 2, 1993-94.

There is one remaining loan which is interest free unless it goes into default, and otherwise is repayable at maturity on April 1, 2017.

#### Canadian Forces housing projects

Advances have been made to the Canada Mortgage and Housing Corporation, in respect of loans arranged by the Corporation for housing projects for occupancy by members of the Canadian Forces.

The loans bear interest at rates from 4 percent to 5.75 percent per annum, and are repayable over 35 to 48 years, with final instalments between August 1, 1996 and November 1, 2010.

# Transportation and assistance loans

Section 119 of the *Immigration Act* authorizes the making of loans to immigrants and other such classes of persons.

The total amount authorized to be outstanding at any time is \$110,000,000.

The terms and conditions of the loans, with their year-end balances, are as follows:

- (a) repayable by monthly instalments over 1 to 5 years, with a possible deferment of 2 years, bearing interest at rates from 6 percent to 15 percent per annum, with final instalments between April 1, 1994 and April 1, 2001, \$2,582,220; and.
- (b) repayable by monthly instalments over 1 to 5 years, with a possible deferment of 2 years, non-interest bearing, with final instalments between April 1, 1994 and April 1, 2001, \$52,562,096.

#### **Parolees**

Loans have been made to parolees and individuals under mandatory supervision, to assist in their rehabilitation.

The total amount authorized to be outstanding at any time is \$50.000.

The loans are non-interest bearing and are repayable before the expiration of the parole period, or within one year from the date the loans were made, whichever period is the shorter. The repayment of a loan or any part thereof may be forgiven by the Solicitor General, if certain conditions are met.

During the year, loans totalling \$12,204 were forgiven pursuant to Solicitor General Vote L103b, *Appropriation Act No. 1, 1969*.

### Defence production loan account

This account was established under section 18 of the *Defence Production Act*, to record loans or advances for any purpose other than to assist in the construction, acquisition, extension or improvement of capital equipment or works by any person.

Section 19 of the *Defence Production Act* stated that the aggregate of expenditures charged to the Defence Production Revolving Fund (budgetary account), and to this account, shall not at any time exceed by more than \$100,000,000 the aggregate of amounts:

- (a) received from the sale or disposition of materials, substances or defence supplies;
- (b) charged to another appropriation in respect of costs of acquisition, storage, maintenance or transportation of stocks of materials or substances purchased, or of stocks of defence supplies acquired, where such materials, substances or defence supplies may be acquired under that appropriation;
- (c) charged to an appropriation or paid by an agent of Her Majesty or by an associated government, to pay costs incurred in respect of defence supplies, payment for which was made out and charged to the Defence Production Revolving Fund; and,
- (d) received in repayment of a loan or advance previously charged to this account.

The balance in the account represents a repayment of \$1.7 million owed to this account by CAE Aircraft, which is in dispute concerning the date when repayment is due. Legal counsel is of the opinion that no loss to the Government will be incurred.

## Seized property working capital account

This account was established by section 12 of the Seized Property Management Act. Expenses incurred and advances made to maintain and manage any seized or restrained property are charged to this account. This account is credited when expenses and advances are repaid or recovered.

The total amount authorized to be outstanding at any time is \$50,000,000.

Any shortfall between the proceeds from the disposition of any property forfeited to Her Majesty and the amount that were charged to this account and that are still outstanding, is charged to a Seized Property Proceeds Account and credited to this account.

#### Hamilton Harbour Commissioners

Loans have been made to the Hamilton Harbour Commissioners, to assist in the development of the harbour.

The total amount authorized to be outstanding at any time is \$4,000,000.

The remaining loan bears interest at the rate of 4.125 percent per annum, and is repayable in semi-annual instalments over 39 years, with the final instalment on March 20, 2004.

#### Saint John Harbour Bridge Authority

Advances have been made to the Saint John Harbour Bridge Authority in connection with the financing, construction and operation of a toll bridge across the harbour of Saint John, NB. The total amount of advances in each year is to be based on the difference for the year between the operating and financing costs of the toll bridge, and the revenue of the Bridge Authority, repayable when the revenue of the Bridge Authority for the year exceeds the amount of the operating and financing costs for such year.

On April 1, 1990, a new agreement was signed. This agreement called for the consolidation of all debts into one non-interest bearing loan. The Authority will remit excess funds from the operation of the bridge to the Government on an annual basis to repay the debt.

# Commonwealth War Graves Commission

Advances have been made to the working capital fund of the Commonwealth War Graves Commission, to maintain graves and cemeteries.

At year end, the balance of the advances was £30,000 UK. This balance was converted to Canadian dollars, using the year-end rate of exchange.

The advances are non-interest bearing and have no fixed terms of repayments.

#### Veterans' Land Act Fund

Advances

Advances have been made, under Parts I and III of the *Veterans' Land Act*, for the acquisition of land, permanent improvements, removal of encumbrances, purchase of stock and equipment, and protection of security. The total amount authorized to be outstanding at any time is \$605,000,000.

#### Allowance for conditional benefits

A provision equal to 1/10 of the benefits to veterans was established each year up to and including 1978-79. Since that time, a forecast of requirements has been performed each year, and provisions are established as necessary. These provisions are charged to budgetary expenditure and credited to the allowance for conditional benefits account. This account represents the accumulated net provisions for benefits to veterans in the form of forgiveness of loans authorized by the Veterans' Land Act. These benefits come into effect only after certain conditions are fulfilled by the veterans. At the end of 10 years, the conditions having been met, the accumulated provision is charged to the allowance for conditional benefits account, and credited to the veteran's loan account.

## ALLOWANCE FOR VALUATION

In accordance with the comprehensive policy on valuation, assets are subject to an annual valuation to reflect reductions from the recorded value to the estimated realizable value.

The allowance for valuation, for loans, investments and advances, represents the estimated losses on the realization of the loans, investments and advances included in the accounts of Canada at year end.

# NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

### SPECIFIED PURPOSE ACCOUNTS

Specified purpose accounts represent the recorded value of the financial obligations of the Government in its role as administrator of certain public moneys received or collected for specified purposes, under or pursuant to the legislation, trusts, treaties, undertakings or contracts. These public moneys may be paid out only for the purposes specified in or pursuant to the legislation, trusts, treaties, undertakings or contracts.

Because of the dedicated purposes of these moneys, specific accounts are required to be maintained to provide an accounting mechanism to ensure that the moneys are used only for the purposes for which they were received or collected. Legislation relating to some accounts permits investments to be made and, in certain cases, the balances of the accounts earn interest.

Table 7.1 presents the transactions and year-end balances of specified purpose accounts by category. Chart 7A presents the total specified purpose accounts by category for the current fiscal year, while Chart 7B compares the total specified purpose accounts for the last ten fiscal years.

Some tables in this section present the continuity of accounts, by showing the opening and closing balances, as well as receipts and other credits, and payments and other charges.

The financial statements of the Canada Pension Plan Account and the Canada Pension Plan Investment Fund, the Government Annuities Account and the Royal Canadian Mounted Police (Dependants) Pension Fund, together with the Auditor General's reports thereon, are presented at the end of this section.

Note: The balances and the transactions of the Unemployment Insurance Account, the Canadian Ownership Account, the Western Grain Stabilization Account, the Crop Reinsurance Fund, the Agricultural Commodities Stabilization Accounts and other specified purpose accounts are reported in Section 5 of this volume (Table 5.6) since the transactions in these accounts are treated as bludgetary.

CHART 7A SPECIFIED PURPOSE ACCOUNTS BY CATEGORY FOR 1993-94

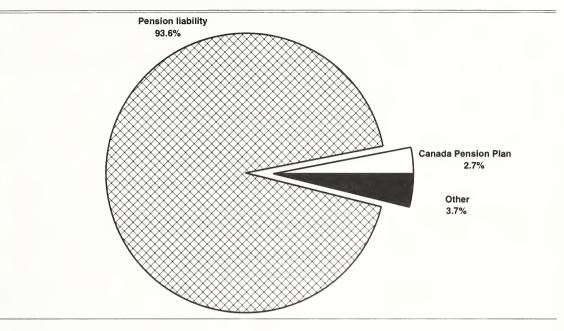

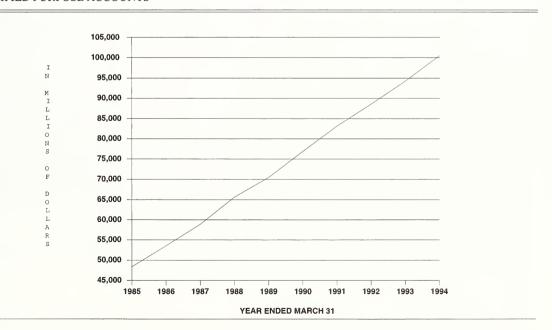

CHART 7B SPECIFIED PURPOSE ACCOUNTS

# Canada Pension Plan

The Canada Pension Plan is a compulsory contributory social insurance program which enables members of the labour force to acquire and retain protection for themselves and their families against loss of income due to retirement, disability or death. Established in 1965, the Plan applies in all parts of Canada, except the Province of Ouebec which has a comparable plan.

Under existing arrangements, all benefits and expenses incurred in the administration of the Plan are financed from contributions made by employees, employers and self-employed persons, and from interest earned from the investment of funds. The Government's financial obligation, as administrator of the Canada Pension Plan, is limited to the balance in the Account.

Table 7.2 presents a summary of the balances and transactions in the Canada Pension Plan Account less investment in securities of the federal, provincial and territorial governments held by the Canada Pension Plan Investment Fund.

TABLE 7.2

| Alberta                                | 4,822,689,000  | 110,433,000                |                            | 4,712,256,000  |
| British Columbia                       | 5,561,536,000  | 161,657,000                |                            | 5,399,879,000  |
| Yukon Territory                        | 3,726,000      |                            |                            | 3,726,000      |
|  | 39,333,075,000 | 1,109,680,370              |                            | 38,223,394,630 |
| Operating balance                      | 2,839,017,620  | 14,477,642,791             | 14,588,941,410             | 2,727,719,001  |

Receipts and other credits include:

- (a) contributions at the combined employer and employee rates of 5.0 percent and 5.2 percent for the 1993 and 1994 calendar years, subject to maximum combined contributions of \$1,505 and \$1,612 respectively;
- (b) interest received from the securities of the Canada Pension Plan Investment Fund, from short term investments and from the average daily operating balance; and,
- (c) funds received from the federal, provincial and territorial governments for the securities which have been redeemed during the year.

Payments and other charges include:

- (a) benefits paid under the Canada Pension Plan as retirement pensions, survivors' benefits paid to widows, widowers and orphans, or as lump sum death benefits, and disability pensions and benefits to children of disabled contributors;
- (b) benefits paid and recovered from the Canada Pension Plan, in accordance with an agreement with a province providing a comprehensive pension plan;
- (c) payments that are required to be charged to the Canada Pension Plan Account, in accordance with reciprocal agreements with other countries;
- (d) the costs of administration of the Plan; and,
- (e) funds invested during the year in the securities of the federal, provincial and territorial governments.

When the operating balance exceeds the estimated amount required to meet all payments in the following three-month period, the excess is available for the purchase of securities of the provinces, territories and Canada.

Provinces and territories are advised monthly of the amount of excess funds in the Canada Pension Plan Account that is available for the purchase of provincial and territorial securities. The amount available to each province and territory is the proportion that contributions made to the Plan during the preceding ten years in respect of employment in the province or territory bears to total contributions. Contributions received in respect of employment from employees outside Canada as well as any excess funds not invested in the securities of the provinces and territories are invested in the special non-marketable bonds of the Government of Canada.

Certain federal employees, such as members of the Canadian Armed Forces, who are resident in the Province of Quebec, contribute to the Canada Pension Plan. The securities of Quebec which are purchased by the Plan relate to the contributions of these employees.

TABLE 7.3

CANADA PENSION PLAN ACCOUNT (in millions of dollars)

# **Pension Liability**

The pension liability represents the Government's obligations for its major pension plans. An allowance account is used to record the accumulated amortization of any shortfall or excess between the pension liability and the balances of the superanuation accounts as determined on an actuarial basis for accounting purposes.

The Government sponsors defined benefit pension plans for substantially all its full-time employees, principally members of the Public Service, the Canadian Forces and the Royal Canadian Mounted Police. It also has obligations for several other pension plans; the two most significant ones being for Members of Parliament and federally appointed judges.

The legislation provides that all pension obligations arising from these plans be met but separate funds are not maintained.

#### i. Pension plans

Employee pension plans

Basic pensions for the three major employee plans are generally based on the best six consecutive years' average earnings and are accrued at 2 percent of these average earnings per year of service, to a maximum of 70 percent of final average earnings. Basic pensions are indexed annually (on January 1) to the cost of living.

Employee contributions for these benefits are 7.5 percent of pay, less contributions to the Canada or Quebec Pension Plan. Employer contributions are made monthly to provide for the cost of the benefits that have accrued in respect of that month at a rate determined by the President of the Treasury Board. In 1993-94, the employer contribution rates averaged about 1.3, 2.5 and 2.1 times the current year's employee contribution for the plans of the Public Service Superannuation Act, the Canadian Forces Superannuation Act and the Royal Canadian Mounted Police Superannuation Act, respectively.

The Public Service Superannuation Act also covers the employees of certain Crown corporations, agencies and other institutions. Crown corporations covered by the Public Service Superannuation Act need only match their employees' contribution; any actuarial deficiency is borne by the Government.

Contributions are credited to the superannuation accounts. The accounts earn interest at rates that are based on the Government of Canada long-term bond rate. The interest rate earned by the accounts was about 11 percent for 1993 and 10.5 percent for 1994.

Members of Parliament retiring allowances

Members of Parliament are eligible to receive a basic retiring allowance upon termination of membership after having contributed to the plan for at least six years. The basic allowance is based on the best six year average sessional indemnity and is accrued at a rate of 5 percent and 3 percent of these average indemnities for Members of the House of Commons and for Senators, respectively. Basic allowances are indexed annually (on January 1) to the cost of living.

Members' contributions for these benefits are 11 percent for Members of the House of Commons and 7 percent for Senators. The Government contributions are made monthly to provide for the cost of the benefits that have accrued in respect of that month at a rate determined by the President of the Treasury Board. The Government contributions expressed as a multiple of Members' contributions, are as follows:

| _                                    | 1994 | 1993 |
|--------------------------------------|------|------|
| Members of Parliament                |      |      |
| House of Commons                     |      |      |
| Retirement allowances account        | 2.48 | 2.44 |
| Retirement compensation arrangements | 7.83 | 7.73 |
| The Senate                           |      |      |
| Retirement allowances account        | 1.62 | 1.50 |
| Retirement compensation arrangements | 2.79 | 2.66 |

Contributions are credited to the appropriate superannuation accounts. The accounts earn interest at a rate of 2.5 percent per quarter.

Pension plan for federally appointed judges

This plan provides fully-indexed annuities to judges and to all eligible survivors providing they meet minimum age and service requirements. Unlike other pension plans, the judges' plan lacks an explicit accrual rate for benefits instead, the full benefit amount is generally payable when the member reaches age 65 and completed 15 years of pensionable service.

Judges appointed to the bench before February 17, 1975 make required contributions of 1.5 percent of salary. All other judges make contributions of 7 percent of salary. No specified purpose account is maintained for this pension plan. Benefits are included in the Statement of Revenue and Expenditure as a component of other transfer payments.

#### ii. Actuarial valuations

As required under the *Public Pensions Reporting Act*, actuarial valuations are performed triennially on the five major pension plans using the projected benefit method pro-rated on services.

The most recent review date for the actuarial valuation of each pension plan is as follows:

Public Service—December 31, 1992;

Canadian Forces—December 31, 1990;

Royal Canadian Mounted Police—December 31, 1992;

Federally appointed judges—December 31, 1991;

Members of Parliament—December 31, 1991.

As at March 31, 1994, the actuarial valuation reports for the Public Service and the Royal Canadian Mounted Police pension plans were not tabled before Parliament.

In accordance with the legislation governing the major pension plans, the President of the Treasury Board has the authority to direct that any actuarial deficiency found will be divided into equal instalments and credited to the appropriate account over a period not exceeding fifteen years commencing in the year in which the actuarial report is laid before Parliament. In the current year, no actuarial deficit was credited to the appropriate accounts.

Table 7.4 presents a summary of the balances and transactions for the pension liability. Receipts and other credits for the superannuation accounts consist of contributions from employees, related contributions from the Government and participating

Public Service corporations, transfers from other pension funds, other contributions related to actuarial liability adjustments for basic pension accounts and interest. Payments and other charges for the superannuation accounts consist of annuities payments for pensions, minimum benefits, cash termination allowances (lump sum payments to employees suffering a disability), refunds of contributions, and transfers to other plans. Adjustments to the allowance account result from annual actuarial valuations performed for accounting purposes.

Table 7.5 presents a summary of transactions in the superannuation accounts that resulted in charges to budgetary expenditure.

# Members of Parliament Retiring Allowances Account

This account was established by the *Members of Parliament Retiring Allowances Act*, to provide pension benefits to eligible Members of Parliament who contributed to the plan. "Member" means a Member of the Senate or the House of Commons. Benefits are also available to the surviving spouse and/or dependent children of Members who served on or after April 9, 1963 and contributed under the Act.

### **Supplementary Retirement Benefits Account**

This account was established by the Supplementary Retirement Benefits Act, to provide for pension benefits increases resulting from changes in the Consumer Price Index.

The Account continues to provide for the payments of increased pension benefits resulting from indexation for pensions of life senators, federally appointed judges, and recipients of pensions under various Continuation Acts and other Acts.

<sup>(1)</sup> Includes all federally appointed judges, lieutenant governors and diplomatic services.

# Allowance for the Actuarial Liability for Pensions

This account records the accumulated amortization of any shortfall or excess of the superannuation accounts over the pension liability.

As a result of the annual actuarial valuations for accounting purposes, the pension liability was found to be \$13,640 million lower than the balance of the superannuation accounts.

Estimation adjustments of \$1,435 million (\$1,200 million in 1993) due to experience gains and losses and change in actuarial assumptions were amortized to this account and reduced the expenditures of the year. The unamortized estimation adjustments of \$14,200 million (\$12,400 million in 1993) will be amortized to the provision and will reduce expenditures of future years.

The following table provides details of this allowance at March 31:

|  | (in millions of dollars |       |
|--|-------------------------|-------|
|  | 1994                    | 1993  |
| Allowance, beginning of year                 | 2,000                   | 3,200 |
| Less: amortization of estimation adjustments | 1,435                   | 1,200 |
| Allowance, end of year                       | 565                     | 2,000 |

# **Government Annuities Account**

This account was established by the Government Annuities Act, and modified by the Government Annuities Improvement Act, which discontinued sales of annuities in 1975. The account is valued on an actuarial basis each year, with the deficit or surplus charged or credited to the Consolidated Revenue Fund.

The purpose of the Government Annuities Act was to assist Canadians to provide for their later years, by the purchase of Government annuities. The Government Annuities Improvement Act increased the rate of return and flexibility of Government annuity contracts.

Receipts and other credits consist of premiums received, funds reclaimed from the Consolidated Revenue Fund for previously untraceable annuitants, earned interest and items transferred from previous years' revenue to cover the actuarial deficit. Payments and other charges represent matured annuities, the commuted value of death benefits, premium refunds and withdrawals, and actuarial surpluses and unclaimed items transferred to non-tax revenue. The amounts of unclaimed annuities, related to untraceable annuitants, are transferred to non-tax revenue.

During the year, debts totalling \$9,802 related to overpayments, were written off pursuant to Employment and Immigration Vote 6b, Appropriation Act No.3, 1993-94.

# **Deposit and Trust Accounts**

Deposit and trust accounts is a group of liabilities representing the Government's financial obligations in its role as administrator of certain moneys that it has received or collected for specified purposes and that it will pay out accordingly. To the extent that the funds received are represented by securities, these are deducted from the corresponding accounts to show the Government's net liability.

Table 7.12 presents a summary of the balances and transactions in deposit and trust accounts.

TABLE 7.12

<sup>(1)</sup> Additional information on consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

# **Canadian Dairy Commission account**

The Canadian Dairy Commission is a Crown corporation listed in Part I of Schedule III of the *Financial Administration Act*, and uses the Consolidated Revenue Fund for banking purposes. This account was established by section 15 of the *Canadian Dairy Commission Act*, to record the Government's liability to the Commission.

### Guarantee deposits-Agriculture

This account was established to record bonds deposited as guarantees required by the *Canada Agricultural Products Act* and the Licensing and Arbitration Regulations.

# Deposit account—Canadian Museum of Civilization

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys received by the Canadian Museum of Civilization by way of gift, bequest or otherwise, interest on securities, rent or sales of any real property acquired by the Corporation by way of gift, bequest or otherwise, in accordance with section 9(1)(1) of the Museums Act. The account is charged with amounts to be expended for the purpose for which such money or property were given, bequeathed or otherwise made available to the Corporation.

During the year, this account was closed.

# Payroll account

The Canadian Museum of Civilization is a Crown corporation listed in Part I of Schedule III of the Financial Administration Act

This account recorded the Government's liability to the Corporation.

During the year, this account was closed.

### Deposit account—Canadian Museum of Nature

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys received by the Canadian Museum of Nature by way of gift, bequest or otherwise, interest on securities, rent or sales of any real property acquired by the Corporation by way of gift, bequest or otherwise, in accordance with section 12(s) of the Museums Act. The account was charged with amounts to be expended for the purpose for which such money or property were given, bequeathed or otherwise made available to the Corporation.

During the year, this account was closed.

# Guarantee deposits—Oil and gas—Energy, Mines and Resources

This account was established pursuant to section 21 of the Financial Administration Act, to record securities in the form of cash, promissory notes, and bonds which are required to be issued to, and held by the Government of Canada pursuant to an Exploration Licence in accordance with section 24 of the Canada Petroleum Resources Act. These securities are a performance guarantee that the agreed exploration will be performed in the manner and time frame specified. Interest is not paid on these deposits.

#### Fairs and missions

This account was established pursuant to section 21 of the *Financial Administration Act*, to record deposits which may be refunded, in part or in total, in accordance with contractual agreements concerning the participation of Canadian sector enterprises at international trade fairs.

# Canadair Limited—Canada Development Investment Corporation

This account was established pursuant to section 129(1) of the Financial Administration Act. This special purpose money is to be used to meet costs incurred on the sale of Canadair and demand for payment by Bombardier pursuant to the acquisition agreement and costs incurred by the Canada Development Investment Corporation in connection with the sale of the shares of Canadair.

### Crown corporations' surplus moneys

These accounts were established pursuant to section 129(1) of the *Financial Administration Act*, to record moneys received from Crown corporations as directed by the Minister of Finance with the concurrence of the appropriate Minister. Interest can be paid in accordance with and at rates fixed by the Minister of Finance with the approval of the Governor in Council.

### Field British Columbia and Yukon Operations of the Northern Canada Power Commission

This account was established pursuant to section 21 of the *Financial Administration Act*, to record amounts deposited by the Northern Canada Power Commission to reimburse liabilities pertaining to Field British Columbia and Yukon Operations of the Northern Canada Power Commission.

# Guarantee deposits—Indian Affairs and Northern Development

This account was established pursuant to section 21 of the Financial Administration Act, to record cash and securities deposited as guarantees for oil, mineral and timber rights and licences, pursuant to section 8 of the Arctic Waters Pollution Prevention Act, section 13(3) of the Northern Inland Waters Act and various regulations under the Territorial Lands Act. Interest is not allowed on cash deposits.

# Guarantee deposits—Oil and gas—Indian Affairs and Northern Development

This account was established pursuant to section 21 of the Financial Administration Act, to record securities in the form of cash, promissory notes, letters of credit and letters of guarantee which are required to be issued to, and held by the Government of Canada pursuant to a signed Exploration Agreement in accordance with section 74 of the Canada Petroleum Resources Act. These securities are a performance guarantee that the agreed exploration will be performed in the manner and time frame specified. Interest is not paid on these deposits.

### Guarantee deposits—Reserve resources

This account was established pursuant to section 21 of the Financial Administration Act, to record cash and bond security deposits with respect to Indian reserve licences and contracts for the development of resources, in accordance with the various regulations made under section 57 of the Indian Act.

# Security for costs-Supreme Court of Canada

This account was established pursuant to section 21 of the Financial Administration Act, to record security to the value of \$500 deposited by the Appellant with the Registrar of the Supreme Court of Canada in accordance with section 60(1)(b) of the Supreme Court Act. As per section 66 of the Rules of the Supreme Court of Canada, interest is paid on money deposited as security.

# Security for costs—Tax Court of Canada

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys paid into the Federal Court of Canada, pursuant to an order of the Court, rules of the Court or statutes, to be held in trust pending payment of such moneys, in accordance with a judgement of the Court.

### Guarantee deposits-Customs and Excise

This account was established pursuant to section 21 of the Financial Administration Act, to record cash and securities required to guarantee payment of customs duties and excise taxes on imported goods, and of sales and excise taxes payable by licensees pursuant to the Customs Act and the Excise Tax Act.

### Temporary deposits received from importers

This account was established pursuant to section 21 of the *Financial Administration Act*, to record temporary security deposits received from importers to ensure compliance with various departmental (Customs and Excise) regulations regarding temporary entry of goods.

### Candidates' election deposits

This account was established pursuant to section 21 of the *Financial Administration Act*, to record candidates' election deposits, received in respect of a general election or by-election, less amounts refunded to candidates, or transfered to non-tax revenue, pursuant to the *Canada Election Act*.

During the year, \$731,500 was transferred to non-tax revenue.

### General security deposits

This account was established pursuant to section 21 of the *Financial Administration Act*, to receive general security deposits from transportation companies in accordance with section 92(1) of the *Immigration Act*.

### Immigration guarantee fund

This account was established by sections 18, 23, 92 and 103 of the *Immigration Act*, to record amounts collected and held pending final disposition, either by refund to the original depositor, or forfeiture to the Crown.

### Contractors' security deposits

This account was established pursuant to section 21 of the *Financial Administration Act*, to record contractors' securities that are required for the satisfactory performance of work in accordance with the Government Contracts Regulations.

# Seized property—Cash

This account was established pursuant to the Seized Property Management Act to record cash forfeited which is required to be held by the Minister of Supply and Services until disbursement.

# Queens Quay West Land Corporation capital account

This account was established pursuant to section 21 of the Financial Administration Act, to record funds received from and held for Queens Quay West Land Corporation (formely Harbourfront Corporation) regarding moneys derived from the capitalized leasing, sale or resale of lands or development rights.

### Halifax 1917 explosion pension account

This account was established by section 5(1) of the *Halifax Relief Commission Pension Continuation Act*, to provide for the continuation of pensions, grants and allowances following the dissolution of the Halifax Relief Commission.

#### Indian band funds

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys belonging to Indian bands throughout Canada pursuant to sections 61 to 69 of the Indian Act.

#### Indian estate accounts

These accounts were established pursuant to section 21 of the *Financial Administration Act*, to record the estates of deceased Indians, minor Indian children who have guardians, or mentally incompetent Indians pursuant to sections 42 to 51 of the *Indian Act*.

### Indian savings accounts

These accounts were established pursuant to section 21 of the *Financial Administration Act*, to record the savings accounts maintained for individual Indians pursuant to section 52 of the *Indian Act*.

### Estates—Armed services

This account was established pursuant to section 21 of the Financial Administration Act, to record the service estates of deceased members of the Canadian Forces pursuant to section 42 of the National Defence Act. Net assets of estates are distributed to legal heirs under the administration of the Judge Advocate General, in his capacity as Director of Estates.

### Meritorious graduate awards

This account was established pursuant to section 21 of the *Financial Administration Act*, to record a donation of \$11,000 to be used for the presentation of meritorious awards to graduating employees.

#### Scholastic awards

This account was established pursuant to section 21 of the *Financial Administration Act*, to record a donation of \$15,000 to be used for the presentation of scholarship awards to children of employees of the Canadian Security Intelligence Service to encourage university studies.

### Inmates' trust fund

Pursuant to section 111 of the Corrections and Conditional Release Regulations, this account is credited with moneys received from inmates at the time of incarceration, net earnings of inmates from employment inside institutions, moneys received for inmates while in custody, moneys received from sales of hobbycraft, money earned through work while on day parole, and interest. Payments to assist in the reformation and rehabilitation of inmates are charged to this account.

#### Benefit trust fund

This account was established by section 23 of the *Royal Canadian Mounted Police Act*, to record moneys received by personnel of the Royal Canadian Mounted Police, in connection with the performance of duties, over and above their pay and allowances.

#### Administered trust accounts

Pursuant to section 41 of the *Pension Act* and section 15 of the *War Veterans Allowance Act*, these accounts are under the jurisdiction of the Canadian Pension Commission and the Department of Veterans Affairs. Moneys held in these accounts include: (a) pensions placed under the administration of the Canadian Pension Commission; (b) war veterans and civilian war allowances placed under the administration of the Department of Veterans Affairs; and, (c) benefits from other sources such as Old Age Security, Guaranteed Income Supplement or Canada Pension Plan, placed under administration with the consent of the client. These persons have demonstrated the inability to manage their own affairs.

Payments are made out of the accounts, to provide food, shelter, clothing, comforts and other necessities.

#### Estates fund

This account was established pursuant to section 21 of the *Financial Administration Act*, to record the proceeds from the estates of those veterans who died while receiving hospital treatment or institutional care, and for those veterans whose funds had been administered by the Government, in accordance with sections 5, 6 and 7 of the Veterans' Estates Regulations. Individual accounts are maintained and payments are made to beneficiaries pursuant to the Payments to Estates Regulations.

#### Veterans administration and welfare trust fund

This account was established pursuant to section 21 of the Financial Administration Act, to record the following moneys: (a) donations, legacies, gifts, bequests, etc, received, to be disbursed for the benefit of veterans or their dependents under certain conditions, and for the benefit of patients in institutions, in accordance with section 9 of the Guardianship of Veterans' Property Regulations; and, (b) donations, legacies, gifts, bequests, etc, received by the Canadian Pension Commission, to be disbursed for the use of pensioners or dependents in distressed circumstances.

# **Provincial Tax Collection Agreements Account**

This account records income taxes collected by the Government of Canada on behalf of provinces and territories participating in the joint-collection provision of the Federal-Provincial Fiscal Arrangements Act, and related payments made to them.

Under the Federal-Provincial Fiscal Arrangements Act, the Government of Canada is empowered to enter into agreements with provincial and territorial governments, to collect income taxes on their behalf, and to make payments to them with respect to such taxes.

The Government of Canada entered into agreements with provinces and territories (Quebec excepted), to collect individual income tax, and, with provinces and territories (Ontario and Quebec excepted), to collect corporation income tax, and, to pay in equal monthly instalments to such provinces and territories, the estimated revenue to be produced by the respective provincial and territorial taxes.

Because the Public Accounts reports information on a April to March fiscal year basis and because tax information is calculated on a calendar year basis, there can be transactions related to three or four tax years during any given fiscal year. For example, during a fiscal year the Minister of Finance makes current payments, based on estimates, for two calendar years (April to December and January to March). During this period, it is also necessary to make payments or adjustments related to final determinations of tax revenues, rebates and credits for the previous two tax years.

Table 7.15 presents detailed information of the transactions, accumulated balances and the net position of the revenues collected and the payments made to the provinces and territories on a tax year basis for both corporation and personal income taxes.

TABLE 7.15
PROVINCIAL TAX COLLECTION AGREEMENTS ACCOUNT

<sup>(1)</sup> Since both the opening and closing balances of the Provincial Tax Collection Agreements Account are in a debit position, such balances have been transferred, for reporting purposes, to loans, investments and advances—Provincial and territorial governments. Further details are provided in Table 6.11 (Section 6 of this volume).

# **Other Specified Purpose Accounts**

There are a number of other specified purpose accounts operated by the Government, such as insurance, death benefit and pension accounts.

Table 7.16 presents a summary of the balances and transactions for all other specified purpose accounts.

**TABLE 7.16**

<sup>(1)</sup> Additional information on consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

#### Civil service insurance fund

This fund was established by the *Civil Service Insurance Act*, to provide life insurance coverage for civil servants who bought policies before 1955-56. The purchase of policies was discontinued in 1954-55, pursuant to section 62(2) of the *Public Service Superannuation Act*.

During the year, receipts and other credits consisted of premiums of \$9,921 and, an amount of \$244,199 (charged to budgetary expenditure) representing an adjustment to bring the balance in the fund into agreement with the actuarial valuation as at March 31, 1993. Payments and other charges consisted of death benefits, \$554,435; cash surrender value, \$15,472; annuities, \$28,028; and premium refunds, \$148.

# Regular forces death benefit account

This account was established by the Canadian Forces Superannuation Act, to provide life insurance to contributing members of the Armed Forces. Receipts and other credits consist of: (a) contributions by participants; (b) Government's contribution paid in respect of participants who, at the time of death, were members of the regular forces, or who were elective regular forces participants, to whom pensions were payable under the Canadian Forces Superannuation Act or the Defence Services Pension Continuation Act; (c) single premiums payable by the Government in respect of regular forces participants who became entitled to a basic benefit of \$5,000 without contribution; and, (d) interest.

Payments and other charges consist of: (a) benefits paid in respect of participants who, at the time of death, were members of the regular forces, or who were elective regular forces participants, to whom pensions were payable under the Canadian Forces Superannuation Act or the Defence Services Pension Continuation Act, upon their retirement from the regular forces; (b) benefits paid in respect of elective regular forces participants, to whom pensions were not payable under the Canadian Forces Superannuation Act or the Defence Services Pension Continuation Act, upon their retirement from the regular forces; and, (c) the portion of benefit payable for which a single premium has been paid by the Government.

### Returned soldiers' insurance fund

This fund was established by the Returned Soldiers' Insurance Act, to provide life insurance to contributing veterans of World War I. The account is credited with premiums and is charged with disbursements for death benefits and cash surrender values. The account is actuarially maintained and an actuarial adjustment as at March 31, 1993 of \$623 was charged to the account during the year and was credited to budgetary revenue. The final date on which application for this insurance could have been received, was August 31, 1933.

### Veterans insurance fund

This fund was established by the *Veterans' Insurance Act*, to provide life insurance to contributing veterans of World War II. The account is credited with premiums and is charged with disbursements for death benefits and cash surrender values. The account is actuarially maintained and an actuarial liability adjustment as at March 31, 1993 of \$371,934 was credited to the account during the year and was charged to budgetary expenditure. The final date on which application for this insurance could have been received, was October 31, 1968.

### Annuities agents' pension account

This account was established by Vote 181, Appropriation Act No. 1, 1961, to provide pension benefits to former eligible Government employees who were engaged in selling Government annuities to the public.

# Dependants' pension fund

This fund which pertains to Part IV of the Royal Canadian Mounted Police Pension Continuation Act, provides pension benefits to certain widows and other dependants of contributing members of the Royal Canadian Mounted Police. The fund is credited with a 5 percent contribution from the pay of members of the Force (other than commissioned officers) who are subject to the Pension Continuation Act. There are no longer any active members amongst the contributors.

### Locally-engaged contributory pension account

This account, which pertains to Part II of the Locally-Engaged Pension Regulations, provides pension benefits to locally-employed Government employees who contributed to the plan. The account is credited with contributions from locally-engaged employees, and charged with the subsequent payment of benefits.

Treasury Board approved the closure of the plan to new entrants effective December 31, 1988. There are now fewer than fifty members contributing to the plan.

### Agriculture development workshops

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys received from "Agence de coopération culturelle et technique" from Paris, France in accordance with an agreement dated June 15, 1990. These funds will be used to defray the training costs and living expenses of third world members during their stay at the Food Research and Development Centre in St-Hyacinthe, Quebec.

# Canada/British Columbia agri-food development projects

This account was established pursuant to section 21 of the Financial Administration Act, to record advance payments from the government of British Columbia for their share of costs incurred under the Soil Conservation Agreement and the Green Plan for Agriculture. Various research projects will be carried out. Money is paid out of the account as eligible billing costs are received.

# Canada/Manitoba partnership agreement on municipal water infrastructure for rural economic diversification

This account was established pursuant to section 21 of the Financial Administration Act, to record advance payments received from the government of Manitoba and participating cities/towns for their share of the costs incurred under various projects. The projects involve making improvements to the water supply and waste treatment and disposal infrastructures of rural communities while preserving environmental quality. Money is paid out of the account as eligible billing costs are received.

#### Net Income Stabilization Account

This account was established by section 15 of the Farm Income Protection Act, to record funds received from producers and federal and provincial governments and includes: (a) individual contributions up to 2 percent of eligible net sales (maximum \$250,000 limiting the matching deposit of a producer to \$5,000 annually and the non-matchable deposit to \$50,000 annually); (b) government contributions, split equally between federal and provincial governments, matching the 2 percent individual contributions; (c) additional individual contributions up to 20 percent of eligible net sales (maximum \$250,000 limiting the matching deposit of a producer to \$5,000 annually and the non-matchable deposit to \$50,000 annually) which are not matchable by governments; (d) interest on the amount standing to the credit of the Account at rates and in accordance with terms and conditions determined by the Minister of Finance; and, (e) interest bonus of 3 percent per annum, split equally between federal and provincial governments, calculated on individual contributions.

The producer is entitled to make annual account withdrawal up to the amount allowed by either of two triggers: a stabilization trigger and a minimum income trigger. The method producing the largest amount will provide an upper limit for the withdrawal.

# Shared-cost agreements—Research—Agriculture

This account was established pursuant to section 21 of the *Financial Administration Act*, to record amounts deposited by external parties for shared-cost research projects. Moneys are disbursed on behalf of depositors as specific projects are undertaken.

# Shared-cost agreements—Conferences and training

This account was established pursuant to section 21 of the Financial Administration Act, to record monies received from other governments and organizations for shared-cost agreements. Monies are disbursed on behalf of depositors as specific training is undertaken or conferences held.

### Shared-cost/joint project agreements

This account was established pursuant to section 21 of the Financial Administration Act, to record monies received from other governments and organizations in order to cover expenditures incurred under various shared-cost/joint project agreements.

### Forks sculpture contest account

This account was established pursuant to section 21 of the *Financial Administration Act*, for the purpose of accepting donations from corporations and other donors to sponsor a sculpture competition for the opening of the Forks National Historic Park in Winnipeg, Manitoba.

# Mackenzie King trust account

The late The Right Hon W L Mackenzie King bequeathed Laurier House, Ottawa, and the sum of \$225,000, to the Government of Canada. The amount of \$225,000 was credited to the account. Interest computed, in accordance with the terms of section 3 of the Laurier House Act, is to be credited to the account at the end of each year, and charged to interest on public debt. The interest is to be used to assist in the maintenance of the Laurier House, which is to be preserved as a place of historic interest, and also to provide accommodation for study and research.

# Miscellaneous projects deposits—Environment (Parks Program)

This account was established pursuant to section 21 of the *Financial Administration Act*, to record contributions received from organizations and individuals, for the furtherance of research work.

# Advance account—Canadian Film Development Corporation

This account was established pursuant to section 21 of the *Financial Administration Act*, to reserve for use in future years moneys generated by projects funded by Telefilm Canada, and which, due to timing, remained unreinvested at year end.

### Canadian jobs strategy program

The Canadian jobs strategy program is jointly funded by the federal and provincial governments.

This account records advance payments made by provinces against their share of the cost of projects, and held in trust pending disbursements to project sponsors.

The debit balance in this account is the result of a processing error and will be cleared in the new fiscal year.

# ${\bf Summer\ employment--Experience\ development\ program}$

The summer employment—Experience development program is jointly funded by the federal and provincial governments.

This account was established pursuant to section 21 of the *Financial Administration Act*, to record advance payments made by provinces against their share of the cost of projects, and held in trust pending disbursements to project sponsors.

The debit balance in this account is the result of a processing error and will be cleared in the new fiscal year.

#### Fair wages suspense account

This account is operated under the authority of section 13 of the Fair Wages and Hours of Labour Regulations. Where an investigation in respect of a contract on Government works results in an award of wages, the amount received from the contractor is credited to this account, and is subsequently distributed to employees.

The account also records amounts received from departments and agencies, representing wages in respect of contracts, withheld from final payment to contractors.

### Labour standards suspense account

This account is operated under the authority of the Canada Labour Code, Part III, section 251, and the Canada Labour Standards Regulations section 23.

The account records:

- (a) funds received from employers as a result of assessments made by inspectors regarding underpayments of minimum wages, overtime, vacation pay, holiday pay, termination, severance or bereavement pay. The assessments are payable either directly to the employee, or to the Minister of Employment and Immigration (Labour) who is required to transmit the payment to the employee;
- (b) payments received from employers who are in arrears in paying their employees. Such amounts are repaid to employees; and,
- (c) wages received by the Minister of Employment and Immigration (Labour) from employers who cannot locate employees. Efforts are then made to locate employees.

# Atomic Energy of Canada Limited regional seismic monitoring station

This account was established pursuant to section 21 of the *Financial Administration Act*, to record funds received from Atomic Energy of Canada Limited, to accommodate the costsharing of expenses required to operate a network of regional seismic monitoring stations in the provinces of Ontario and Alberta.

### Continental geoscience division—Ontario Hydro

This account was established pursuant to section 21 of the Financial Administration Act, to facilitate a cost sharing agreement between Energy, Mines and Resources and Ontario Hydro to acquire, compile, process and interpret seismic reflection data recorded in Lake Ontario, Lake Erie, and Lake Huron.

# International Energy Agency—Implementing agreement

This account was established pursuant to section 21 of the Financial Administration Act, to record funds for the cost-sharing of expenses between Canada, the United States, Japan, Sweden and Italy in respect to the International Energy Agency Implementing Agreement for a programme of research, development and demonstration on alcohol and alcohol blends as motor fuels.

### Market development incentive payments-Alberta

This account records moneys received from the Government of Alberta, to encourage the expansion of natural gas markets in Alberta and provinces to the East, in accordance with an agreement between the Government of Canada and the Government of Alberta dated September 1, 1981 and pursuant to section 39 of the *Energy Administration Act*. The original term of the agreement was from November 1, 1981 to January 31, 1987. As a result of the Western Accord of March 25, 1985, payments from the Government of Alberta terminated as at April 30, 1986, however, payments are being made from the account for the Natural Gas Vehicle Conversion and Natural Gas Fuelling Station Programs.

# NYSERDA—Diesel technology Research and Development

This account was established pursuant to section 21 of the Financial Administration Act, to administer an advance payment from the New York State Energy Research and Development Authority (NYSERDA) with respect to demonstrating methanol diesel technology in the operation of transit buses. The advance was a condition of an agreement between the Department of Energy, Mines and Resources and NYSERDA.

During the year, this account was closed.

# Ocean Drilling Program—Australia

This account was established pursuant to section 21 of the Financial Administration Act, to deposit funds received from the government of Australia for the Ocean Drilling Program. The funds will subsequently be remitted to the National Science Foundation, Washington, D.C. together with Canada's share of Program costs.

# Shared-cost agreements—Research—Energy, Mines and Resources

This account was established pursuant to section 21 of the *Financial Administration Act*, to facilitate the retention and disbursement of moneys received from private industries, and other governments for joint projects or shared-cost research agreements.

# Shared-cost projects—Energy, Mines and Resources

This account was established pursuant to section 21 of the *Financial Administration Act*, to facilitate the retention and disbursement of moneys received from private organizations and other governments for cost-sharing scientific projects.

### Miscellaneous projects deposits—Forestry

This account was established pursuant to section 21 of the *Financial Administration Act*, to record contributions received from organizations and individuals for the furtherance of forestry research work.

# Miscellaneous projects deposits-Environment

This account was established pursuant to section 21 of the Financial Administration Act, to record contributions received from organizations and individuals, for the furtherance of research work.

# Public participation funding program

This account was established pursuant to section 21 of the *Financial Administration Act*, to record deposits received from provinces, territories or private organizations to provide funds to assist public participation in the federal environment assessment and review process.

### Canada Foundation account

This account was established by Vote 6g, Appropriation Act No. 2, 1967, to record moneys received in connection with the Civilian Relief Agreement of 1950, and the Cultural Agreement of 1954 between Canada and Italy, and disbursements for the purposes of the said agreements.

### Financial assistance to Canadians abroad

This account was established pursuant to section 21 of the Financial Administration Act, to record monies received from families or friends as prepayment for financial assistance to distressed Canadians abroad.

### Funds from non-governmental organizations

This account was established pursuant to section 21 of the *Financial Administration Act*, to record monies received as prepayment for services to be performed by the Department of External Affairs on behalf of third parties.

### Paris air show

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys received from the private sector. These funds are used to help defray the costs of the Canadian Pavilion activities during the bi-annual Paris air show held in Paris, France.

# Shared-cost projects—External Affairs

This account was established pursuant to section 21 of the *Financial Administration Act*, to record monies received from organizations outside the Government of Canada accounting entity for shared-costs projects.

# Canadian Institute for International Peace and Security—Other outstanding liabilities

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys received at the dissolution of the Canadian Institute for International Peace and Security which are used to pay any liabilities of the Corporation.

# Guarantee deposits—Canadian International Development Agency

This account was established pursuant to section 21 of the *Financial Administration Act*, to record cheques for insurance claims related to damages to "in transit" goods being shipped to the country specified in the loan agreement, pending the decision of the country on the use of these moneys, to reduce the loan balance or to purchase replacement goods.

During the year, this account was closed.

# Shared-cost projects—International conferences

This account was established pursuant to section 21 of the *Financial Administration Act*, to record deposits received and payments made in accordance with authorities for shared-cost projects concerning International Conference Agreements.

### Virtual Elimination Task Force (V.E.T.F.)— Economic Subgroup

This account was established pursuant to section 21 of the *Financial Administration Act*, to record deposits received from organizations sharing in the costs of a project to design a program for using economic instruments as a means of achieving virtual elimination of the input of mercury and chlorinated organics to waters of the Great Lake Basin Ecosystem.

### Common school funds-Ontario and Quebec

This account was established under 12 Victoria 1849, Chapter 200, to record the proceeds from the sale of lands set apart for the support and maintenance of common schools in Upper and Lower Canada, now Ontario and Quebec. Interest of \$133,888, apportioned on the basis of population, is paid directly to these provinces on a semi-annual basis, at the rate of 5 percent per annum, and is charged to interest on public debt.

### Foreign claims fund

This account was established by Vote 22a, Appropriation Act No. 9, 1966, to record: (a) such part of the money received from the Custodian of Enemy Property, proceeds of the sale of property and the earnings of property, and, (b) all amounts received from governments of other countries pursuant to agreements entered into after April 1, 1966 relating to the settlement of Canadian claims, and also records payment of claims submitted, including payment of the expenses incurred in investigating and reporting on such claims.

#### War claims fund-World War II

This account was established by Vote 696, Appropriation Act No. 4, 1952, to record moneys received from the Custodian of Enemy Property or from other sources, and payments: (a) to eligible claimants for compensation in respect of World War II; (b) of a supplementary award amounting to 50 percent of the original award (PC 1958-1467, October 23, 1958); and, (c) of expenses incurred in investigating and reporting on claims.

A War Claims Commission was established to enquire into and report on claims made by Canadians arising out of World War II for which compensation may be paid from this or any other fund established for the purpose. The expenses of the Commission are chargeable hereto.

# Federal/provincial cost-sharing agreements

This account was established pursuant to section 21 of the *Financial Administration Act*, to record the deposit of moneys received from the provinces for cost-shared programs according to official signed agreements.

# Miscellaneous projects deposits—Fisheries and Oceans

This account was established pursuant to section 21 of the *Financial Administration Act*, to record contributions received from organizations and individuals, for the furtherance of research work.

#### Sales of seized assets

The account is established under section 21 (1) of the Financial Administration Act, to record the proceeds of the sale of seized items by the Department of Fisheries and Oceans from a person contravening the Fisheries Act. Monies so received are held in the Consolidated Revenue Fund pending final resolution of the case by the Minister of Fisheries and Oceans or the courts.

### Fines-Indian Act

Fines collected under sections 85.1 and 104 of the *Indian Act*, in connection with liquor prosecutions, and band bylaws, are credited to this account. Expenditures cover certain costs incurred in the suppression of the liquor traffic among the Indians of Canada.

# Indian agencies revenue trust bank accounts

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys held for Indians in authorized banks across Canada. These moneys include such items as deceased estates, deposits and payments on leases held for individual Indians, and those to be split between individual Indians and Indian bands.

#### Indian hand funds—Shares and certificates

This account was established by section 61 of the *Indian Act*, to record the historical value of Transalta Utilities Ltd shares of stock as compensation for a power line right-of-way on the Blood Indian reserve. These shares are held in the name of the Receiver General for Canada for the credit of the Blood Indian Band. Any dividends received are credited to the revenue account of the Blood Indian Band.

# Indian compensation funds

Pursuant to sections 35 and 61 of the *Indian Act*, moneys received from the sale of Indian lands and easement compensation, where the title has not been cleared nor the land survey completed, are recorded in this account pending completion of documentation.

#### Indian moneys suspense account

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys held for individuals and bands, received from royalties, timber dues, rentals and leases of Indian lands, such as agricultural leases, easements, oil and gas leases, permits and royalties and timber dues agreements, etc, pending proper documentation.

### Indian special accounts

Pursuant to section 52 of the *Indian Act* and section 21 of the *Financial Administration Act*, these Indian special accounts represent a number of non-interest bearing accounts which are maintained for specific purposes and include the following:

- (a) Absent or missing heirs—Assets in an estate to which a missing heir might be entitled are held in this account for a period of seven years, after which time, if the heirs are not located, the assets are distributed to other persons according to entitlement.
- (b) Abitibi fur reserve—This account records moneys received from the sale of pelts trapped on reserves in the Abitibi District in Quebec, to defer charges for tallymen's wages, freight costs, etc.
- (c) Abitibi fishery—This account records charges for the operation of the Abitibi sturgeon fish catching project.

# 1924 Ontario lands agreement

This account was established pursuant to section 21 of the Financial Administration Act, to record the Province of Ontario's share of the receipts from mineral activity on Indian reserves in accordance with the terms of the 1924 Ontario lands agreement. Payment of these funds to Indian bands is awaiting the reaching of an agreement between the Bands entitled to the funds and the Provincial government.

### Treaty Land Entitlement (Saskatchewan) Fund

This account was established pursuant to section 21 of the Financial Administration Act, to record contributions and payments pertaining to settling of Saskatchewan Indian Nation's land claims. Interest credited on the Province of Saskatchewan deposits was charged to public debt while interest on federal contribution was charged to the expenditure of the Department of Indian Affairs and Northern Development.

# Miscellaneous shared-cost agreements—Industry, Science and Technology

This account was established pursuant to section 21 of the *Financial Administration Act*, to record amounts deposited by external parties for shared-cost projects. Moneys are disbursed on behalf of depositors as specific projects are undertaken.

#### **Income from Patent Cooperation Treaty**

This account was established pursuant to section 21 of the Financial Administration Act, and section 12(3) of the Patent Cooperation Treaty Regulations under the Patent Rules, to record the receipt and disposition of the various fees relating to applications for an international patent, in accordance with Rules 14, 15, 16 and 16<sup>bis</sup> of the Regulations under the Income from Patent Cooperation Treaty.

# Income from securities in trust—Bankruptcy and Insolvency Act

This account was established by sections 78, 84, 154 and 194 of the *Bankruptcy and Insolvency Act*, to record dividends paid on stocks originally held by a bankrupt stockbroker but subsequently sold to clients. As the stocks were not registered in the clients' names, the dividends must be paid to the last registered owner, in this case, the stockbroker. The dividends are forwarded to the Superintendent of Bankruptcy for safekeeping.

### Securities in trust—Bankruptcy and Insolvency Act

This account was established by section 67 of the Bankruptcy and Insolvency Act, to record the value of securities originally held by a bankrupt stockbroker, on behalf of clients who have not been located.

# Unclaimed dividends and undistributed assets—Bankruptcy and Insolvency Act

This account represents amounts credited to the Receiver General in accordance with the provisions of section 154 of the *Bankruptcy and Insolvency Act*, pending distribution to creditors.

# **Unclaimed dividends and undistributed assets—Canada Business Corporations Act**

This account was established in accordance with sections 227 and 228 of the *Canada Business Corporations Act*, for the purpose of recording liabilities to creditors and shareholders who have not been located. The account is charged when funds are paid to them.

# Unclaimed dividends and undistributed assets—Winding-up Act

This account records amounts credited to the Receiver General, in accordance with sections 138 and 139 of the Winding-up Act, pending distribution.

# Queen's Fellowship fund—Social Sciences and Humanities Research Council

This fund is an endowment of \$250,000 that was established by Vote 45a, Appropriation Act No. 5, 1973-74. The income is used for the payment of scholarships to graduate students in certain fields of Canadian studies.

# Trust fund—Social Sciences and Humanities Research Council

This account was established pursuant to section 21 of the *Financial Administration Act*, to record receipts and disbursements of funds available for social sciences and humanities research activities. The account is also used to record receipts of private donations and disbursements for the purpose of special projects.

#### Radarsat

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys received for both cost-sharing and advance payments for Radarsat scenes.

# Special fund—National Research Council of Canada

This account was established by the *National Research Council Act*, to record revenue received by the National Research Council of Canada in the amount of \$29,018,254, derived from laboratory fees, \$11,900,651; capital, \$2,350,000; information services, \$4,078,484; sales of publications, \$6,536,737; and, miscellaneous receipts, \$4,152,382. An amount of \$29,018,254 was charged hereto, of which an amount of \$26,668,254 was credited to National Research Council Vote 50, and \$2,350,000 to National Research Council Vote 55, to offset expenditures.

### Trust fund-National Research Council of Canada

This account was established by the *National Research Council Act*, to record funds received from other governments and organizations outside the accounting entity, to cover expenditures made on their behalf.

# Trust fund—Natural Sciences and Engineering Research Council

This account was established by the *Natural Sciences and Engineering Research Council Act (1978)* to record funds received from other governments and organizations, to cover expenditures made on their behalf, and to record this agency's liability to other organizations.

# Advance payments—Statistics Canada

This account was established pursuant to section 21 of the *Financial Administration Act*, to record advance payments received from departments, agencies and others to finance the cost of special statistical services.

### Child support—Shared-cost project

This account was established pursuant to section 21 of the Financial Administration Act, to record funds received from provincial governments and territories in accordance with the agreement respecting the funding of the Federal/Provincial Child Support Guidelines Project.

Upon completion of the project, each province/territory will be reimbursed, on the basis of a prorata share and without interest, for its share of any unspent funds remaining in the account.

# Federal Court special account

This account was established pursuant to section 21 of the Financial Administration Act, to maintain accounts on behalf of litigants before the Court. These accounts record the moneys paid into the Federal Court of Canada, pursuant to an order of the Court, rules of the Court or statutes, to be held in trust pending payment of such moneys, in accordance with a judgment of the Court.

### Foreign governments

These accounts were established pursuant to section 21 of the *Financial Administration Act*, to record funds received from foreign governments, to cover expenditures to be made on their behalf, in accordance with the provisions of agreements with the Government of Canada.

# North Atlantic Treaty Organization (NATO)—Infrastructure projects

These accounts were established pursuant to section 21 of the Financial Administration Act, to record funds received from NATO to cover (a) NATO infrastructure projects implemented by Canada, and, (b) other expenditures to be made on NATO's behalf, in accordance with the terms of an agreement with the Government of Canada

### Non-government agencies

This account was established pursuant to section 21 of the *Financial Administration Act*, to record funds received for expenditures made on behalf of non-government agencies, for which specific accounts have not been established.

# Canadian Sports Pool Corporation—Other outstanding liabilities

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys received at the dissolution of the Canadian Sports Pool Corporation which are to be used to pay any liabilities of the Corporation.

# Miscellaneous federal/provincial projects—National Health and Welfare

This account was established pursuant to section 21 of the *Financial Administration Act*, to record transactions relating to the provinces/territories share of costs incurred under federal/provincial cost-sharing agreements for joint federal/provincial projects in the areas of hospital administration, hospital facilities design and other related health issues.

### Pan American Health Organization (SIREVA)

This account was established pursuant to section 21 of the Financial Administration Act, to enhance the epidemiological and laboratory infrastructure in the regions for the diagnosis and surveillance of S.pneumoniae. At the end of the project, the participating laboratories should have acquired the capability design, conduct and analyze epidemiological field studies, in particular as they relate to defining the nature and magnitude of S.pneumoniae, and the epidemiological surveillance network in the Americas should have been strengthened.

#### Safety evaluation of chemicals

This account was established pursuant to section 21 of the *Financial Administration Act*, to record funds received and payments made to organizations and individuals providing services on behalf of the Scientific Group on Methodologies for the Safety Evaluation of Chemicals in accordance with the specific purposes identified by the Group.

During the year, this account was closed.

### World Health Organization

This account was established pursuant to section 21 of the *Financial Administration Act*, to record funds received from the World Health Organization, for scientific projects.

# Dyskinesia and torticollis research

This account was established by section 5(3) of the *Medical Research Council Act*, to record a bequest of \$75,000 made by an anonymous donor, to establish a fund for research in the fields of dyskinesia and torticollis. The interest received is used for the payment of research grants. Other donations are also credited to this fund.

#### Seized assets—Canadian funds

This account was established pursuant to section 21 of the Financial Administration Act, to record moneys seized during the course of investigations and drug seizures under the Criminal Code of Canada and the Narcotic Control Act. The funds are held pending Court decisions.

### Seized assets-US funds

This account was established pursuant to section 21 of the *Financial Administration Act*, to record moneys seized during the course of investigations and drug seizures under the Criminal Code of Canada and the *Narcotic Control Act*. The funds are held pending Court decisions.

### Interest on bonds-Insurance companies

This account is credited with the proceeds from interest coupons on bonds deposited by insurance companies under the Canadian and British Insurance Companies Act. Debits represent the payment of the same interest to the insurance companies.

# Military purchases excess funds deposit

This account was established by a written agreement between Canada and the United States, to record temporarily unutilized funds paid to the United States Government under contracts for purchases of military equipment. The funds are invested by the Federal Reserve Bank of New York to earn interest for the Government of Canada.

### Petro-Canada Enterprises Inc-Shares

This account was established pursuant to section 21 of the *Financial Administration Act*, to record the liability to shareholders who have not presented their shares for payment.

### Army benevolent fund

Pursuant to section 3 of the Army Benevolent Fund Act, this account was credited with certain canteen profits and other funds from World War II. Interest at the rate of 9.91 percent per annum is credited semi-annually for the period June 29, 1990 to June 28, 1995 on the minimum monthly balances.

Payments are made out of the fund to or for the benefit of World War II veterans or their dependents or the widows, children or other dependents of deceased veterans.

### SUPPLEMENTARY STATEMENTS

# Canada Pension Plan Account and the Canada Pension Plan Investment Fund

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The following financial statements have been prepared by Management of the Department of Human Resources Development in accordance with the accounting policies set out in Note 2 to the financial statements. The integrity and objectivity of the data and the estimates of importance in these financial statements are Management's responsibility. Management is also responsible for all other information in the annual Report on the Administration of the Canada Pension Plan and for ensuring that this information is consistent, where appropriate, with the information and data contained in the financial statements of the Canada Pension Plan Account and the Canada Pension Plan Investment Fund.

In support of its responsibility, Management develops and maintains books of account, financial and management controls, information systems and management practices. These are designed to provide reasonable assurance as to the reliability of financial information, and to ensure that transactions are in accordance with the Canada Pension Plan Act and Regulations.

The Auditor General of Canada, the Canada Pension Plan external auditor, examines the financial statements and reports to the designated Minister of Human Resources Development.

W.E.R. Little
Assistant Deputy Minister
Financial and Administrative Services

Scott Serson for the Deputy Minister

August 1, 1994

#### AUDITOR'S REPORT

TO THE MINISTER DESIGNATE OF HUMAN RESOURCES DEVELOPMENT

I have audited the statement of revenue, expenditures and balance of the Canada Pension Plan Account and the statement of purchases, redemptions and balance of the Canada Pension Plan Investment Fund for the year ended March 31, 1994. These financial statements are the responsibility of the management of the Department of Human Resources Development. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the balances of the Account and the Fund as at March 31, 1994 and the revenue and expenditures of the Account and the purchases and redemptions of the Fund for the year then ended in accordance with the accounting policies set out in Note 2 to the statements.

Raymond Dubois, FCA
Deputy Auditor General
for the Auditor General of Canada

Ottawa, Canada August 1, 1994

### NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1994

### 1. (a) Description and authority

The Canada Pension Plan is a 1965 Act of Parliament, to establish a comprehensive program of old age pensions and supplementary benefits in Canada, payable to, and in respect of, contributors. This compulsory and contributory social insurance program (the Plan) enables members of the labour force to acquire and retain protection for themselves and their families against loss of income due to retirement, disability or death. The Plan applies in all parts of Canada, except for the Province of Quebec which has a comparable plan.

The designated Minister of Human Resources Development is responsible for the administration of the Act other than Part I. The Minister of National Revenue is responsible under Part I for collecting contributions from employers and employees.

Under the existing Canada Pension Plan legislation, benefits and expenditures incurred in the administration of the Plan are financed from the contributions made by employees, employers and self-employed persons and from interest earned on the investment of funds not immediately needed for benefits and administrative costs.

The Canada Pension Plan Account (the Account) was established in the accounts of Canada by section 108.(1) of the Canada Pension Plan (Act) to record the contributions, interest, benefits and administration expenditures of the Plan. The authority to pay benefits under the Plan is limited to the balance of the Account which was \$40,951 million at March 31, 1994.

The Canada Pension Plan Investment Fund (the Fund) was established in the accounts of Canada by section 109.(1) of the Canada Pension Plan (Act) to record the investment in securities of the provinces, territories and Canada.

#### (b) Financing

The Canada Pension Plan is financed on a pay-as-you-go basis except for a contingency reserve, the Investment Fund, which is planned over time, to equal about two years of benefits.

# Canada Pension Plan Account and the Canada Pension Plan Investment Fund—Continued

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1994—Continued

Recognizing the need for higher rates of contributions, the legislation was amended in January 1987 to incorporate a 25-year schedule of contribution rates and a provision for its review every five years by the Minister of Finance and Ministers of the Crown from the included provinces. At each review the rates of the first 20 years are modified, if the Ministers agree, and the schedule is extended for an additional five years. Agreement is required by at least two-thirds of the included provinces having in the aggregate not less than two-thirds of the population of all of the included provinces. If the Ministers do not reach agreement at a five-year review, the five-year extension to the 25-year schedule is automatically set by the formula contained in the regulations.

For the 1994 and 1993 calendar years, the combined employer and employee contribution rates are 5.2 percent and 5.0 percent respectively, subject to maximum combined contributions of \$1,612 and \$1,505. Following their five-year review of the schedule of contribution rates, the Finance ministers agreed on annual increases in the combined employer and employee contribution rates of .20 percent for the calendar years 1992 to 1996 to reach 5.6 percent, .25 percent for calendar years 1997 to 2006 to reach 8.1 percent and .20 percent for calendar years 2007 to 2016 to reach 10.1 percent. The Canada Pension Plan was amended by Bill C-39 to incorporate these changes effective January 21, 1992. The next review of the 25-year schedule of contribution rates is required to take place prior to January 1, 1997.

The Fourteenth Actuarial Report prepared by the Chief Actuary of the Office of the Superintendent of Financial Institutions dated December 1991, projects that the desirable 2:1 ratio of the Canada Pension Plan Account balance the projected annual payments, will be maintained until 2002. This report, which was tabled in Parliament in April 1993, projects that the ratio will gradually decrease to 1.54:1 in 2030 and then gradually increase to re-establish the desirable 2:1 ratio in 2050.

### 2. Accounting policies

All financial transactions affecting the Canada Pension Plan Account and the Canada Pension Plan Investment Fund are governed by the *Canada Pension Plan* (Act) and Regulations.

# (a) Canada Pension Plan Account

Contributions, interest, benefits and administration expenditures are recorded on a cash basis.

Contributions are based on an estimate of the amount to be collected that relates to the year and include adjustments between actual and estimated contributions of prior years.

Administration expenditures are based on an estimate of actual costs incurred during the year and include adjustments between actual and estimated expenditures of prior years.

### (b) Canada Pension Plan Investment Fund

|   | 4,445,506                 | 4,498,886 |  |

All securities are carried at cost.

#### 3. Interest

The weighted-average rate of interest on investment in securities held by the Fund during the year was 11.03 percent (1993—10.90 percent).

### 4. Administration

Expenditures of the Account represent the costs of services charged by the following federal government departments and agency: Human Resources Development Canada (benefit delivery and corporate services, and assignment and maintenance of social insurance numbers); Revenue Canada—Taxation (collection of contributions); Public Works and Government Services Canada (cheque issue, computer services, and accommodation); and the Office of the Superintendent of Financial Institutions (actuarial services).

# Canada Pension Plan Account and the Canada Pension Plan Investment Fund—Concluded

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1994—Concluded

### 5. Benefit delivery and corporate services

These expenditures, charged to the Account by Human Resources Development Canada, include \$14.5 million (1993—\$10.5 million) for the Income Security Programs redesign project. At March 31, 1994, the cumulative charges to the Account for this project amounted to \$30.8 million. The Account's share of the total cost of the project is estimated to be \$126 million. The expected completion date is 1997.

### 6. Investment in securities

Operating balances on deposit with the Receiver General in excess of estimated cash requirements for the following three-month period are available for the purchase of securities of the provinces, territories and Canada. As required by the Canada Pension Plan, the monies available for security purchases are allocated to the provinces and territories based on the proportion of contributions credited to the Account during the preceding 10 years in respect of employment in a given province or a territory to the total contributions in those years. The portion attributed to certain other employees outside Canada continues to be invested in securities of Canada.

The securities of Quebec relate to the contributions of certain federal employees, such as members of the Canadian Armed Forces, who are residents in the Province of Quebec.

In 1993-94, there were no funds available for investment in securities of the provinces and territories.

All securities are non-negotiable and have a term of 20 years or lesser period as may be determined by the Minister of Finance on the recommendation of the Chief Actuary of the Office of the Superintendent of Financial Institutions.

### 7. Benefit overpayments

Canada Pension Plan Administration periodically undertakes studies of the extent and causes of benefit overpayments. The most recent study was completed in 1991. Based on the results of these studies, Canada Pension Plan Administration estimates that benefit overpayments are occurring at a rate estimated to be in excess of \$100 million a year. These overpayments occur as a result of administrative error and, to a significant degree, because of disablility recipients who return to work without advising the Canada Pension Plan Administration.

When benefit overpayments occur, the Canada Pension Plan Administration is required to recover the amount from the recipient, or seek approval for write-off, in accordance with Section 66 of the Canada Pension Plan (Act). The systems and procedures in place are not sufficient to enable the Canada Pension Plan Administration to adequately identify overpayments, nor to adequately record, control, and collect the potential accounts receivable from recipients. As a result of these administrative inadequacies, the provisions of Section 66 are unable to be fully applied.

During the past year the Canada Pension Plan Administration launched projects to address the above deficiencies over the short and long terms. Overpayments ultimately collected will be credited to the Account when cash is received.

# 8. Contingencies

At March 31, 1994, there were 16,961 (1993—18,591) appeals at various stages within the Canada Pension Plan. The estimated claims for these appeals against the Plan are \$67 million (1993—\$140 million).

### Government Annuities Account

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements have been prepared by the Account's management in accordance with generally accepted accounting principles consistently applied. Management is reponsible for the integrity and objectivity of the information in the financial statements.

In discharging its responsibility for the integrity and fairness of the financial statements, management maintains financial and management control systems and practices designed to provide reasonable assurance that transactions comply with relevant authorities, assets are safeguarded and proper records are maintained.

The Account's management recognizes the responsibility of conducting its affairs in compliance with the Government Annuities Act, Government Annuities Improvement Act and regulations.

The Commission oversees management's responsibilities for maintaining adequate control systems and the quality of financial reporting. The financial statements have been reviewed and approved by the Commission.

The independent auditor, the Auditor General of Canada, is responsible for auditing the transactions and financial statements of the Account and for issuing his report thereon.

Scott Serson for the Chairperson

J. Mallen

#### AUDITOR'S REPORT

TO THE MINISTER DESIGNATE OF HUMAN RESOURCES DEVELOPMENT

I have audited the balance sheet of the Government Annuities Account as at March 31, 1994 and the statements of operations and actuarial liabilities and changes in financial position for the year then ended. These financial statements are the responsibility of the Account's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Account as at March 31, 1994 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

Further, in my opinion, the transactions of the Account that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the Government Annuities Act, the Government Annuities Improvement Act, and the regulations.

Raymond Dubois, FCA
Deputy Auditor General
for the Auditor General of Canada

Ottawa, Canada July 15, 1994

### Government Annuities Account—Continued

#### REPORT OF THE ACTUARY

I have valued the actuarial liabilities in the balance sheet of the Government Annuities Account at March 31, 1994 and their decrease in the Account's statement of operations for the year then ended, in accordance with accepted actuarial practice.

In my opinion, the evaluation is appropriate and the financial statements fairly present its results.

Michel Bédard Fellow of the Canadian Institute of Actuaries Chief Actuary Human Resources Development Canada

Hull, Canada July 15, 1994

#### NOTES TO FINANCIAL STATEMENTS MARCH 31, 1994

### 1. Authority and purpose

The Government Annuities Account was established in 1908 by the *Government Annuities Act*, (the "Act"), as modified by the *Government Annuities Improvement Act* (the "Improvement Act").

The purpose of the Act was to assist individuals and groups of Canadians to provide for their later years by purchasing Government annuities. The *Improvement Act* increased the rate of return on Government annuity contracts to a rate of seven percent, increased their flexibility and discontinued future sales.

The Account is administered by the Canada Employment and Immigration Commission and operates through the Consolidated Revenue Fund.

### 2. Significant accounting policies

### (a) Basis of accounting

The accounts of the Government Annuities Account are maintained on an accrual basis.

### (b) Actuarial liabilities

Actuarial liabilities comprise: (i) in respect of unmatured annuities, accumulated premiums and accrued interest and (ii) in respect of matured annuities, the present value of such annuities actuarially determined on the basis of such rate or rates of interest and mortality tables as is prescribed.

#### (c) Actuarial surplus

At the end of any fiscal year, the recorded amount of actuarial liabilities may be different than the calculated amount of actuarial liabilities. The difference represents an actuarial surplus or deficit which is remitted to or recovered from the Consolidated Revenue Fund.

# (d) Interest from Canada

Interest from Canada is calculated on actuarial liabilities as prescribed by the *Improvement Act*.

### (e) Unclaimed annuities

Unclaimed annuities represent amounts transferred to the Consolidated Revenue Fund in respect of annuities that could not be paid because the annuitants could not be located.

#### (f) Services provided without charge

The Account does not record the value of administrative services it receives without charge from the Canada Employment and Immigration Commission and other Government entities.

### Government Annuities Account—Concluded

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 1994—Concluded

#### 3. Actuarial liabilities

The method utilized to calculate the actuarial liabilities of \$733,953,000 (1993—\$776,750,000 is in accordance with subsection 15(1) of the Government Annuities Improvement Act and the regulations pertaining thereto.

The Government Annuities Regulations provide that the Mortality Tables to be used in determining the values of annuities shall be the Annuity Tables for 1949 modified by Projection Scale C.

The Commission undertakes an annual review of mortality experience to monitor the appropriateness of the mortality tables for valuation purposes. The results of the last study, completed in April 1994, indicate that the mortality tables in use continue to be appropriate for such purposes.

### 4. Respective roles of the valuation actuary and of the auditor

In accordance with the Joint Policy Statement of the Canadian Institute of Chartered Accountants and the Canadian Institute of Actuaries, dated March 1991, it is appropriate to include a description of the respective roles of the actuary and of the auditor with the financial statements. Their respective roles are as follows:

- (a) The actuary, being in this case the Chief Actuary employed by the Canada Employment and Immigration Commission, determines and reports on the amount of actuarial liabilities for annuity contracts issued under the Government Annuities Act, as shown in the financial statements. This valuation is conducted in accordance with the Recommendations for Life Insurance Company Financial Reporting of the Canadian Institute of Actuaries. The Chief Actuary also determines that the method utilized to calculate the actuarial liabilities is in accordance with subsection 15(1) of the Government Annuities Improvement Act and the regulations pertaining thereto.
- (b) The auditor expresses an opinion on the fairness of financial statements prepared by management. The audit is conducted in accordance with generally accepted auditing standards issued by the Canadian Institute of Chartered Accountants.

# Royal Canadian Mounted Police (Dependants) Pension Fund

#### MANAGEMENT REPORT

The management of the Royal Canadian Mounted Police (Dependants) Pension Fund is responsible for the preparation of the financial statements. These financial statements have been prepared in accordance with generally accepted accounting principles. They include estimates that reflect management's best judgements.

Management is also responsible for developing and maintaining a system of internal control designed to provide reasonable assurance that all transactions are accurately recorded and that they comply with the relevant authorities, that the financial statments report the Fund's results of operations and financial situation and that its assets are safeguarded.

The Auditor General of Canada conducts an independent audit and expresses an opinion on the financial statements.

André Massé
Coordinator
RCMP Services Office

J.P.R. Murray Commissioner Royal Canadian Mounted Police

July 26, 1994

#### AUDITOR'S REPORT

#### TO THE SOLICITOR GENERAL OF CANADA

I have audited the statement of net assets available for benefits and accrued pension benefits of the Royal Canadian Mounted Police (Dependants) Pension Fund as at March 31, 1994 and the statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the net assets available for benefits and accrued pension benefits of the Fund as at March 31, 1994 and the changes in net assets available for benefits for the year then ended in accordance with generally accepted accounting principles.

# Royal Canadian Mounted Police (Dependants) Pension Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 1994

### 1. Description of the plan

The following brief description of the Royal Canadian Mounted Police (Dependants) Pension Fund is for general information only. For more complete information, reference should be made to the Royal Canadian Mounted Police Pension Continuation Act (the Act). All monetary transactions of the Fund are made through a specified purpose account in the Consolidated Revenue Fund (CRF).

#### (a) General

The Royal Canadian Mounted Police (Dependants) Pension Fund was established in 1934 pursuant to the Royal Canadian Mounted Police Act and is currently operated under Part IV of the Royal Canadian Mounted Police Pension Continuation Act (effective 1959) and the related Regulations.

The Act provides for members of the Force, other than commissioned officers, appointed before March 1, 1949, to purchase certain survivorship benefits for their dependants by payment of specified contributions.

### (b) Funding policy

All eligible members have now retired and, as such, there are no more active members contributing to the Fund; however, many retired members are still making instalment payments in respect of previous elections made before their retirement.

Section 56 of the Act directs the Minister of Finance to have an actuarial valuation of the Fund prepared at least once every 5 years. If the actuarial valuation discloses a surplus, the Governor in Council may, by order, increase pensions. If there is an actuarial deficiency, the Governor in Council may direct that there be credited to the Fund, out of any unappropriated moneys in the Consolidated Revenue Fund, such amount as may be required to re-establish solvency of the Fund.

### (c) Government contributions

So far the Government of Canada has not made, and was not required to make, any contributions to the Fund as a guarantor of its solvency. However, the Government of Canada credits the Fund with interest computed quarterly on the balance of the due from the Consolidated Revenue Fund at the end of the preceding quarter. The interest income corresponds to an annual rate of return of about 10.7 percent in 1994 (1993—10.9 percent).

#### (d) Basic death benefits

The following benefits, as applicable, are payable on the death of a member who has made the scheduled contributions and has left them in the Fund.

### i) Widows' pensions

The widow is entitled to the pension purchased by the member. In many cases the pension equals approximately 1.5 percent of the member's final pay multiplied by his years of credited service. The pension is payable for life with a guarantee that the total payments shall be no less than the member's contributions.

### ii) Eligible children's annuities

An annuity, not exceeding 7 percent of the member's final pay, is payable to each surviving child eligible in accordance with the provisions of the Act at that time. If there is no surviving widow or if the widow dies before the child's annuity ceases, the amount of the annuity doubles.

### iii) Lump sum benefits

If a member is not survived by a widow, a lump sum payment is made to the dependants and relatives of the member who are, in the opinion of the Minister, best entitled to share the benefit. The lump sum amount is equal to the actuarial present value of a pension to a hypothetical surviving widow 20 years older than the member at his death, but not exceeding 75 years of age.

#### iv) Benefit limitations

Under certain circumstances, the basic death benefits payable to a surviving widow are reduced. This can occur when a member marries after age 60; in that case, the value of the pension to the widow cannot exceed the lump sum payable if he were not survived by a widow. A similar limitation applies to a retired member who marries before age 60 and dies within 5 years after such marriage, unless the member satisfies the Commissioner he is in sound health.

#### (e) Dividends on death benefits

The Act also provides that if the Fund is substantially in excess of the amount required to make adequate provision for the prospective payments to be made out of it, the Governor in Council may by order increase the benefits provided under Part IV, or any of them, in such manner as may appear equitable and expedient.

# Royal Canadian Mounted Police (Dependants) Pension Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 1994—Concluded

To date, most of these benefit increases have taken the form of proportionate dividends applied to all basic death benefits, both accrued and prospective. As a result, the pension payments made in the year included an increase of 460 percent (410 percent in 1993) of the basic pension amount.

### (f) Withdrawal of contributions

A retired member who did not elect to withdraw his contributions from the Fund upon retirement retains the right to do so at any time thereafter; however, all his rights under Part IV and those of his dependants shall cease upon such election.

All returns of contributions are made without interest.

### 2. Significant accounting policies

### (a) Basis of presentation

These financial statements are prepared on the going concern basis and present the aggregate financial position of the Fund as a separate financial reporting entity independent of the sponsor and Fund members.

- (b) Increases and decreases in assets are recorded on the accrual basis.
- (c) Services provided without charge

The Fund does not record the value of administrative services it receives without charge from various government departments and agencies. These services include the following:

- management and other support services from the Royal Canadian Mounted Police;
- actuarial valuation and other services from the Office of the Superintendent of Financial Institutions;
- accounting and cheque issue from Public Works and Government Services Canada; and.
- audit from the Office of the Auditor General.

#### 3. Obligations for pension benefits

The most recent statutory actuarial valuation was made as at March 31, 1992 by the Director, Public Pensions Section of the Office of the Superintendent of Financial Institutions. The valuation disclosed an actuarial surplus of \$8,808,000. A portion, estimated at \$1,943,000, of this surplus was distributed by an increase in the basic pension amount of 50 percent effective on April 1, 1993 and a further increase of 50 percent effective on April 1, 1994. A further \$59,000 was used to increase lump sum benefit payments.

The remaining \$6,806,000 balance of the actuarial surplus was intended to be used over the remaining life of the Fund for the payment of increases (averaging 5 percent annually) in the pension benefits. The remaining life of the Fund was estimated at 46 years at the end of the year. The average age of the members and widows was about 71 and 73 years old respectively as at March 31, 1992 and the expected average number of years of benefits payments to the current widows was about 13 years.

The obligations for pension benefits are determined on an actuarial basis and incorporate the actuary's best estimates of future interest rates, mortality rates, proportion of members married, and age of new widows. Current interest rates are blended gradually into long-term interest rates. The expected long-term interest rate beginning in nine years (for year 2003) is estimated to be 6 percent on new money. Minor variations in any of these assumptions can result in a significantly higher, or lower, estimate of the liability.

The results of the 1992 valuation were extrapolated to March 31, 1994. The actuarial present value of accrued pension benefits as at March 31, 1994 (net after deduction of \$83,000 (\$85,000 in 1993) representing the present value of participants' future instalment payments) and the principal components of changes in the actuarial present value during the year were estimated as follows:

|   | 1994                      | 1993   |
|---|---------------------------|--------|
| _   | (in thousands of dollars) |        |
| Actuarial present value of accrued pension benefits at beginning of year Net adjustment arising from experience gains and losses and from other changes in actuarial asumptions as as | 15,082                    | 17,320 |
| March 31, 1992  |                           | -4,666 |
| dividend increases  |                           | 2,002  |
| Net interest accrued on benefits Contributions from participants  | 1,573                     | 1,540  |
| (instalment payments)   | 15                        | 16     |
| Benefits payments   | -1,086                    | -1,130 |
| Actuarial present value of accrued pension benefits at end of year  | 15,584                    | 15,082 |

## NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

### OTHER LIABILITIES

This section contains information on accounts reported on the Statement of Assets and Liabilities under "Other Liabilities". The establishment and operation of these accounts is authorized by Parliament in annual appropriation acts and other legislation. In many cases, these accounts represent current liabilities set up at year end under the authority granted to the President of the Treasury Board in the Financial Administration Act.

Table 8.1 presents the year-end balances for other liabilities. Chart 8A presents other liabilities by category for the current fiscal year, while Chart 8B compares other liabilities for the last ten fiscal years.

The tables in this section present the continuity of accounts, by showing the opening and closing balances.

|  | 4,156,018,708  | 2,906,840,918 |
| Total  | 5,866,011,720  | 6,465,612,502 |

#### Interest due

Interest due is the interest on the bonded debt, which is due and payable but has not been redeemed by bond holders.

### Interest accrued

Interest accrued is the interest accumulated as at March 31 on the bonded debt and certain other liabilities, that is not payable until a future date.

### Matured debt

This account records financial obligations represented by certificates of indebtedness issued by the Government, that have become due but that have not been presented for redemption. Unclaimed matured bonds are transferred to non-tax revenue if they remain unredeemed 15 years after the date of call or maturity, whichever is earlier; the minimum time before such a transfer is made is 5 years from the date of maturity.

### Unamortized discounts on Canada bills

This account records the portion of the discounts on outstanding Canada bills which has not yet been charged to expenditure. Discounts are amortized to expenditure over the life of the bills.

### Unamortized discounts on Treasury bills

This account records the portion of the discounts on outstanding Treasury bills which has not yet been charged to expenditure. Discounts are amortized to expenditure over the life of the bills.

# Unamortized discounts and premiums on marketable bonds

This account records the portion of the discounts and premiums on outstanding marketable bonds which has not yet been charged to expenditure. Discounts and premiums are amortized to expenditure over the life of the bonds.

#### TABLE 8.3

### ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

# Unamortized commissions on Canada savings bonds

This account records the portion of the commissions on outstanding Canada savings bonds which has not yet been charged to expenditure. Commissions are amortized to expenditure over the life of the bonds.

### **Accounts Payable and Accrued Liabilities**

Accounts payable and accrued liabilities includes accounts payable, an allowance for loan guarantees, miscellaneous departmental paylist deductions, borrowings of consolidated Crown corporations, suspense accounts and other accounts.

Table 8.3 presents a summary of the balances for the accounts in this category of other liabilities.

|   | April 1/1993   | March 31/1994  |
|---|----------------|----------------|
|   | \$             | \$             |
| Accounts payable                              | 10,399,031,752 | 14,209,818,282 |
| Accounts payable                              | 387,501,000    | 403,603,000    |
| •   | 10,786,532,752 | 14,613,421,282 |
| Allowance for loan guarantees                 | 995,000,000    | 1,045,000,000  |
| Miscellaneous departmental paylist deductions | 24,971,114     | 1,530,598      |
| Miscellaneous departmental paylist deductions |                | 8,065,000      |
| Suspense accounts                             | 20,118,236     | 22,662,377     |
| Other   | 93,028         | 198,806        |
| Total   | 11,826,715,130 | 15,690,878,063 |

<sup>(1)</sup> Additional information on consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

### Accounts payable

This account records amounts owing at the year end pursuant to contractual arrangements, or for work performed, goods received, or services rendered, relating to appropriations on which Parliament has imposed annual ceilings, accrued amounts to be paid from appropriations and statutory authorities, and accrued financial obligations of consolidated Crown corporations.

#### Allowance for loan guarantees

This account records potential losses on loan guarantees when it is likely that a payment will be made in the future to honour a guarantee and when the amount of the loss can be reasonably estimated.

### Miscellaneous departmental paylist deductions

Deductions from the salaries and wages of certain employees are credited to this account pending transmittal to related outside organizations.

### **Borrowings of consolidated Crown corporations**

This account records the unconditional obligations of the Government for the consolidated Crown corporations.

### Suspense accounts

Accounts in which transactions are recorded temporarily, pending their ultimate disposition.

#### Other

Miscellaneous accounts payable and accrued liabilities such as provincial sales tax collected on sales are recorded in this account.

### **Outstanding Cheques and Warrants**

This account records cheques and warrants issued but not yet presented for payment.

Table 8.4 presents a summary of the balances for the accounts in this category of other liabilities.

#### **TABLE 8.4**

### **OUTSTANDING CHEQUES AND WARRANTS**

|   | April 1/1993                            | March 31/1994                           |
|---|---|---|
|   | \$                                      | \$                                      |
| Outstanding cheques Imprest account cheques Unemployment insurance warrants | 2,814,362,085<br>494,048<br>413,737,354 | 3,633,805,422<br>470,569<br>380,494,721 |
| Total   | 3,228,593,487                           | 4,014,770,712                           |

### Outstanding cheques

Cheques issued in Canadian dollars, and unpaid at March 31, are recorded in this account. Cheques outstanding for 10 years are transferred to non-tax revenue. During the year, an amount of \$9,218,018 was transferred to non-tax revenue.

Cheques in foreign currencies are credited to the Government's cash account at the time of issue.

### Imprest account cheques

Imprest account cheques issued and unpaid at March 31, with the exception of those outstanding for 10 years or more (which have been transferred to non-tax revenue), are recorded in this account. During the year, an amount of \$499,358 was transferred to non-tax revenue.

### Unemployment insurance warrants

This account records outstanding Unemployment insurance benefit warrants.

### Allowance for Employee Benefits

This account records allowances for amounts owing for earned and unpaid annual vacation leave and compensation time, for employee benefits payable upon termination of employment and for unsigned pay adjustments.

## Allowance for Borrowings of Agent Enterprise Crown Corporations Expected to be Repaid by the Government

In accordance with section 54 of the Financial Administration Act, the payment of all money borrowed by agent enterprise Crown corporations, and interest thereon, is a charge on and payable out of the Consolidated Revenue Fund. Such borrowings therefore constitute unconditional obligations of the Government.

This account reports the borrowings of agent enterprise Crown corporations expected to be repaid by the Government (see Table 6.6 in Section 6 of this volume).

Table 8.5 presents a summary of the balances for this account.

### **TABLE 8.5**

# ALLOWANCE FOR BORROWINGS OF AGENT ENTERPRISE CROWN CORPORATIONS EXPECTED TO BE REPAID BY THE GOVERNMENT

### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

### FOREIGN EXCHANGE ACCOUNTS

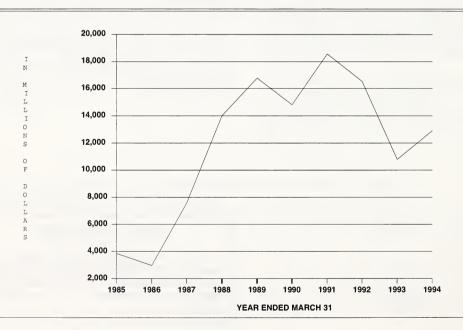

Foreign exchange accounts represent financial claims and obligations of the Government as a result of Canada's foreign exchange operations. Financial claims and obligations denominated in foreign currencies are reported at Canadian dollar equivalents at March 31. Net gains resulting from the translation of the net assets denominated in foreign currencies, to Canadian dollar equivalents as at March 31, are credited to revenue, and net losses are charged to budgetary expenditure of the Department of Finance.

Table 9.1 presents the continuity of each foreign exchange account, by showing the opening and closing balances, as well as receipts and other credits, and payments and other charges. It should be noted, however, that this table excludes unmatured debt payable in foreign currencies, amounting to \$10,668 million as at March 31, 1994 (\$5,409 million as at March 31, 1993); details relating to these obligations are presented in Section 10 of this volume. Chart 9A compares the net foreign exchange accounts for the last ten fiscal years.

CHART 9A NET FOREIGN EXCHANGE ACCOUNTS

# International Reserves Held in the Exchange Fund Account

This account records the moneys advanced from the Government to the Exchange Fund Account, in Canadian and other currencies, for the purchase of gold, foreign currencies and securities, and Special Drawing Rights (SDRs).

The Exchange Fund Account is operated under the provisions of the *Currency Act*. In accordance with this Act, audited financial statements for the Exchange Fund Account are prepared for each calendar year. The financial statements as at December 31, 1993, together with the Auditor General's report thereon, are found at the end of this section.

Table 9.2 shows foreign exchange reserves held by and advances to the Exchange Fund Account as at March 31, 1994. Gold held by the Account is valued at 35 SDRs per fine ounce (\$68.40 Cdn as at March 31, 1994 and \$61.57 Cdn as at March 31, 1993).

In 1993-94, payments and other charges consisted of advances to the Exchange Fund Account in the amount of \$96,313 million, a valuation adjustment of \$441 million and an adjustment of \$657 million to recognize the net income of the Exchange Fund Account for the period January 1 to March 31. Receipts and other credits consisted of repayments of advances of \$95,134 million.

TABLE 9.2

<sup>(1)</sup> Less than \$500,000.

### **International Monetary Fund—Subscriptions**

This account records the value of Canada's subscription (its "quota") to the capital of the International Monetary Fund (IMF).

The amount by which the sum of Canada's subscriptions plus loans to the IMF under special facilities exceeds the IMF's holdings of Canadian dollars represents the amount of foreign exchange which Canada is entitled to draw from the IMF on demand for balance of payments purposes. The subscription is expressed in terms of the SDR, a unit of account defined in terms of a "basket" of five major currencies.

Canada has accumulated its subscriptions through settlements to the IMF in Canadian dollars, gold and SDRs. Annual maintenance of value payments are made to, or received from, the IMF when the Canadian dollar depreciates or appreciates against the SDR, in order to maintain the SDR-value of the IMF's holdings of Canadian dollars.

In 1993-94, payments and other charges consisted of a maintenance of value adjustment of \$732 million and a valuation adjustment of \$112 million.

### International Monetary Fund—Notes Payable

This account records non-marketable, non-interest bearing notes issued by the Government to the IMF. These notes are payable on demand and are subject to redemption or re-issue, depending on the needs of the IMF for Canadian currency.

Canadian dollar holdings of the IMF include these notes and a small working balance (initially equal to one-quarter of one percent of Canada's subscription) held on deposit at the Bank of Canada. In 1993-94, notes payable to the IMF increased by \$841 million.

## **Special Drawing Rights Allocations**

This account records the value of SDRs allocated to Canada by the IMF. The Special Drawing Right is an international currency created by the IMF, and allocated to countries participating in its Special Drawing Rights Department. It represents a liability of Canada, as circumstances could arise whereby Canada could be called upon to repay these allocations, in part or in total.

As an asset, SDRs represent rights to purchase currencies of other countries participating in the IMF's Special Drawing Rights Department, as well as to make payments to the IMF itself. All SDRs allocated to Canada by the IMF have either been used to settle subscriptions in the IMF, or have been advanced to the Exchange Fund Account.

There was no allocation of SDRs by the IMF to Canada during the year. In 1993-94, receipts and other credits consisted of a valuation adjustment of \$152 million.

### SUPPLEMENTARY STATEMENT

### **Exchange Fund Account**

MANAGEMENT RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Responsibility for the financial statements of the Exchange Fund Account and all other information presented in this Annual Report rests with the Department of Finance. The operation of the Account is governed by the provisions of Part II of the Currency Act. The Account is administered by the Bank of Canada as fiscal agent.

The financial statements were prepared in accordance with the stated accounting policies of the Government of Canada set out in Note 2 to the financial statements. These policies were applied on a basis consistent with that of the preceding year.

The Department of Finance establishes policies for Exchange Fund Account transactions and investments, and related accounting activities. It also ensures that the Account's activities comply with the statutory authority of the *Currency Act*.

The Bank of Canada effects transactions for the Account and maintains records, as required to provide reasonable assurance regarding the reliability of the financial statements. The Bank reports to the Department of Finance on the financial position of the Account and on the results of its operations.

The Auditor General of Canada conducts an independent audit of the financial statements of the Account and reports the results of his audit to the Minister of Finance.

The Annual Report of the Account is tabled in Parliament along with the financial statements, which are part of the Public Accounts, and are referred to the Standing Committee on Public Accounts for their review.

Approved:

GORDON THIESSEN

Governor

Bank of Canada

D.A. DODGE Deputy Minister Department of Finance

JOHN MURRAY Chief, International Department Bank of Canada

#### AUDITOR'S REPORT

TO THE MINISTER OF FINANCE

I have audited the balance sheet of the Exchange Fund Account as at December 31, 1993 and the statement of revenues due to the Consolidated Revenue Fund for the year then ended. These financial statements are the responsibility of the Department of Finance. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Department of Finance, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Account as at December 31, 1993 and the revenues due to the Consolidated Revenue Fund for the year then ended in accordance with the stated accounting policies of the Government of Canada set out in Note 2 to the financial statements.

Further, in my opinion, the transactions of the Account that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the applicable provisions of Part II of the *Currency Act*.

D. Larry Meyers, FCA Deputy Auditor General for the Auditor General of Canada

Ottawa, Canada February 28, 1994

### PUBLIC ACCOUNTS, 1993-94

### Exchange Fund Account—Continued

BALANCE SHEET AS AT DECEMBER 31, 1993 (in millions of dollars)

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1993

### 1. Authority and objective

The Exchange Fund Account (the Account) is governed by Part II of the *Currency Act* (the Act). The Account is in the name of the Minister of Finance and is administered by the Bank of Canada as fiscal agent. The *Financial Administration Act* does not apply to the Account.

An Act to amend the *Currency Act* became law on June 23, 1993. The admendments updated and clarified the investment authority of the Minister of Finance with respect to the management of the Account's assets and the use of financial instruments.

The main objective of the Account is to aid in the control and protection of the external value of the Canadian dollar, and the Minister acquires or sells for the Account those assets which are deemed appropriate for this purpose in accordance with the Act.

### 2. Significant accounting policies

The following accounting policies, which conform to the stated accounting policies of the Government of Canada as used in Public Accounts, have been applied on a basis consistent with that of the preceding year.

### (a) Valuation of assets

Marketable securities are adjusted for amortized premiums or discounts where applicable. Marketable securities, short-term deposits and special drawing rights (SDRs) include accrued interest. The SDR is a unit of account issued by the International Monetary Fund (IMF), and its value is determined in terms of a basket of five major currencies.

Gold includes gold loans and accrued interest on gold loans. Gold is held in the Account at a value of 35 SDRs per fine ounce.

### (b) Translation of foreign currencies and SDRs

Investment income in foreign currencies and SDRs is translated into Canadian dollars at the foreign exchange rates prevailing on the date the income is recorded.

Net foreign exchange gains or losses result from the translation of foreign currency balances and transactions throughout the year.

Assets and liabilities denominated in foreign currencies and SDRs are translated into Canadian and US dollar equivalents at year-end market exchange rates, which were as follows:

| _                     | 1993     | 1992     |
|-----------------------|----------|----------|
| US dollar             | 1.321700 | 1.270900 |
| Japanese yen          | 0.011820 | 0.010180 |
| Deutsche mark         | 0.759800 | 0.784300 |
| Special drawing right | 1.818570 | 1.747491 |

### (c) Investment income

Investment income is recorded on an accrual basis and includes interest earned, amortization of premiums and discounts, and gains and losses on the sale of marketable securities.

### (d) Disposition of revenues

The revenues for the year are payable to the Consolidated Revenue Fund (CRF) of the Government of Canada within three months after the end of the year in accordance with the Act.

### (e) Services received without charge

The Account receives, without charge, administrative, custodial and fiscal agency services from the Bank of Canada.

### (f) Interest free advances

The Account receives interest-free advances from the Consolidated Revenue Fund.

#### 3. Marketable securities denominated in US dollars

The Minister of Finance has authorized loans and/or sales, at market prices, of part of the gold held by the Account, to the Royal Canadian Mint and others.

### Exchange Fund Account—Continued

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1993—Continued

#### 8. Official international reserve assets

The Account is the principal repository of Canada's official international reserves. Reserves are comprised of the Account's foreign assets, of deposit balances in foreign currencies held by the Receiver General (or CRF) and by the Bank of Canada, and of Canada's reserve position in the International Monetary Fund. At December 31, 1993 total reserves, as published by the Department of Finance, amounted to US\$ 12.8 billion (1992—US\$ 11.9 billion) of which the Account accounted for US\$ 8.1 billion (1992—US\$ 7.4 billion). The remaining US\$ 4.7 billion (1992—US\$ 4.5 billion) was held by the Bank of Canada and the CRF.

#### 9. Due to the Consolidated Revenue Fund-Advances

The Account is funded by advances from the CRF. These are currently limited to C\$ 25 billion by Order in Council dated June 30, 1988. The CRF does not charge interest on advances to the Account. At year end, advances from (to) the CRF consisted of:

|                        | 1993               | 1992            |
|------------------------|--------------------|-----------------|
|                        | (in millions of Ca | nadian dollars) |
| US dollars             | 8,731              | 3,168           |
| Canadian dollars       | -665               | 2,073           |
| Special drawing rights | 70                 | 67              |
| Japanese yen           |                    | 611             |
|                        | 8,136              | 5,919           |

The proceeds of Canada's borrowings in foreign currency and allocations of SDRs by the IMF have been advanced from the CRF to the Account. Repayments of foreign currency debt are made using the resources of the Account. Interest payable by Canada on borrowings in foreign currencies and charges on SDR allocations to Canada are charged directly to the CRF.

### 10. Commitments

#### (a) Currency swaps

The Account enters into short-term currency swap arrangements with the Bank of Canada and with major financial institutions. The objective of swaps with the Bank of Canada is to assist the Bank in its cash management operations while the objective of swaps with financial institutions is to assist the Government in managing its domestic cash balances in a more cost-effective manner. Under these agreements, the Account

sells US dollars for Canadians dollars, with simultaneous agreements to repurchase US dollars on future dates at predetermined exchange rates. Swaps with the Bank of Canada are unwound at the same exchange rates as those used in the initial sales, while the rates used in swaps with financial institutions reflect the premium or discount prevailing in the market at the time the swaps were entered into. These swaps result in decreases in the Account's foreign currency assets and in the level of advances from the CRF. The effect is reversed when the swaps mature. Net foreign exchange gains or losses on currency swaps are recorded at maturity using exchange rates prevailing at that time.

At year end, the Account had the following commitments to repurchase US dollars under swap arrangements:

|                |              | 1993         |            | 1992  |  |  |
|----------------|--------------|--------------|------------|-------|--|--|
|                | US           | С            | US         | С     |  |  |
|                | (            | in millions  | of dollars |       |  |  |
| Bank of Canada | 3,529<br>600 | 4,702<br>797 | 3,314      | 4,208 |  |  |
|                | 4,129        | 5,499        | 3,314      | 4,208 |  |  |

#### (b) Uncompleted transactions

At year end, the Account had short-term commitments for net purchases of US\$ 211 million (1992—net sales of US\$ 87 million) against C\$ 280 million (1992—C\$ 111 million).

#### (c) Gold options

During the year, the Minister of Finance authorized the sale of call options on part of the Account's gold holdings. Under such transactions, the Account receives a premium against commitments to sell gold, at predetermined prices, on the expiry date of the options which can be exercised at the holder's discretion. No gold is sold unless the holders of the options exercise their right on the expiry dates.

At year end, the Account had commitments to sell 120,000 (1992—20,000) fine ounces of gold, under short-term call option contracts with a total value of US \$ 49 million (1992—US\$ 7 million).

### Exchange Fund Account—Concluded

# NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

### UNMATURED DEBT

Unmatured debt represents financial obligations resulting from certificates of indebtedness issued by the Government of Canada that have not yet become due.

The Government's holdings of its own securities have been deducted from unmatured debt, to report the amount of the Government's liabilities to outside parties.

Some tables in this section present the continuity of accounts, by showing the opening and closing balances, as well as issues and retirements.

Table 10.1 presents the transactions and year-end balances of unmatured debt. Chart 10A presents unmatured debt by category for the current fiscal year while Chart 10B compares unmatured debt for the last ten fiscal years.

Note: This table includes unmatured debt issued by the Government of Canada. Borrowings of agent enterprise Crown corporations which are unconditional obligations of the Government, but not included in unmatured debt, can be found in Table 10.10.

<sup>(1)</sup> Additional information on consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

CHART 10A UNMATURED DEBT BY CATEGORY FOR 1993-94

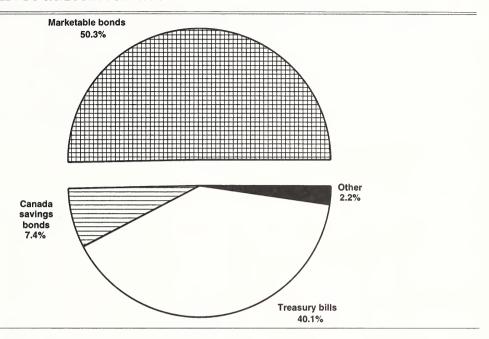

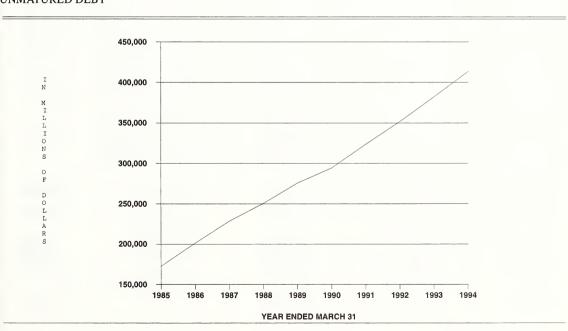

CHART 10B UNMATURED DEBT

### Marketable Bonds

Marketable bonds are interest-bearing certificates of indebtedness issued by the Government of Canada, and have the following characteristics:

- -bought and sold on the open market;
- -payable in Canadian or foreign currency;
- -subject to call or redemption before maturity;
- -fixed dates of maturity;
- -interest payable either in coupon or registered form; and,
- -face value guaranteed at maturity.

Registered marketable bonds are transferable by endorsement and delivery by one holder to another. Bearer marketable bonds need not be endorsed.

Table 10.2 presents a summary of the balances and transactions for marketable bonds. Since most of the marketable bonds are not subject to call or redemption before maturity, exceptions only are noted in the table.

The year-end balances of marketable bonds payable in foreign currencies were translated into Canadian dollars using the closing rates of exchange at March 31, 1994.

<sup>(1)</sup> Issues and retirements of marketable bonds payable in foreign currencies include the translation of these currencies to Canadian dollars using closing rates of exchange at March 31.

<sup>(2)</sup> Subject to redemption before maturity.

Subject to redemption before maturity.
 The rate of return of this issue is linked to the Consumer Price Index for Canada.
 The rate of interest is variable throughout the year.
 While the terms of the issue remain unaltered from the bondholders' perspective, the Government's Japanese yen liability was converted through a "currency swap" into a floating rate U.S. dollar liability which is based on 6-month London Inter-bank Offered Rate (LIBOR).

## Canada Savings Bonds

Canada savings bonds are interest-bearing certificates of indebtedness issued by the Government of Canada, and have the following characteristics:

- -issued to Canadian residents;
- -issued in Canadian currency only;
- -registered in the name of the holder;
- -fixed dates of maturity;
- -not marketable;
- —redeemable on demand by the holder, with accrued interest calculated to the end of the previous month;
- -not subject to call before maturity; and,
- -term to maturity of seven years or more.

Table 10.3 presents a summary of the balances and transactions for Canada savings bonds.

<sup>(1)</sup> S48 includes bonds related to Government's participation in the Canada savings bonds Payroll Savings Plan.

## Special Non-Marketable Bonds

Special non-marketable bonds are interest-bearing certificates of indebtedness issued by the Government of Canada exclusively to the Canada Pension Plan Investment Fund, and have the following characteristics:

- -not negotiable;
- -not transferable;
- -not assignable;
- -issued in Canadian currency only;
- -term to maturity of 20 years or less;
- -interest payable semi-annually; and,
- —redeemable at face value plus accrued interest.

Table 10.4 presents a summary of the balances and transactions for these special non-marketable bonds.

### **Treasury Bills**

Treasury bills are short-term certificates of indebtedness issued by the Government of Canada to pay sums of money on given dates, and have the following characteristics:

- -issued at a discount in lieu of interest payments;
- -common terms: 3 months, 6 months and 12 months;
- -issued in Canadian currency only;
- -transferable; and,
- -bought and sold on the open market.

Three-month and six-month bills are usually issued weekly, while other bills are issued every two weeks, usually for periods of one year or less.

The balance at March 31, 1994 consists of \$1,500 million in odd issue bills; \$50,600 million in three-month bills; \$51,500 million in six-month bills; and, \$62,400 million in 364-day bills.

Table 10.5 presents a monthly summary of Treasury bill issues and redemptions.

### Canada Bills

Canada bills are short-term certificates of indebtedness issued by the Government of Canada in the United States money markets under the Government's foreign currency borrowing program. Canada bills provide Canada with an additional source of short-term US funds and have the following characteristics:

- -issued at a discount in lieu of interest payments;
- -term to maturity of not more than 270 days;
- -transferable; and,
- -bought and sold on the open market.

The year-end balance of Canada bills payable in US dollars was translated into Canadian dollars using the closing rate of exchange at March 31, 1994.

Table 10.6 presents a monthly summary of Canada bill issues and redemptions.

TABLE 10.6

### SUPPLEMENTARY STATEMENTS

### Interest Rates

Table 10.7 sets out unmatured debt as at March 31, for each of the years 1989-90 to 1993-94 inclusive, with the average rate of interest thereon. For purposes of comparison, unmatured debt is classified as to marketable bonds, non-marketable bonds (include Canada savings bonds and the Canada Pension Plan Investment Fund), Treasury bills, notes and loans, and Canada bills.

Note: This table includes unmatured debt issued by the Government of Canada. Borrowings of agent enterprise Crown corporations which are unconditional obligations of the Government, but not included in unmatured debt, can be found in Table 10.10.

# Statement of all Borrowing Transactions on behalf of Her Majesty

Table 10.10 presents the information required by section 49 of the Financial Administration Act. The borrowing transactions included in this table are: borrowings by the Government for general purposes, and borrowings by agent enterprise Crown corporations. Borrowings by non-agent enterprise Crown corporations are not included because such borrowings are not on behalf of Her Majesty.

### NOTE TO READER

Major reorganizations were made to the structure and names of certain ministries in 1993-94. For details of these changes, please refer to the **Introduction** at the beginning of this volume.

# OTHER ACCOUNTS REPORTED ON THE STATEMENT OF ASSETS AND LIABILITIES

This section contains information on accounts reported on the Statement of Assets and Liabilities, which are not included elsewhere in this volume. These accounts are:

- —accounts receivable;
- -cash in transit;
- -cash; and,
- -accumulated deficit.

### Accounts Receivable

Accounts receivable represent billed (but uncollected) and unbilled or accrued financial claims arising from amounts owed to a Government body for use of its assets, or from the proceeds for provision of services as of the accounting date. Non-tax revenue and revenue credited to votes receivable are accounted for in the period the transactions or events give rise to the revenue.

Accounts receivable written off or forgiven are included in Section 3 of Volume II Part II (Statement of debts, obligations and claims written off or forgiven).

Accounts receivable for tax revenue are not recorded in the accounts of Canada. However, these amounts are reported on a memorandum basis and details of the balances are included in Section 4 of Volume II Part II.

Table 11.1 presents a summary of the balances and transactions for accounts receivable. Chart 11A compares accounts receivable for the last ten fiscal years.

TABLE 11.1
ACCOUNTS RECEIVABLE

|   | April 1/1993               | Charges                   | Credits                    | March 31/1994             |
|---|----------------------------|---------------------------|----------------------------|---------------------------|
|   | \$                         | \$                        | \$                         | \$                        |
| Non-tax revenue and revenue credited to votes receivable <sup>(1)</sup> | 3,396,476,000              | 3,729,180,000             | 3,396,476,000              | 3,729,180,000             |
| Other receivables   | 291,792,000<br>279,802,000 | 63,053,000<br>148,496,000 | 291,792,000<br>279,802,000 | 63,053,000<br>148,496,000 |
| Total   | 3,968,070,000              | 3,940,729,000             | 3,968,070,000              | 3,940,729,000             |

<sup>(1)</sup> Non-tax revenue and revenue credited to votes receivable are net of an allowance for doubtful accounts of \$1,496 million for 1994 (\$1,496 million for 1993).

# Non-tax revenue and revenue credited to votes receivable

This account records accrued financial claims, owed to the Government, arising from non-tax revenue and revenue credited to votes. These receivables are accounted for in the period in which the transactions or events occurred.

### Other receivables

This account records public moneys received after March 31, but applicable to the year just ended. It includes refunds of old year expenditure received prior to the closing of the accounts, and receipts to be credited to non-tax revenue accounts, where the omission of the credits in the old year would tend to make the accounting incomplete or inconsistent.

### 11.2 OTHER INFORMATION RELATED TO THE FINANCIAL STATEMENTS

# Accounts receivable of consolidated Crown corporations

This account records the financial claims of consolidated Crown corporations.

<sup>(2)</sup> Additional information on the consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

### CHART 11A ACCOUNTS RECEIVABLE

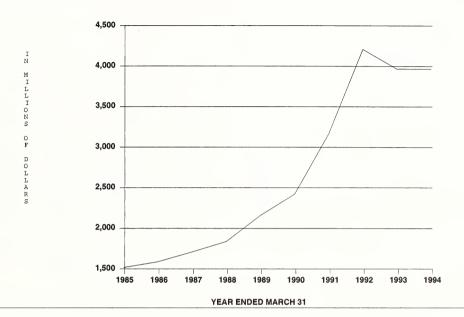

Table 11.2 presents additional disclosure of information related to long-term accounts receivable for non-tax revenue and revenue credited to votes. A long-term account receivable is defined as an account receivable where settlement is not due for at least 12 months after the accounting date.

TABLE 11.2

<sup>\*</sup> Comparative figures for the previous year have been restated.

### PUBLIC ACCOUNTS, 1993-94

Table 11.3 presents the aging for non-tax revenue and revenue credited to votes receivable (net of allowance for doubtful accounts) for the period over which claims at March 31, 1994 have been outstanding.

TABLE 11.3
AGING OF ACCOUNTS RECEIVABLE (in thousands of dollars)

| Categories of accounts receivable                              | Outstanding days |         |        |           | Total as at   |
|--|------------------|---------|--------|-----------|---------------|
|  | 0—30             | 31—60   | 61—90  | Over 90   | March 31,1994 |
| Non-tax revenue—   |                  |         |        |           |               |
| Return on investments  | 329,582          | 6       | 7      | 44,755    | 374,350       |
| Proceeds from sales  | 3,038            | 656     | 346    | 2,165     | 6,205         |
| Refunds of previous years'expenditure                          | 21,046           | 3,241   | 39,563 | 92,764    | 156,614       |
| Privileges, licences and permits                               | 2,850            | 1,222   | 781    | 17,262    | 22,115        |
| Services and service fees                                      | 31,392           | 8,495   | 2,005  | 11,749    | 53,641        |
| Miscellaneous  | 199,534          | 41,657  | 14,668 | 971,413   | 1,227,272     |
| Revenue credited to votes                                      | 209,862          | 52,619  | 16,560 | 251,475   | 530,516       |
|  | 797,304          | 107,896 | 73,930 | 1,391,583 | 2,370,713     |
| Other amounts  |                  |         |        |           | 1,358,467     |
| Total non-tax revenue and revenue credited to votes receivable |                  |         |        |           |               |
| (net of allowance for doubtful accounts)                       |                  |         |        |           | 3,729,180     |

<sup>(1)</sup> This amount represents long-term accounts receivable and other amounts, which if included, would cause the aging schedule to be misleading.

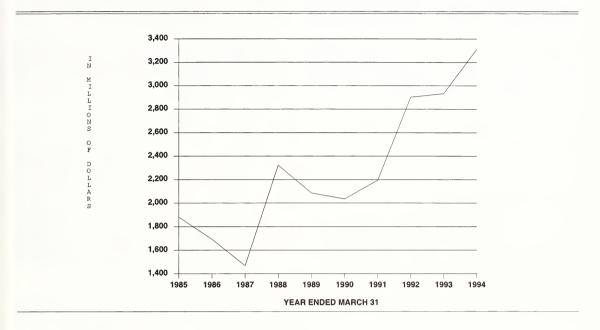

### Cash in Transit

Table 11.4 presents a summary of the balances and transactions for cash in transit. Chart 11B compares cash in transit for the last ten fiscal years.

# TABLE 11.4 CASH IN TRANSIT

|   | April 1/1993                  | Charges              | Credits                | March 31/1994        |

<sup>(1)</sup> Additional information on the consolidated Crown corporations is provided in Section 5 of this volume and in the audited financial statements (Section 1 of this volume).

#### Cash in hands of collectors and in transit

This account records public moneys received by public officers prior to April 1, but not deposited to the credit of the Receiver General for Canada in the Bank of Canada, before that date.

# Moneys received after March 31 but applicable to the current year

Public moneys received after March 31, but applicable to the year just ended, are recorded in this account.

This account includes receipts to be credited to asset, liability and (in exceptional cases) tax revenue accounts, where the omission of the credits in the old year would tend to make the accounting incomplete or inconsistent.

#### Other cash—Consolidated Crown corporations

This account records the cash position of the consolidated Crown corporations. These funds are not public moneys to the credit of the Receiver General for Canada but are for the exclusive use of these Crown corporations.

#### Cash

The Government's cash account represents public moneys on deposit at March 31, to the credit of the Receiver General for Canada, with the Bank of Canada, chartered banks and other financial institutions.

The cash position of the Government is affected not only by budgetary transactions, but also by non-budgetary, foreign exchange and unmatured debt transactions, all of which must be taken into account when considering the full scope of the Government's financial operations.

Table 11.5 presents a summary of the balances and related transactions in current and special Receiver General deposits. Chart 11C compares cash for the last ten fiscal years.

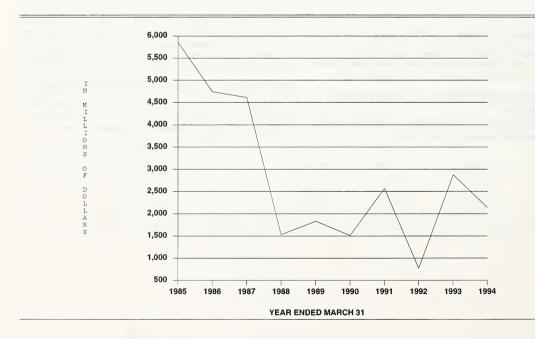

The year-end balances denominated in foreign currencies have been translated into Canadian dollar equivalents at year-end closing rates of exchange. Foreign currencies held include United Kingdom pounds sterling, United States dollars, Belgian, Swiss and French francs, and German marks.

**TABLE 11.5**

| February  | 1,468      | 1,139    |  |
| March     | 2,032      | 2,774    |  |

### Receiver General special deposits

These are balances in the hands of fiscal agents of the Government, for the purchase or redemption of Government securities, and for the payment of interest.

### **Accumulated Deficit**

The accumulated deficit is the account recording the net sum of annual deficits and surpluses of the Government of Canada since Confederation, together with certain amounts charged or credited directly to this account. The accumulated deficit is also equal to the excess of recorded liabilities over total financial assets.

A Statement of Accumulated Deficit is published in Section 1 of this volume.

Table 11.8 presents a ten year comparative statement of the accumulated deficit, in terms of total liabilities and total financial assets. Chart 11D compares the accumulated deficit for the last ten fiscal years.

### CHART 11D ACCUMULATED DEFICIT

#### OTHER INFORMATION

#### **Contractual Commitments**

A contractual commitment represents a written obligation to outside organizations or individuals as a result of a contract. The nature of the Government's activities requires negotiation of contracts that are significant in relation to its current financial position or that will materially affect the level of future expenditure. In the case of contractual commitments to international organizations, some will result in future budgetary expenditure while others will result in non-budgetary payments.

Contractual commitments can be classified into seven categories: fixed assets, purchases, operating leases, capital leases, transfer payment agreements (grants and contributions), benefit plans for veterans and international organizations.

Major capital assets of the Government are either purchased outright or leased. Where a lease transfers substantially all of the benefits and risks incidental to ownership of the property to the lessee, it is considered a capital lease. All other leases are classified as operating leases.

All outstanding contractual commitments of \$50 million or more per project at year end are reported in the case of fixed assets, purchases, operating leases and transfer payment agreements. All capital lease arrangements with total minimum lease payments remaining at year end in excess of \$1 million per contract are reported. For international organizations, all contractual commitments in excess of \$1 million at year end are reported.

While no details are provided in this section, as indicated in Section 1, estimated annual expenditures under the *Pension Act* for disability and death arising from military service will approximate \$1,000 million over the next few years.

In accordance with the Government's significant accounting policies, the contractual commitments of consolidated Crown corporations are included with those of the Government.

# Fixed assets, purchases, operating leases and transfer payment agreements

Table 11.9 provides details of contractual commitments that involve fixed assets, operating leases, purchases and transfer payment agreements. It discloses individual contractual commitments by category and by entity. Contractual commitments are summarized in Note 14 to the audited financial statements in Section 1 of this volume.

Fixed assets are tangible, durable items of value, including major additions or alterations thereto, including military equipment and land, from which benefits are expected to be derived during their useful life.

Purchase commitments are commitments supported by a contract to supply goods or services. An operating lease is a lease in which the lessor does not substantially transfer all the benefits and risks incident to ownership of property to the lessee.

Transfer payment agreements are irrevocable contracts to provide funding to other levels of governments, organizations or individuals.

<sup>(1)</sup> This is a calculation based on information presently available and is subject to change, specially over the longer term. (2) Under the agreement, ownership of the facility will revert to the Government of Canada after 35 years.

### Capital leases

Table 11.10 provides details of commitments under capital lease arrangements which are summarized in Note 14 to the audited financial statements in Section 1 of this volume. A capital lease is a lease that, from the point of view of the Government,

transfers substantially all the benefits and risks incident to ownership of the asset to the Government. Table 11.11 presents commitments under capital lease arrangements in order of maturity. There were no purchase options exercised during the year.

**TABLE 11.10** 

#### COMMITMENTS UNDER CAPITAL LEASE ARRANGEMENTS

#### International organizations

Table 11.12 summarizes commitments made to international organizations which are also summarized in Note 14 to the audited financial statements in Section 1 of this volume. These commitments relate to agreements with international organizations and other sovereign nations, which stipulate that the Government will disburse funds in future years for loans, advances and paid-in share capital. Some of these disbursements will be in the form of budgetary payments, while others will be non-budgetary. Additional information on these commitments is provided in Table 11.15 and in Section 1 of this volume.

# **Insurance Programs of Agent Enterprise Crown Corporations**

Three Crown corporations currently operate insurance programs as agents of Her Majesty. An insurance program is a program where the insured, an outside party, pays an insurance fee which is credited to an insurance fund or provision operated by the corporation. The amount of the fee is based on the estimated amount of insurance fund or provision needed to meet future claims. Insurance programs operated by private corporations such as employee group insurance, dental plans, etc, are not included in this definition.

The insurance programs are intended to operate on a self-sustaining basis but in recent years, the Deposit Insurance Fund administered by the Canada Deposit Insurance Corporation has required funding from the Government to meet obligations.

Information presented in Table 11.13 has not been audited since the information presented therein is derived from interim financial statements. The most recent annual financial statements of these corporations may be found in the "President of the Treasury Board's Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada". Insurance programs of agent Crown corporations are summarized in Note 15 to the audited financial statements in Section 1 of this volume.

In Table 11.13, a minus "-" sign preceding the amount reported indicates a fund deficit, an expense recovery or adjustment, or a decrease or loss during the year.

TABLE 11.13
SUMMARY OF INSURANCE PROGRAMS OF AGENT ENTERPRISE CROWN CORPORATIONS
FOR THE YEAR ENDED MARCH 31, 1994

N/A-Not applicable.

The Canada Deposit Insurance Corporation (CDIC) provides insurance on deposits placed with member banks and trust and loan companies for up to \$60,000 per depositor, per institution. In recent years, premiums paid by member institutions have not been sufficient to meet obligations incurred by CDIC under the insurance plan. This deficiency has been funded, in part, by loans from the Government of \$3,151 million at March 31, 1994 (\$3,085 million at March 31, 1993). The Government is continuing to explore alternatives to allow CDIC, over the long run, to eliminate its deficiency without budgetary support from the Government. Since there is no reason to believe that this will not be the case, no provision has been made in the accounts of Canada for the losses experienced by CDIC.

Canada Mortgage and Housing Corporation (CMHC) administers four funds of which the Mortgage Insurance Fund (MIF) and the Mortgage-Backed Securities Guarantee Fund are active. The MIF provides insurance for a fee, to private sector lending institutions to cover mortgage lending on Canadian housing. Besides establishing a framework of confidence for mortgage lending by private institutions, the Fund facilitates an adequate supply of mortgage lending the risk to lenders and by encouraging the secondary market trading of mortgages, to make housing more accessible for Canadians. An actuarial study of the MIF as of September 30, 1993 disclosed that the Fund is more than sufficient to pay all future claims with respect to business in force. The surplus as at September 30, 1993 was estimated to be \$9.4 million. The Mortgage-Backed Securities (MBS) program was implemented in 1987. For a fee paid by approved financial institutions, CHMC and ultimately the Government, guarantee timely payment of principal and interest to MBS investors who participate in a pool of MIF insured first residential mortgages which have been repackaged by the financial institution into investments of \$5,000 denominations. Since 1984, the Corporation has also operated the Mortgage Rate Protection Program (MRPP). As premiums collected by CMHC for the Program are remitted directly to the Consolidated Revenue Fund (CRF) and obligations of the MRPP are ultimately payable from the CRF, the Mortgage Rate Protection Program does not meet the definition of a Crown corporation insurance plan as defined above. Therefore, operating particulars of this Program are not included in this summary but some information will be found in the notes to the Government of Canada Statement of Contingent Liabilities.

The Export Development Corporation provides export and foreign investment insurance to Canadian business to facilitate and develop export trade. The insurance fund has been adequate to provide for the full cost of claims experienced to date and to establish an allowance for future claims based on previous claims experience.

<sup>(4)</sup> CDIC has established a general provision for loss on insured deposits amounting to \$200 million for losses on insured deposits where such losses cannot be identified by institution. The retroactive impact of this decision on the opening balance of the fund was an increase in the deficit from \$1,513 million to \$1,713 million.

<sup>(5)</sup> Less than \$500,000.

<sup>(6)</sup> The Home Improvement Loan Insurance Fund was terminated in April 1993. All residual assets have been returned to the Consolidated Revenue Fund.

<sup>(7)</sup> Refers to the difference between claims and amounts received from sales of related assets and other recoveries.

# **Contingent Liabilities**

A contingent liability is a potential liability which may become an actual liability when one or more future events occur or fail to occur.

For the purpose of reporting contingent liabilities, the Government of Canada is defined as all organizations which are accountable for the administration of their affairs and resources either to a Minister of the Government or directly to Parliament, and which are owned or controlled by the Government. Except for Government enterprises, all Government organizations are accounted in the financial statements by consolidation. Government enterprises are accounted for by the cost method and are defined to be those corporate organizations that sell goods and services to individuals and non-government organizations as their principal activity, and are not appropriation-dependent.

Consequently, the contingent liabilities of consolidated Crown corporations are included with those of the Government in Table 11.14 but in summary form only. For further details of contingent liabilities of consolidated Crown corporations, refer to Table 5.4—"Contingent Liabilities of Consolidated Crown Corporations". Particulars of contingent liabilities of enterprise Crown corporations are not consolidated with those of the Government but details of these contingencies may be found in Table 6.9—"Contingent Liabilities of Enterprise Crown Corporations". However, the borrowings of agent enterprise Crown corporations are reported with the contingent liabilities of the Government in compliance with the Financial Administration Act. In accordance with Section 54 of the Act, the repayment of all money borrowed by agent enterprise Crown corporations is payable out of the Consolidated Revenue Fund. Such borrowings therefore, constitute potential obligations of the Government and are reported as such in Table 11.14. Three agent enterprise Crown corporations also operate insurance programs. Information regarding these insurance programs can be found in Table 11.13 of this section.

The contingent liabilities of the Government include borrowings by agent Crown corporations (net of allowance for loss), from non-government sources and explicit guarantees by the Government for borrowings by non-agent Crown corporations from the private sector. In other cases, the Government has

agreed to guarantee loans made by agent enterprise Crown corporations to Indians for on-reserve housing. As well, the Government has also guaranteed collectively or specifically the loans of certain individuals and companies that they obtained from financial institutions in the private sector. These explicit guarantees cover guarantee programs of the Government, explicit guarantees by the Government for loans, financial arrangements and other potential liabilities, insurance programs of the Government and other explicit guarantees. They also comprise potential losses arising from pending and threatened litigation relating to claims and assessments in respect of breach of contract, damages to persons and property, and like items. Pending and threatened litigation is reported in total as are the contingent liabilities of consolidated Crown corporations in the following table. Also included, are contingent liabilities related to present and future callable share capital and lines of credit for international organizations.

Contingent liabilities other than loan guarantees and borrowings of agent enterprise Crown corporations, are recorded in the accounts when they become actual liabilities. Losses on loan guarantees are accrued in the accounts through a valuation allowance calculation when it is likely that a payment will be made in the future to honour a guarantee and where the amount of the anticipated loss can be reasonably estimated. The amount of the allowance is determined by taking into consideration the nature of the loan guarantee, loss experience and the use of other measurement techniques. Borrowings of agent enterprise Crown corporations are recorded as liabilities through a valuation allowance for the portion not expected to be repaid directly by these corporations.

Also included in Table 11.14 are contingent liabilities related to present, and future callable share capital and lines of credit for international organizations. These contingent liabilities may result in non-budgetary future payments.

The following table is also summarized in Note 16 to the financial statements of the Government in Section 1 of this volume.

#### **TABLE 11.14**

## STATEMENT OF CONTINGENT LIABILITIES AS AT MARCH 31, 1994—Continued

|   | Authorized<br>limit<br>(where<br>applicable) <sup>(1)</sup> | Contingent<br>liability <sup>(2)</sup> | Percentage of<br>expected losses<br>to outstanding<br>guarantees<br>(where<br>applicable) <sup>(3)</sup> |
|---|---|--|--|
|   | \$  | \$                                     | %  |
| INTERNATIONAL ORGANIZATIONS                               |   | 14,634,742,007 (10)(3                  | .1)  |
| CLAIMS AND PENDING AND THREATENED LITIGATION              |   | 8,268,282,268 (10)(2                   | 22)  |
| COMPREHENSIVE NATIVE LAND CLAIMS                          |   | 622,777,485 (23)                       |  |
| Subtotal <sup>(24)</sup>                                  |   | 49,816,360,135                         |  |
| CONTINGENT LIABILITIES OF CONSOLIDATED CROWN CORPORATIONS |   | 44,892,000 (25)                        |  |
| Total   |   | 49,861,252,135                         |  |

<sup>(1)</sup> The authorized limits indicated in the above statement, represent the aggregate total of various types of authorities of Government bodies as stipulated in legislation. legal agreements or other documents that may be in force at any one time.

(2) A contingent liability is a potential liability which may become an actual liability when one or more future events occur or fail to occur.

(3) The percentage of expected losses is calculated, where applicable, by dividing the amount of allowances for loan guarantees by the amount of the corresponding outstanding guarantees computed as at March 31, 1994. (4) Borrowings by agent enterprise Crown corporations in accordance with Section 54 of the Financial Administration Act, are considered potential obligations of the Government and are therefore included in this statement. Outstanding borrowings for these Crown corporations are summarized as follows as at March 31, 1994:

(5)

For more information on the borrowings of agent Crown corporations, please refer to Table 6.6 in this volume.

Includes committed guarantees for the following loans to be made: to Indians for on-reserve housing, \$166,990,579 and for Indian economic development, \$24,000.

At March 31, 1994, no loans had been issued for these amounts.

The Act places limits on the maximum amount of guarantee for loans made by eligible lenders over different loan periods. The maximum amount of guarantee by lender is expressed in legislation as a percentage of aggregate loans made to qualified borrowers and varies according to the dollar value range of aggregate loans made by the lender. The authorized limits for given loan periods are included in the figure reported until all qualified loans made by all eligible lenders in the given periods are no longer outstanding, and are not adjusted for loan repayments nor payments made by the Government for guaranteed amounts in which default has occurred.

The Atlantic Enterprise Program offers loan insurance on new term loans for the establishment, expansion or modernization of commercial operations in eligible sectors in the Atlantic provinces where the Program is administered by the Atlantic Canada Opportunities Agency (\$73,305,225 as at March 31,1994) and in the Gaspé Peninsula and Magdalene Islands of Québec where administration of the Program is the responsibility of the Federal Office of Regional Development (Quebec) (\$4,838,059 as at March 31, 1994). The Department of Industry, Science and Technology has responsibility for all capital projects in excess of \$20 million in the Atlantic provinces (\$85,806 as at March 31, 1994).

(8) There are no loan guarantees attributable to the Canadian Industrial Renewal Board.

(9) The authorized limit for loan guarantees for on-reserve housing totals \$1.2 billion (as shown above) for loans made by the Canada Mortgage and Housing Corporation,

the Farm Credit Corporation and other approved lenders. (10)

Amount denominated wholly or partially in a foreign currency and translated at the closing rate of exchange as at date of the statement. (11)The maximum aggregate amount that may be paid or that may have been paid from the Consolidated Revenue Fund (CRF) relative to Indian economic development in previous, current or subsequent years, with respect to all guarantees authorized and granted, is set at \$60 million. As at March 31, 1994, \$27,743,815 has been expended from the CRF leaving a balance of \$32,256,185 available for disbursement.

expended from the CRF leaving a balance of \$32,250,163 available for disbursement. Ridley Terminals Inc. (RTI) became a wholly-owned subsidiary of Canada Ports Corporation, an agent enterprise Crown corporation, on July 30, 1991. Canada Ports Corporation has arranged long-term financing (\$195,771,540 as at March 31, 1994) with an agent Crown corporation to facilitate the acquisition of RTI, payment of (12)which has been guaranteed by the Government. The lending Crown corporation has in turn borrowed from a private sector Bank and an appropriate provision has been made in the accounts of Canada by the Government in accordance with Note 4 above and Note 20 which follows. Consequently, a contingent liability does not exist in this situation.

Maislin Industries Ltd was placed in receivership on July 11, 1983 and declared bankrupt on October 19, 1983. To date, the Government has made interim payments totalling \$20,361,132 US to creditors under a guarantee in the amount of \$27 million US. It is anticipated that the Government will make a further payment of approximately \$1 million to settle remaining obligations to creditors sometime in 1994.

#### **TABLE 11.14**

## STATEMENT OF CONTINGENT LIABILITIES AS AT MARCH 31, 1994—Concluded

- (14) Since 1984, the Canada Mortgage and Housing Corporation (CMHC) has operated the Mortgage Rate Protection Program on behalf of the Government. In return for payment of a premium, CMHC will reimburse homeowners 75 percent of any increase in monthly mortgage payments, above a deductible, due to higher interest rates at the time of mortgage renewal. As recent mortgage interest rates have been relatively stable, the Program is not widely utilized and loans covered by the Program at March 31, 1994 amounted to only \$911,000 (\$911,000 at March 31, 1993). Premiums collected by CMHC are remitted directly to the Consolidated Revenue Fund (CRF) and obligations are ultimately payable from the CRF. Because of the nature of the Program, it is not possible to estimate the amounts, if any, that might be payable at some future date.

  There have been no claims under the Nuclear Liability Act since its inception in 1970. The Act covers 8 Canadian nuclear installations as at March 31, 1994. (15)
- (16) The Export Development Act specifies that Export Development Corporation may enter into contracts of insurance, re-insurance, related guarantees and other
- agreements up to a maximum of \$13 billion, the authorized limit. (17)
- The Fishing Vessel Insurance Plan is administered by the Government to assist fishermen in meeting abnormal capital losses. A consolidated specified purpose account is credited with all amounts received by way of premiums, recoveries and with advances in accordance with regulations by the Government, such advances not to exceed \$150,000 at any time. The account is debited with refunds of premiums and payments in settlement of third party vessel collision damage claims against fishermen, where the collision involves a vessel insured under the Plan. As at March 31, 1994, the insured value of vessels under the Plan amounted to \$222,743,190; the balance of the account was \$27,154,284 and outstanding claims against the Plan amounted to \$657,621.
- A letter of comfort has been issued with respect to credit grain sales by The Canadian Wheat Board. The letter states that the Government will assume responsibility (18) for the liabilities arising from defaults in payment by countries purchasing Canadian grain on credit. Receivables under this guarantee amounted to \$6.9 billion at March 31 1994
- (19) The Government has agreed to pay Yukon Energy Corporation up to \$300,000 per year up to March 31, 1997 should electricity sales to Curragh Resources Inc. fall below specified limits.
- (20) Included in the allowance for probable losses is \$3,885 million (\$3,560 million in 1993) for borrowings of agent enterprise Crown corporations.
- The Government has contingent liabilities for callable share capital and future callable share capital related to shares in certain international organizations. The Government has also issued lines of credit to international organizations to finance future lending. Because these contingent liabilities relate to non-budgetary share capital and loans, there would be no impact on budgetary expenditure if these potential liabilities become actual liabilities, as cash would simply be exchanged for another asset. See Table 11.15 for more details of these contingencies.
- Classified as follows:

| (   | in millions of dollars) |
|---|-------------------------|
| a. alleged breach of written, verbal, statutory contracts including construction disputes | 314                     |
| b. damage to property including loss of income  | 793                     |
| c. physical and mental injury including accidents and false imprisonment                  | 268                     |
| d. expropriation and land claims  | 5,769                   |
| e. miscellaneous  | 1,125                   |
| Subtotal  | 8,269                   |
| Less duplicated claims  | 1                       |
| Total   | 8,268                   |

Included in (d.) above is \$5 billion, a major portion of which is related to native statutory and treaty obligations representing plaintiffs' claims in 119 litigation cases. There are another 184 similar cases for which amounts are not stated in the claims, and for which it is not possible to determine the amounts that may be ultimately payable. In addition, the Government has 354 cases, not yet in litigation, of which 80 cases representing plaintiffs' claims amounting to \$767.5 million are also included

payable. In addition, in Government has 274-clasins cannot be determined at this time and no amount for such claims is shown.

The Government has 55 comprehensive native land claims either under negotiation, accepted for negotiation or under review. Of the 55 comprehensive claims, ten claims relating to the Council for Yukon Indians and a portion of the Dene-Metis claim are in the final stages of negotiation. Should negotiations be ratified, the Government would be liable to pay financial compensation over a number of years as follows:

| Council for Yukon Indians |            |
|---------------------------|------------|
| Implementation costs      | 360<br>263 |
|                           | 623        |

The remaining 44 comprehensive claims have not yet been quantified.

(24)Contingent gains. A contingent gain is a potential gain or possible recovery that may become an actuality when one or more future events occur or fail to occur. Four departments reported contingent gains as at March 31, 1994 totalling \$9.8 million. (25)

accordance with the Government's significant accounting policies, the contingent liabilities of Crown corporations that rely on Government funding as their principal source of revenue, are consolidated with those of the Government. See Table 5.4 of this volume for further details of the contingent liabilities of consolidated Crown corporations

# **International Organizations**

Table 11.15 summarizes the contingent liabilities and commitments for international organizations according to whether they would result in the disbursement of funds for non-budgetary share capital and loans, or for budgetary loans and advances. Non-budgetary share capital and loans are considered to be assets of the Government, whereas budgetary loans and advances are considered to be transfer payments to the organizations or countries involved.

Within the contingent liabilities, callable share capital represents the portion of Canada's capital subscriptions that has not yet been paid in. Callable capital is subject to call by offshore banks in the event that they were unable to meet their obligations. Future callable share capital consists of callable share capital related to subscriptions that Canada has made a commitment to purchase in future. As well, lines of credit that have been made available to international organizations to finance future lending activities are included as contingent liabilities.

Commitments reported in this table include loans and advances to international organizations and developing countries, which Canada has agreed to disburse in the future. Future paid-in share capital represents commitments made by Canada for future purchases of non-budgetary share capital in international organizations.

Table 11.15 provides additional information on contingent liabilities for international organizations that are summarized in Table 11.14 and contractual commitments for international organizations that are summarized in Table 11.12. Information contained in this table is also summarized in Notes 14 and 16 to the financial statements which are included in Section 1 of this volume.

<sup>(1)</sup> Foreign currencies were translated into Canadian dollars using the closing rates of exchange at March 31, 1994 (1\$US = \$1.3835 Cdn; 1SDR = \$1.95433 Cdn).

Note: Canada has agreed to lend the Enhanced Structural Adjustment Facility Special Drawing Rights (SDR) 300 million of which SDR 105.4 million has been lent, and to subsidize the interest rate on the loan through a grant of approximately SDR 165 million, of which SDR 19.7 million has been paid-in. In addition, lines of credit of SDR 892.5 million have been made available to the International Monetary Fund (IMF), subject to Canada's approval. This amount represents Canada's share of a credit arrangement to supplement the IMF's resources. The IMF did not utilize this arrangement in 1993-94. Canada has the right to opt out of calls on the arrangement on balance of payments and reserve grounds. Any drawdowns would involve an exchange of SDRs or currencies from official reserves in return for a reserve claim on the IMF.

<sup>(2)</sup> 

These amounts represent, in certain cases, notes payable to be issued in future years.

An instrument of subscription has not yet been deposited nor has a schedule of note issuances been determined. (3)
